Murders

# Marriage Bureau Murders

**Piers D. Britton, Simon J. Barker**

## **Marriage Bureau Murders:**

**The Marriage Bureau Murders** John Bingham, 1977      **Murder Yet to Come** Isabel Briggs Myers, 1929      **The Complete Avengers** Dave Rogers, 1989-08-15 Still broadcast in syndication across the U S the urbane British program The Avengers went through many changes in the course of its run This volume provides an overview of the series a show by show guide to each episode a comprehensive guide to memorabilia and more than 200 photographs of England s most dashing crime fighters      **I Met Murder** E.X. Ferrars, 2023-09-26 Murder and Felix have the habit of turning up and turning up together in Virginia Freer s life like some macabre set of twinned bad pennies This time around a broken leg and the resulting need for soothing ministrations have led Felix to take up residence in Virginia s spare bedroom giving him a front row seat to the dramatic doings in the neighborhood These mostly involve Virginia s friend Ann Brightwell who has simultaneously come into a legacy and offered a home to a suddenly orphaned young cousin The excitement only ratchets up when the cousin disappears and a ransom is demanded Ann is prepared to sell her newly valuable goodies if it will bring her back but Felix cynic that he is isn t sure that s the wisest course of action He points out among other things that the cousin has a history with the police and that a local mystery writer seems to be taking a curiously keen interest in the whereabouts of this quite nubile young woman he s only barely met      **The Man Who Was George Smiley** Michael Jago, 2013-02-14 Investigator interrogator intellectual hero the perfect inspiration for the perfect spy This first full length biography traces the life of the remarkable and engaging John Bingham the man behind John le Carr s George Smiley The heir to an Irish barony and a spirited young journalist John Bingham joined MI5 in 1940 his quiet intellect wry wit and knack for observation made him a natural He took part in many of MI5 s greatest wartime missions from the tracking of Nazi agents in Britain to Operation double cross that ensured the success of D Day and later spent three decades running agents in Britain against the Communist target Among his colleagues his skills were legendary and he soon became a mentor to many a novice spy including one David Cornwell the later le Carr Bingham too was an innovative writer who perfected the psychological thriller marrying cold objectivity with an explanation of the darkest reaches of human behaviour His early novels were applauded but for all his success Bingham struggled to match the fame of the man he had inspired Drawing on Bingham s published and unpublished writings as well as interviews with his family Michael Jago skilfully tells the riveting yet poignant tale of the man who was George Smiley      **Till Death Us Do Part: A True Murder Mystery** Vincent Bugliosi, 2004-05-17 Winner of the Edgar Award for Best Fact Crime Bugliosi the quintessential prosecutor has written a crime book that should be read by every lawyer and judge in America F Lee Bailey On December 11 1966 a mysterious assassin shot Henry Stockton to death set his house on fire and left the scene without a trace A year later when a woman was found brutally killed shreds of evidence suggested a connection between the two murders In the Palliko Stockton trial prosecutor Vincent Bugliosi offered a brilliant summation that synthesized for the jury the many inferences and shades of meaning in the testimony fitting all the pieces

together in a mosaic of guilt But will the jury be persuaded      **Forever England** Alison Light,2013-08-21 Most studies of the interwar years have focussed upon literary elites rendering that past and its literature in almost exclusively male terms In **Forever England** Alison Light argues that we cannot make sense of Englishness in the period or understand the changes within literary culture unless we recognise the extent to which the female population represented the nation between the wars From the traumatic aftermath of the First World War **Forever England** traces the making of a conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the period **Forever England** evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives      **My Name is Michael Sibley** John Bingham,2007-07-17 FROM THE INTRODUCTION BY JOHN LE CARR This novel comprises some of the best work of an extremely gifted and perhaps under regarded British crime novelist What gave John Bingham his magic was something we look for in every writer too often in vain an absolute command of the internal landscape of his characters acutely observed by a humane but wonderfully corrosive eye Michael Sibley and John Prosser shared a history that dated back to their first years at boarding school and so the news of Prosser's murder came as a great shock to his old friend especially because Sibley had been staying only the day before at Prosser's country house where the body was found When the police arrive to question him in connection with the murder Sibley finds himself lying about his recent visit and thus begins to reveal the true nature of a longstanding but volatile friendship fraught with mutual deception and distrust As he tells his version of the truth to the police and to the reader Sibley makes the first of many fateful mistakes and finds himself not only under suspicion but a primary suspect in the investigation Seen through the eyes of Sibley himself **My Name Is Michael Sibley** is a mesmerizing account of murder as the narrator purposefully attempts to elude the police and prove his innocence to the reader in the same breath      *A Fragment of Fear* John

Bingham,2007-07-17 FROM THE INTRODUCTION BY JOHN LE CARR This novel comprises some of the best work of an extremely gifted and perhaps under regarded British crime novelist What gave John Bingham his magic was something we look for in every writer too often in vain an absolute command of the internal landscape of his characters acutely observed by a humane but wonderfully corrosive eye On a recuperative trip in Italy after a car accident reporter and novelist James Compton is witness to the discovery of a murder victim a woman who had been vacationing at the same hotel Lucy Dawson seemed like a gentle old lady and so the motive for her death appeared to be unmeditated assault But when he returns to

England and makes a benign inquiry into her background Compton receives a note warning him to leave the past alone a note clearly written on his own typewriter though his apartment shows no sign of a break in Unable to resist pursuing the unfinished story Compton s own investigation reveals a sinister side to Lucy Dawson and a cold blooded conspiracy she may have helped to perpetrate while alive Suddenly Compton finds a dangerous net closing in around him threatening phone calls terrifying invasions of privacy and no way of proving to the police that anyone is responsible but himself In the tradition of Agatha Christie and Patricia Highsmith John Bingham s writing has earned him a place amongst the great suspense writers of the twentieth century With taut compelling prose A Fragment of Fear is a captivating thriller by a master storyteller at the height of his powers

Reading between Designs Piers D. Britton, Simon J. Barker, 2010-01-01 From the alien worlds of Star Trek to the realistic operating room of ER the design of sets and costumes contributes not only to the look and mood of television shows but even more importantly to the creation of memorable characters Yet until now this crucial aspect of television creativity has received little critical attention despite the ongoing interest in production design within the closely allied discipline of film studies In this book Piers Britton and Simon Barker offer a first analytical study of scenic and costume design for television drama series They focus on three enduringly popular series of the 1960s The Avengers The Prisoner and Doctor Who and discuss such topics as the sartorial image of Steed in The Avengers the juxtaposition of picturesque and fascistic architecture in The Prisoner and the evolution of the high tech interior of Doctor Who s TARDIS Interviews with the series original designers and reproductions of their original drawings complement the authors analysis which sheds new light on a variety of issues from the discourse of fashion to that of the heritage industry notions of Pop and retro and the cultural preoccupation with realism and virtual reality

This Captivating World of Kindle Books: A Detailed Guide Unveiling the Advantages of Kindle Books: A World of Ease and Flexibility Kindle books, with their inherent portability and simplicity of access, have liberated readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or carefully searching for specific titles in bookstores.
