**Lookout** Christine Byl, 2023-04-11 Set in rural Montana LOOKOUT centers on the dual coming of age of a girl and her father amid the natural and cultural forces that shape their family. LOOKOUT tells the story of the Kinzlers a complex working class family firmly rooted in northwestern Montana. Josiah and Margaret Kinzler have forged an unusual bond marked by both tenderness and distance their daughters Cody and Louisa grow up watching their parents navigate what it means to be true to yourself and what that costs. LOOKOUT offers a gripping dual coming of age Cody's from stoic ranch kid to hotshot firefighter to resilient woman learning to rely on others and Josiah's as he struggles to thrive in a world that has misunderstood him. Bound by their love of the land the Kinzlers work to bridge the gaps created by what they leave unspoken. LOOKOUT brings to life a family coming out to itself at home in a new and nuanced American West. [Information Circular](#), 1980

**Help Mom with the Dishes** Albert Koch, 2006-09 In the heart of Northwest Indiana's Calumet Region sits Whiting. Indiana Born and raised in this industrial Mayberry author Albert R Koch relives his experiences in this small town and beyond through this refreshing collection of essays. *Help Mom with the Dishes* is a journey through Koch's life featuring people places and extraordinary moments experienced by a not so ordinary guy. These episodes convey the wonder of youth the potency of humor the power of learning and the poignancy of emotions. For Koch what happens in the past provides direction for the future. One can decide to either live life looking in the rearview mirror or focus on what lies ahead. One can use life experiences to strengthen and grow or be satisfied with a mediocre life. Early on Koch's choice is to *Help Mom with the dishes*. Viewed through the parade of seasons these distinctive exceptional moments during Koch's continual quest for understanding and meaning are recalled with thoughtful reflective insight from classroom to factory factory to campus campus to classroom. Over that time he's learned an important lesson. The triumph over sadness is not easy. It requires an unflinching belief in the goodness of people a positive sense of humor and perhaps too a little faith and reverence for things.
