Translation and Culture Katherine M. Faull, 2004 How we view the foreign presented either in the interrelated forms of culture language or text determines to a large degree the way in which we translate This volume of essays examines the cultural politics of translation that have determined the production and dissemination of the foreign in domestic cultures as varied as contemporary North America Europe and Israel The essays address from a variety of theoretical perspectives the question posed almost two hundred years ago by the German philosopher Friedrich Schleiermacher of whether the translator should foreignize the domestic or domesticate the foreign

Untrodden Regions of the Mind Ghislaine McDayter, 2002 An extensive collection of essays on Romantic literature written from a psychoanalytic perspective With essays on both Continental and British Romantic writers this volume explores not only the complex operations of gender and subjectivity but also how textual analysis reveals the ways in which the unconscious of the literary body resists and denies interpretive analysis just as forcefully as the individual unconscious

Modernity, Sexuality, and Ideology in Iran Kamran Talattof, 2011-06-01 In Iran since the mid nineteenth century one issue has been a common concern how should Iran become modern More than a century of struggle for or against modernity has constituted much of the social political and cultural history of the country In the decades since the 1979 Revolution the question has become even more critical In *Modernity Sexuality and Ideology in Iran* Talattof finds that the process of modernity never truly unfolded due in large part to Iran's reluctance to embrace the seminal subjects of gender and sexuality Talattof's approach reflects a unique look at modernity as advancement not only in industry and economy but also toward an open intellectual discourse on sexuality Exploring the life and times of Shahrzad a dancer actress filmmaker and poet Talattof illuminates the country's struggle with modernity and the ideological traditional and religious resistance against it Born in 1946 she performed in several theater productions became an acclaimed film star in the 1970s and pursued a career as a journalist and poet Following the revolution she was imprisoned and eventually became homeless on the streets of Tehran Her success and eventual decline as a female artist and entertainer illustrate the conflict between modernity and tradition and Iran's failure to

embrace an overt expression of sexuality Talattof also profiles several other female artists of the 1970s analyzing their lives and work as windows through which to examine what Iranian culture allowed and what it repudiated A pioneering and timely work *Modernity Sexuality and Ideology in Iran* explores the integral role of popular culture and female artists in the shaping of modern Iran constructing a new framework for understanding such crucial concepts as ideology and modernity *Points of Contact* Amy Golahny, 2004 This collection of eight essays examines specific cases of contacts between Pacific Rim and western European cultures to explore the phenomena of appropriations intersections transculturations and discrete identities The exchanges in ideas religion and culture resulting from contacts among these areas whether through actual or virtual travel indicate mutual affinities and occasionally interdependencies but also separate and independent identities Each of these essays concerns the portability mutability and adaptability of aspects of the exchange of ideas and in nearly all cases here examined an affirmation of identity on the part of each culture in the exchange The cases of intersections examined here generally indicate developments of cultures approaching one another and then retrenching BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Cervantes y su mundo: without special title Eva Reichenberger, Kurt Reichenberger, A. Robert Lauer, 2004 **Cervantes y su mundo**, 2005 **Lorca, Buñuel, Dalí** Gwynne Edwards, 2009-06-17 Lorca Bunuel and Dali were in their respective fields of poetry and theatre cinema and painting three of the most imaginative creative artists of the twentieth century their impact was felt far beyond the boundaries of their native Spain But if individually they have been examined by many their connected lives have rarely been considered It is these the ties that bind them that constitute the subject of this illuminating book They were born within six years of each other and as Gwynne Edwards reveals their childhood circumstances were very similar Each was affected by a narrow minded society and an intolerant religious background which equated sex with sin and led all three to experience sexual problems of different kinds Lorca the guilt and anguish associated with his homosexuality Bunuel feelings of sexual inhibition and Dali virtual impotence Having met during the 1920s at the Residencia de Estudiantes in Madrid they developed intense personal relationships and channelled their respective obsessions into the cultural forms then prevalent in Europe in particular Surrealism Rooted in emotional turmoil their work from Lorca s dramatic characters in search of sexual fulfilment to Bunuel s frustrated men and women and Dali s potent images of shame and guilt is highly autobiographical Their left wing outrage directed at bourgeois values and the Catholic Church was strongly felt and in the case of Lorca in particular was sharpened by the catastrophic Civil War of 1936-9 during the first months of which he was murdered by Franco s fascists The war hastened Bunuel s departure to France and Mexico and Dali s to New York Edwards describes how for the rest of his life Bunuel clung to his left wing ideals and made outstanding films while the increasingly eccentric and money obsessed Dali embraced Fascism and the Catholic Church and saw his art go into rapid decline *The Life and Masterworks of Salvador Dalí* Eric Shanes, 2015-09-15 Painter designer creator of bizarre objects author and film maker Dal became the most famous

