Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *A Nurse to the Sick Body of Christ* Rose A. Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God's Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals

navigate themselves out of what she calls the web in relationships affected by narcissistic personality syndrome NPS The five parts of Goodbye Spider are validation awareness self empowerment escape and recovery Inspired by surviving her own experience with the NPS web she shares her discoveries about narcissists and those they target in intimate relationships The same techniques applied to intimate relationships in this book are also helpful with any long term relationship with family coworkers and others affected by this disorder It is a fresh very hopeful approach to living the best life ever despite these individual s behavior because a personal transformation within is very possible Inspirational and biblical supports reinforce the best self care practices which focus on personal power love and a sound mind that God has given us instead of fear discouragement and resentment Goodbye Spider has techniques that will help targets not only get unstuck from NPS relationships but also stay free as they realize an enjoyable life heal and become stronger than ever before This book will be a valuable resource in your personal development library Healing Words Sylvia Rogers,2016 Sadly sickness has become the norm for many Christians who often lack knowledge of how the body functions how emotions impact health how thinking patterns affect health and how to receive healing from the atonement of Christ They spend thousands of dollars on health care and are often not truly healed or healthy Many are looking for answers and are hungry for this information Illness is not the will of God Healing Words makes it clear that it is God s will to see His people living an abundant life and it provides practical specific steps to move in this direction This book will teach people how to put the principles of healing to use Each chapter on body systems will include A description of the body system components and common challenges Chinese medicine insights and observations Proven and effective healing scriptures specific to various body systems Healing declarations and a sample prayer A foundation for learning about God s will to heal is included in the beginning so the reader can grow in knowledge and boldness in receiving what God has already provided **The Forgiving Wife** Abby,2020-08-18 How did the book The Forgiving Wife come up It was the year 2007 when the Holy Spirit prompt me to write about my story At first I was reluctant and pulled back but the spirit of God kept pressing upon me I finally decided to start jutting information here and there As I started to gather more and more memories of my early marriage each day I realized that I didn t have a name for the book I then consulted God about giving me a name for the book Within ten minutes of me asking the Holy Spirit spoke quite clearly and said calmly The Forgiving Wife Not putting up a fight with what I heard and felt I continued writing As I gained confidence in writing my book my marriage once again started to spiral downhill in 2011 I then started to doubt my book and asked what sense was it to continue There was no way I could finish my book How would I end it Not sure of which way to steer my writing anymore I was forced to stop writing After taking another blow to my marriage in October of 2015 Two years later I finally realized that my battling marriage was far bigger than my husband and me This was far beyond our intellect I realized that we were not walking this road for ourselves but for someone else July 30th 2017 I began to consolidate all of the writing pieces into chapters After receiving approval from my husband to write about our personal

behind the scenes relationship I then had a clearer understanding as to why I was writing this book in the first place It was to help broken and hurting women out there I wanted to let the world know that Jesus is still in the business of restoring healing changing and saving lives I m not asking you if Jesus can do it I m telling you that he can I urge readers that if you don t have Jesus as the head of your marriage and home get him because you will need him Some battles you win and some you lose Whatever the case may be don t allow your marital issues cause you to become so disoriented that you want nothing to do with life anymore Neither let them allow you to lose your integrity your dignity nor your identity At the end of the day both spouses must want the same thing This book is intended to help both men and women I explained in this book that fighting for your marriage is not an easy fight As a matter of fact in the book shows how difficult and discouraging it got for me at times I talked about how I was at my lowest point Where I felt like my breath was literally being snuffed away from me but God It talks about how I was so confused at times I almost lost my mind I do not suggest you stay in a marriage if the situation is life threatening This book does not talk about having a perfect marriage As a matter of fact my book shows that my marriage is still far from perfect we must learn to accept imperfections as well You won t regret buying this book The content is intriguing the events are interesting and engaging And the message is authentic
