Online with God C. Philip Chacko, 2021-11-02 Theologically brilliant and astute I highly recommend this persuasive biblical and scholarly treatment on the work of the triune God in the world Dr Saphir Athyal Director of Faith Development World Vision International We often hear of God described as the Trinity the Father Son and Holy Spirit Dr Philip Chacko points out these three entities as the sides of a triangle perfectly balanced around a center of love and peace As God made humans in his image it only makes sense that humans themselves are made up of triangles as well Dr Chacko theorizes that each of us holds four different triangles at our core each concerned with a different element of our inner being But as humans our triangles are not perfectly balanced like that of God but He is the one and only power whose force can balance our triangles into true harmony In *Online with God* Dr Chacko explores how each of our inner triangles is wired describes how we can discover them for ourselves and explains the true value of connecting with God in order to do so Through this connection with God we reach deeper understanding of the self achieve balance and empower ourselves to be all that we have the potential to be With Dr Chacko's vast knowledge of scripture and included forty day devotional plan for further biblical understanding *Online with God* stands as a thorough guide to connecting with the Creator finding inner peace and empowering the self for all that is to come Offers a succinct description of spirit and soul mind and body and the relationship of these to the triangle of the Holy Trinity Rev Dr Tamara Nichols Rodenberg President Bethany College **Forthcoming Books** Rose Arny, 2002-04 **Family Life Now** Kelly J. Welch, 2025-01-07 Written with a down to earth and student focused approach *Family Life Now* 4th edition delivers a comprehensive examination of interaction among family members and intimate partners With an emphasis on today's diverse and complex individual family and the evolving impact of societal issues this text engages students through a balanced integrated approach of the human development and family science disciplines Author Kelly Welch uses a first person narrative style of writing to engage readers encourage them draw upon their own background and experiences to understand theories and concepts and to paint a realistic view of families and intimate relationships This text lays the foundation to understanding relationships better applying research and theory and promotes the ways in which those considering a helping profession career such as social worker therapist psychologist teacher early childhood childcare provider or healthcare provider can employ strengths oriented best practices to create and deliver effective quality couple and family life education **The Spiritual Life** Tyler G. Walton, 2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters

Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look **Full Service**

Siang-Yang Tan,2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan s focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood [Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 3: Khayyami Astronomy](#) Mohammad H. Tamdgidi,2021-06-01 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination is a twelve book series of which this book is the third volume subtitled Khayyami Astronomy How Omar Khayyam s Newly Discovered True Birth Date Horoscope Reveals the Origins of His Pen Name and Independently Confirms His Authorship of the Robaiyat Each book is independently readable although it will be best understood as a part of the whole series In the overall series the transdisciplinary sociologist Mohammad H Tamdgidi shares the results of his decades long research on Omar Khayyam the enigmatic 11th 12th centuries Persian Muslim sage philosopher astronomer mathematician physician writer and poet from Neyshabour Iran whose life and works still remain behind a veil of deep mystery Tamdgidi s purpose has been to find definitive answers to the many puzzles still surrounding Khayyam especially regarding the existence nature and purpose of the Robaiyat in his life and works To explore the questions posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of Khayyam Omar Khayyam s true birth date horoscope as newly discovered in this series is comprised of a dazzling number of Air Triplicities sharing a vertex on a Sun Mercury Cazimi point on the same Ascendant degree 18 of Gemini Among other features his Venus Sextile with Moon also plays a lifelong secretly creative role to intentionally balance his chart These features would not have escaped the attention of Omar Khayyam a master astronomer and expert in matters astrological no matter how much he embraced doubted or rejected astrological interpretations In this third book of the series conducting an in depth hermeneutic analysis of Khayyam s horoscope Tamdgidi reports having discovered the origins of Khayyam s pen

name in his horoscope The long held myth that Khayyam was a parental name even if true in no way takes away from the new finding it only adds to its intrigue Tamdgidi s hermeneutic analysis of Khayyam s horoscope in intersection with extant Khayyami Robaiyat also leads him to discover an entirely neglected signature quatrain that he proves could not be from anyone but Khayyam one that provides a reliably independent confirmation of his authorship of the Robaiyat He also shows how another neglected quatrain reporting its poet to have aged to a hundred is from Khayyam This means all the extant Khayyami quatrains are now in need of hermeneutic reevaluation Tamdgidi s further study of a sample of fifty Khayyami Robaiyat leads him to conclude that their poet definitively intended the poems to remain in veil that they were considered to be a collection of interrelated quatrains and not sporadic separate quatrains written marginally in pastime that they were meant to offer a life s intellectual journey as in a book of life that the poems critically nuanced engagement with astrology was not incidental but essential throughout the collection and that judging from the signature quatrain discovered 1000 quatrains were intended to comprise the collection Oddly it appears that after all The Khayyam who stitched his tents of wisdom was a trope that had its origins in Omar Khayyam s horoscope heavens
