Marlborough Hero Of Blenheim:

Marlborough John Hussey,2015-04-30 John Churchill was born in 1650 the son of a defeated Cavalier captain in a household which had been ravaged and rendered almost destitute by the English Civil War Yet by the time of his death in 1722 he was among the richest men in the country with a dukedom a palace and a principality to call his own His rise to power came through a combination of good luck astute political manoeuvring and a brilliance on the battlefield that made him easily the most successful general of his time In this concise biography of the man and his military genius John Hussey describes in detail the campaigns that made Marlborough famous the 1704 campaign to save the Austrian empire which culminated in the great victory of Blenheim and the audacious invasion across Louis XIV s Ne Plus Ultra lines in 1711 These campaigns are put in the context of the times to create a portrait of a man who is still celebrated as one of the world s greatest ever military commanders

Masters of the Battlefield Paul Davis,2013-07-25 A catalogue of history s greatest military leaders from the Classical Age to the Napoleonic Era and what drove them to victory

A History of Marlboro County John Alexander William Thomas,2015-10-21 It was the aim of Capt Thomas in writing this history of Marlboro County South Carolina to make it so full in the matters of tradition and genealogy as to leave no room for complaint but in spite of his zeal industrious inquiry and research he was unable to procure from some families facts and data whilst some others

were unable to give information sought having preserved no family records and having no traditions stored up in memory The Rev J A W Thomas endeavored to write this piece of local history of a people loyal to the State valorous in war law abiding industrious and thrifty in time of peace The citizens of Marlboro should feel deeply indebted for the history of the people who have ever been true to themselves and their State in time of war and who in peace by quiet industry and exemplary thrift have made Marlboro the garden spot of the State *A History of Marlboro County* John Alexander William Thomas, 1897 **Our First Revolution** Michael Barone, 2007-05-08 The ideals of freedom and individual rights that inspired America's Founding Fathers can be traced directly back to one of the most pivotal events in British history the late seventeenth century uprising known as the Glorious Revolution In this work of popular history Michael Barone brings the story of this unlikely and largely bloodless revolt to American readers and reveals that without the Glorious Revolution the American Revolution may never have happened Unfolding in 1688 1689 Britain's Glorious Revolution resulted in the hallmarks of representative government guaranteed liberties the foundations of global capitalism and a foreign policy of opposing aggressive foreign powers But as Barone shows there was nothing inevitable about the Glorious Revolution It sprang from the character of the English people and depended on the talents audacity and good luck of two men William of Orange later William III of England who launched history's last successful cross channel invasion and John Churchill an ancestor of Winston who commanded the forces of the deposed James II but crossed over to support William one fateful November night The story of the Glorious Revolution is a rich and riveting saga of palace intrigue loyalty and shocking betrayal and bold political and military strategizing With narrative drive a sure command of historical events and unforgettable portraits of kings queens soldiers parliamentarians and a large cast of full blooded characters Barone takes an episode that has fallen into unjustified obscurity and restores it to the prominence it deserves Especially now as we face enemies who wish to rid the world of the lasting legacies of the Glorious Revolution democracy individual rights and capitalism among them it is vitally important that we understand the origins of these blessings **Memoirs and Wonderful Achievements of Wellington the Great** Christopher Kelly, 1853 **Drums Afar** John Murray Gibbon, 1918 *The Southern literary messenger*, 1859 *The heroes of England, stories of the lives of British soldiers and sailors* Lawrence Drake, 1843
