Marquis De Sade A Short Account Of His:

The Marquis de Sade; a Short Account of His Life and Work Geoffrey Gorer,1934 The Marquis de Sade Neil Schaeffer,2000 Against a magnificently embroidered backdrop of 18th century France Schaeffer shows us Sade s incredible life of sexual appetite adherence to Enlightenment principles imprisonment scandal and above all inexhaustible imagination

The Marquis de Sade: A Very Short Introduction John Phillips,2005-07-28 Discussing the real Marquis de Sade from his mythical and demonic reputation John Phillips examines Sade s life and work his libertine novels his championing of atheism and his uniqueness in bringing the body and sex back into philosophy **Brief Lives: Marquis de Sade** David Carter,2011-06-01 As explicit in his prose as he was in his private life the Marquis de Sade remains one of the most controversial writers of all time This new biography by the acclaimed translator and author David Carter promises to shock as much as it informs Arrested many times for sexual misdemeanors the Marquis de Sade was imprisoned in the Bastille where he was writing 120 Days of Sodom and The Misfortunes of Virtue at the time that it was stormed in 1789 After the French Revolution he was again imprisoned and sent to an asylum where he wrote diaries and plays This concise biography offers a fresh look at a relentlessly compelling figure with a fascinating life of scandal and imprisonment The Life and Ideas of the Marquis de Sade Geoffrey Gorer,2013-01-04 This classic book is on the life and ideas of the Marquis De Sade the notorious sexual libertine and controversial writer and will make an excellent addition to the bookshelf of anyone with an interest in the subject Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Marquis de Sade** Colette Verger Michael,1986 **Sexual Behavior in the Human Female** Alfred C. Kinsey,Wardell B. Pomeroy,Clyde E. Martin,Paul H. Gebhard,1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history The New York Times Originally published in 1953 the material presented in Sexual Behavior in the Human Female was derived from personal interviews with nearly 6 000 women from studies in sexual anatomy physiology psychology and endocrinology The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age decade of birth and religious adherence are reflected in patterns of sexual behavior The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews.com **Aldous Huxley Between East and West** ,2021-11-01 Although the title of this volume is Aldous Huxley between East and West the order of

the articles found within goes from West to East which naturally imitates Huxley's own progress especially since he went to the trouble of stepping out as far West as possible before starting for the East. Indeed one could argue that he was already on his way there before he left for California a continuous journey perhaps since from the Californian shores of the Pacific the East is the further West. After the Introduction which places Huxley between East and West the book starts with a consideration of Huxley's family connections then goes onto his earliest fictions his interest in science and the issue of modernity and his experiments with drama and their inherent philosophical concerns. The poetry with which he began his writing career is then viewed as a link between his earlier Western self and his later Oriental interests suggesting that the latter was always inherent in the former. A number of considerations of the Utopian themes in Huxley's middle and later fiction leads the volume to a climax with four articles surveying the foibles and the wisdom of Huxley's encounter with Eastern religious thought and philosophy his misunderstandings as well as ours of what actually he had learned and wished to pass on to the Western world.