of the Surrealists Bu uel Lorca Picasso and Breton all had a great influence on his career Dal s film An Andalusian Dog produced with Bu uel marked his official entry into the tightly knit group of Parisian Surrealists where he met Gala the woman who became his lifelong companion and his source of inspiration But his relationship soon deteriorated until his final rift with Andr Breton in 1939 Nevertheless Dal s art remained surrealist in its philosophy and expression and a prime example of his freshness humour and exploration of the subconscious mind Throughout his life Dal was a genius at self promotion creating and maintaining his reputation as a mythical figure [Tiny Surrealism](#) Roger Rothman,2012-12-01 New light on both Dal s well known and little studied works and his work as a response to modernism through a focus on Dal s identification with the small and the marginal **Dali** Christopher Masters,1995 Salvador Dali 1904 89 is one of the most controversial and paradoxical artists of the twentieth century A painter of considerable virtuosity he used a traditional illusionistic style to create disturbing images filled with references to violence death cannibalism and bizarre sexual practices from the extraordinary fluid watches in The Persistence of Memory to the gruesome monster in Soft Construction with Boiled Beans and the fetishistic lobster in the famous Lobster Telephone **Dalí** Ralf Schiebler,2005 This fascinating look at Dali xplores the forces that shaped the life and works of one of the modern art world s most misunderstood figures [Oui](#) Salvador Dalí,1998 Dali is the most famous artist associated with the Surrealist movement but his official association with the movement was brief following his expulsion by Andre Breton after five years Oui was first published in French in 1971 and elicited a reassessment of Dali Here through short fictions essays and poems Dali shows his love for his Spanish comrades Bunuel and Lorca his passion for the emerging arts of photography and cinema UN CHIEN ANDALOU his Catalan roots and subsequent entry into the cosmopolitan world of Parisian Avant Garde **Historys Greatest Artists** Charles River Editors,2017-11-09 Includes pictures Includes Dali s quotes about his life and art Includes online resources and a bibliography for further reading Includes a table of contents Each morning when I awake I experience again a supreme pleasure that of being Salvador Dali Salvador Dali In his review of Salvador Dali s first autobiography George Orwell declared that One ought to be able to hold in one s head simultaneously the two facts that Dali is a good draughtsman and a disgusting human being Whether or not one agrees with the famous author s assessment Orwell captures the polarizing nature of Salvador Dali and the extent to which his undeniable technical virtuosity often brushed against his penchant for provoking his audiences not to mention provoking long entrenched standards of proper taste Dali after all was unafraid to eschew Renaissance perspective thereby incorporating often graphic subject matter In other words if Dali stands as one of the canonical figures of modern art this involved holding both a seminal role in the canon of cutting edge art but also a tendency to challenge audiences challenging the contours of Art with a Capital A While Orwell may have separated Dali the master technician from Dali the person it would be more accurate to acknowledge that the virtues of Dali s art cannot be dissociated from its provocative nature Always a showman Dali s very public persona was predicated on pushing the

boundaries of artistic form content and professional identity He was also not alone in this regard and Dali s career cannot be separated entirely from important modern art movements particularly surrealism Indeed Dali s genius lay not only in his undeniable gifts as an artist but in his savvy ability to market himself and befriend major figures in the art movements of his historical moment His friendships with Luis Bunuel and Federico Garcia Lorca deserve particular mention within the contexts of his career and European modernism more broadly Perhaps it s no surprise that Dali s life and art took many turns and was quite diverse The foundations for both his love for art and his public persona came from his background growing up but at the same time the showmanship with which Dali carried himself was in many respects a fa ade his upbringing brings to light the insecurities and anxieties that were not just contained within his childhood but informed his personal and professional lives as an adult
