Loose Herd Of Texans:

A Loose Herd of Texans Bill Porterfield, 1978 Mixing the profile with the personal essay plain storytelling with reporting and the fanciful Bill Porterfield in this collection of short pieces prances out a memorable cast of his characters from the Texas heartland Loose herd is about as tight a noose of definition as you can draw around their collective necks Clarence of Green Mansions is a mystic with a two thousand year old memory J D Graham ekes out a living as owner of a general store in the dried up crossroads of The Grove Old Juan lives in a hole in the ground and defies anyone to bother him Larry Bowman became famous by winning the jackpot on TV bowling George White was a self proclaimed genius until he picked his toe with a rusty knife and died of gangrene John Waggoner scion of great ranchers has given up the New York stockbroker s life for stock raising and Goyo Maldonado stopped going to church when he found the Stone That Cries Like a Child Obscure eccentrics and ordinary folk outnumber the rich and famous

A West Texas Soapbox Jim Sanderson, 1998 Whether sprawled on barstools or preaching from pulpits people need to make sense of their world and in Jim Sanderson s world of West Texas pulpits and barstools are where many of them do so Sanderson himself stood for many years at a podium teaching at a community college in Odessa Texas There tired of academic papers and sometimes losing the distinction between fiction and nonfiction he turned to the world around him to figure out the meaning or meanings of education and of culture itself In a series of autobiographical ruminations Sanderson develops the theme that frontier wildness is still alive especially in West Texas though it may be repressed by fundamentalist religion and conservative politics West Texans he finds have to reconcile the two sides of their contrary natures the farmer best represented by the fundamental church and the frontiersman best represented by the sleazy bar Through this theme of internal conflict Sanderson weaves his experiences of art and censorship Texas myths in film and fiction the interaction of Hispanic culture with the culture of West Texas contradictions posed by academic interests in vocational teaching institutions intellectual elitism versus the real world and West Texas women s definition and self definition Through the examples of his students he shows how the quest for the West Texas myth freedom liberation and fulfillment is always transforming whether for good or bad In the end he recognizes that his insights may tell more about himself than about West Texas but by trying to make meaning out of his experience he tells us something about the way all of us learn and think about ourselves

Heart's Home Rose Houk, 1986 Illustrates how President Lyndon B Johnson s roots in the Texas Hill Country influenced his political ideals and aspirations His life story is interpreted at Lyndon B Johnson State and National Historical Parks The lively text is illustrated with rare historical photos

Fort Worth between the World Wars Harold Rich, 2020-09-25 From its early days as a nineteenth century army outpost through the boom years of cattle drives culminating with the arrival of Armour and Swift in the twentieth century to secure the community s economic base Fort Worth established itself as a major city that to many was where the West began Historian Harold Rich focuses on the successes and struggles that Fort Worth enjoyed and endured in the 1920s and 1930s

as the city's fortunes began to be eclipsed by Dallas, Houston and San Antonio. Featuring a solid foundation of economic history, Rich also explores the political and social challenges of a big city facing an uncertain future. Tense race relations, the chilling rise of the Ku Klux Klan and the dangerous thrills of a notorious vice district, Hell's Half Acre, show that this Texas city was a microcosm of the state and the nation when the roar of the 1920s came to an abrupt halt in the Great Depression. Fort Worth between the World Wars is an important contribution not only to local history but also to the larger story of urban change during a tumultuous time.

A Book Lover in Texas Evelyn Oppenheimer, 1995. A personal and professional memoir of a major literary catalyst in the state on radio and the lecture platform as author, agent, teacher and book collector. Her review broadcasts hold the national record for fifty years on the air. Oppenheimer pulls no punches in her evaluation of books, writers and the society and organizations related to them, including anecdotes about such literary and artistic stars as Irving Stone, Willie Morris, Peter Hurd, Agatha Christie, Herman Wouk, Leon Uris, James Michener, Jacqueline Susann and Alistair Cooke. She also tells of her own life and that of a grander and more elegant generation of Dallasites.

Browser's Book of Texas Quotations Steven A. Jent, 2001-02-20. From the sixteenth century through the twentieth, Texans have had interesting things to say about themselves, their home and the rest of the world. People beyond its borders have had interesting things to say about Texas and Texans for almost as long. This book brings together some 700 noteworthy quotations from or about Texas. Collectively, they form a portrait of this unique place in the words of the people who have lived and created the Texas experience.

Fifty Years of the Texas Observer Char Miller, 2004-08-11. The Texas Observer began publishing in Austin in 1954 and in the past five decades it has been an important voice in Texas culture and politics. Following in the muckraking tradition of George Seldes and I. F. Stone, the Observer has championed honest government, civil rights, labor and the environment, providing a platform for many of the state's most outspoken writers: Roy Bedichek, Willie Morris, Molly Ivins, Amado Muro, Maury Maverick, Jim Hightower and Dagoberto Gilb, to name a few. To mark the Observer's fiftieth anniversary in 2004, Char Miller has gathered a cross section of the best work to appear in its pages. While the Observer has ventured beyond Texas in its editorial coverage, Miller has chosen pieces that specifically speak to the state's politics, people, environment, culture and locales. With a foreword by Molly Ivins, these pieces form a progressive chronicle of a half century of life in Texas.

Passing Glances Jan Collins Stucker, Pat Black, Bob McMahon, Frank Adams, Andrew Yale, Jason Berry, Ralph Ellison, Julia Fields, Jackson Hill, Alexis Krasilovsky, George Mitchell, Patricia W. Goodman, Malcolm Jones, Fredric Tulskey, Julia Kirk Blackwelder, William Chafe, Jim Lee, Bob Williams. Who exactly, then or me, first came up with the idea? I'm not certain. No matter. The Institute for Southern Studies staff asked if I would take out six months to travel the South as a reporter for the Institute's then new syndicated weekly column, *Facing South*. Captive to Southern fondness for poking about the region and to that larger American myth about freedom deriving from travel, I claimed the job before any list of applicants could be gotten up. A new van was purchased and fitted out with a bed, typing stand, CB and regular AM-FM radio, specially cut mosquito

netting and a fan The Institute's charge dictated that I'd see the rural South not too much of the Interstate urbanized South Places like Ville Platte Louisiana Ink Arkansas Ripley Mississippi Pickens South Carolina and Fincastle Virginia The blessings of this constraint came vividly to mind when my path intersected an Interstate cloverleaf in Georgia typically crammed with service stations motels and fast food franchises Over the door of one eatery hung a banner proclaiming Join the Fun Eat and Run All told I logged nearly 28 000 miles between May and October 1977 I kept an eye out for the little things Graffiti for example In the rest room of a Charlottesville Virginia vegetarian restaurant I found Mother made me a homosexual Below in another's writing Fantastic If I bought her the yarn would she make me one Or signs like one on a New Orleans building Straight Business College And listened for larger themes not at all certain I could hear them but knowing that these too were a Southern tradition going back at least to the days of Fannie Kemble's Journal of a Residence on a Georgia Plantation in 1838 1839 the powerful attack on slavery and William Byrd's History of the Dividing Line Betwixt Virginia and North Carolina the travel log some assert first described the good ol boy **America the Quotable** Mike Edelhart, James Tinen, 1983 Brings together comments by writers historians statesmen and residents on America and her states cities and important landmarks Part I contains quotations on America as a whole organized into some 20 separate sections such as the city women beliefs and values government and history Part II provides quotations about each state and major cities and landmarks within the state There is an index of persons quoted Sources for quotations range from travel guides to such quotables as Will Rogers and H L Mencken ISBN 0 87196 331 0 29 95 Southwestern Historical Quarterly, 1979
