Same Time, Same Station James L. Baughman, 2007-03-26 Outstanding Academic Title for 2007 Choice Magazine Ever wonder how American television came to be the much derided advertising heavy home to reality programming formulaic situation comedies hapless men and buxom scantily clad women Could it have been something different focusing instead on culture theater and performing arts In *Same Time Same Station* historian James L Baughman takes readers behind the scenes of early broadcasting examining corporate machinations that determined the future of television Split into two camps those who thought TV could meet and possibly raise the expectations of wealthier better educated post war consumers and those who believed success meant mimicking the products of movie houses and radio decision makers fought a battle of ideas that peaked in the 1950s just as TV became a central facet of daily life for most Americans Baughman s engagingly written account of the brief but contentious debate shows how the inner workings and outward actions of the major networks advertisers producers writers and entertainers ultimately made TV the primary forum for entertainment and information The tale of television s founding years reveals a series of decisions that favored commercial success over cultural aspiration *Hearings, Reports and Prints of the House Select Committee on Small Business* United States. publication or database currently indexes the contents of these important anthologies There are over 600 anthologies by both multiple and single authors in English that have been published through 1991 These anthologies contain over 10 000 stand alone pieces that 1 reprint articles from their original source 2 select excerpts from book length publications and 3 include original essays appearing only in a specialized anthology Without The Film Anthologies Index the researcher would have no guide to the valuable contents between the covers of these anthologies Much more than just a guide to the contents of anthologies the main section consists of 6 563 numbered entries that alphabetically list by author the contents of each piece found in the anthologies You could find for example all pieces written by a particular author which have appeared in the anthologies Additionally every author entry refers the user to all the anthologized sources which contain each specific piece For example Robert Warshaw's landmark essay on Movie Chronicle The Westerner can be found in 9 different anthologies or that selected essays by Sergei Einstein appear in over 50 separate anthologies Without The Film Anthologies Index there would be no way to systematically locate these buried treasures The final section of The Film Anthologies Index consists of an extensive listing of all film titles individual names specific genres countries periods studios etc as well as all key words and phrases that appear in the titles of the included pieces There are approximately 7000 topics covered in this section The user friendly layout of this reference source makes it both a comprehensive resource for everyone from the casual movie goer who wants a deeper understanding of the medium to the dedicated film scholar who is pursuing material on American Aberdeen-Angus Herd Book American Angus Association,1911 **The American Aberdeen-Angus Herd-book** American Aberdeen-Angus Breeders' Association,1911 **Area 51** Annie Jacobsen,2011-05-17 This compellingly hard hitting bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top secret military base for the first time New York Times It is the most famous military installation in the world And it doesn't exist Located a mere seventy five miles outside of Las Vegas in Nevada's desert the base has never been acknowledged by the U S government but Area 51 has captivated imaginations for decades Myths and hypotheses about Area 51 have long abounded thanks to the intense secrecy enveloping it Some claim it is home to aliens underground tunnel systems and nuclear facilities Others believe that the lunar landing itself was filmed there The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base Until now Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75 92 and unprecedented access to fifty five additional military and intelligence personnel scientists pilots and engineers linked to the secret base thirty two of whom lived and worked there for extended periods In Area 51 Jacobsen shows us what has really gone on in the Nevada desert from testing nuclear weapons to building super secret supersonic jets to pursuing the War on Terror This is the first book based on interviews with eye witnesses to Area 51 history which makes it the seminal work on the subject Filled with formerly classified information that has never been accurately decoded for the public Area 51 weaves the mysterious activities of the top secret base into a

gripping narrative showing that facts are often more fantastic than fiction especially when the distinction is almost impossible to make
