Loving Her:

Grief's Liturgy Gerald J. Postema, 2012-10-03 At once a lament psalm and a love song *Grief's Liturgy* records Gerald Postema's work and worship of grief upon the loss of his wife a year's work aided by the companions poetry and prayers icons and images music and silence that sat patiently with him Structured around the liturgy of the Divine Office reflections in each hour take on a distinctive expressive and emotional tone and fall into a jagged broken rhythm over the course of each day yielding ultimately an understanding of the life affirming necessity of grief *Chasing Horizon with Her* Prasenjeet, 2024-11-14 *Chasing Horizon with Her* is a soul stirring collection of love poems that captures the infinite journey of romance From the first rays of sunrise love to the deep hues of twilight passion each poem paints an intimate portrait of love's endless horizons This collection explores the beautiful pursuit of love where every ending brings a new beginning just like the horizon that forever beckons Perfect for sunset walks quiet evenings and moments when your heart seeks the perfect words Experience love through verses that flow like gentle waves carrying emotions from one heart to another Each poem is crafted to be both read and felt making it an ideal audiobook companion for romantic souls **Her Fill-In Fiance** Stacy Connelly, 2011-06-21 Sophia Pirelli had long ago turned her back on small town life until a stint in the big city left her unemployed and pregnant Facing her family might be the hardest thing she's ever done next to facing the man who'd betrayed her all over again *TO PERFECT MATCH* At first Jake Cameron's fling with Sophia had been strictly business investigating the pretty housekeeper's background for her wealthy employer was as routine as it got But business turned deliciously personal and incredibly complicated Now he was determined to win back Sophia's heart even if it meant helping her reunite with her family by pretending to be her fiancé Soon the pretend engagement had Jake wondering if he had what it took to become a family man after all *Her Neighbor's Wife* Lauren Jae Gutterman, 2019-11-01 At first glance Barbara Kalish fit the stereotype of a 1950s wife and mother Married at eighteen Barbara lived with her husband and two daughters in a California suburb where she was president of the Parent Teacher Association At a PTA training conference in San Francisco Barbara met Pearl another PTA president who also had two children and happened to live only a few blocks away from her To Barbara Pearl was the most gorgeous woman in the world and the two began an affair that lasted over a decade Through interviews diaries memoirs and letters *Her Neighbor's Wife* traces the stories of hundreds of women like Barbara Kalish who struggled to balance marriage and same sex desire in the postwar United States In doing so Lauren Jae Gutterman draws our attention away from the postwar landscape of urban gay bars and into the homes of married women who tended to engage in affairs with wives and mothers they met in the context of their daily lives through work at church or in their neighborhoods In the late 1960s and 1970s the lesbian feminist movement and the no fault divorce revolution transformed the lives of wives who desired women Women could now choose to divorce their husbands in order to lead openly lesbian or bisexual lives increasingly however these women were confronted by hostile state discrimination typically

in legal battles over child custody Well into the 1980s many women remained ambivalent about divorce and resistant to labeling themselves as lesbian therefore complicating a simple interpretation of their lives and relationship choices By revealing the extent to which marriage has historically permitted space for wives relationships with other women Her Neighbor s Wife calls into question the presumed straightness of traditional American marriage *The Greek's Pregnant Lover* Lucy Monroe,2010-08-01 From the USA Today bestselling author Zephyr s story is touching and passionate giving the reader the feeling that love can conquer all Fresh Fiction Self made billionaire Zephyr Nikos has come a long way from the streets of Athens but his heart is stone cold like marble He can t offer Piper Madison his love instead he offers her his world fine dining private jet rubbing shoulders with the rich and powerful As their desire heats up and finally reaches boiling point Zephyr and Piper must end their affair before one of them gets hurt There s just one small complication Piper s pregnancy test just came back positive Complex characters exotic locals and a compelling plot snare the reader from the first unfolding smoothly to deliver a happily ever after that ends with a sated sigh CataRomance Reviews *The Greek s Pregnant Lover* sweeps from Athens to Seattle with a whirlwind romance readers will love Kathy s Review Corner *To Honor and To Protect* Debra Webb,Regan Black,2015-06-01 A former soldier must protect his ex fianc e and his secret son in the next installment of *The Specialists* Heroes Next Door Before he could say I do on his wedding day eight years ago former special ops soldier Drew Bryant was hustled away for a top secret mission Everyone including the bride he left behind believes he s long dead But now his former fianc e is on the run from a vengeful fugitive and Drew is handpicked to bring her to safety When he finds Addi Collins deep in the swamplands of Louisiana with the son he never knew existed he has to earn her trust to protect her from a vindictive desperado And prove he won t break her heart a second time *The Essence of Time* Pat Weisgerber,2019-09-19 Pat and Toms electrifying first encounter falling in love That love affair that sparked behind the scenes was relatively short lived but was a turning point from being a shy quiet girl to running a business herself Their lives criss crossed through to the end providing an end to a glorious living Pat became a young farm widow who knew about farm life and experienced living a life alone and struggles to raise four children Financial hardships with farm life were overcome so the farmland could be salvaged for her family This is what her husband had always worried about Success was her reward for being passionate prepared and persistent The farm land was taken over by her children and Pat decided to work in Medicine Hat for a living This was very hard because she gave up the lifestyle she loved so much Tears were shed but her heart danced for joy to see her children prosper In this anticipated memoir Pat paints a portrait of growing up in Saskatchewan meeting her life long love in Alberta her decision to be a farm widow the importance of faith prayer and family and the unique joys and trials of life they loved so much Trusting God moment by moment with concerns of her heart and she discovered the awesome power that prayer released in her life With unparallel candor and wit Pat shares never before told stories of what it was like to raise four children alone in rural Alberta Pat recounts with warmth and grace the surprising
