Marital Status and Living Arrangements, 1979 *Marital Status and Living Arrangements*, March 1982 Arlene F. Saluter, 1983 *Marital Status and Living Arrangements* Arlene F. Saluter, 1988 **A Marriage Covenant: Not For Women Only** Linda Anderson, 2017-07-05 Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat I wondered That curiosity led me to a bigger change in my understanding of scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God's marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew **Marital Status and Living Arrangements** United States. Bureau of the Census, 1977 Blackmailed by Diamonds, Bound by Marriage Sarah Morgan, 2007-01-01 A woman turns the tables on an alpha male billionaire in this contemporary romance by a USA Today bestselling author The Brandizi Diamond has been in the Kyriacou family for generations So when it comes into Angelina Littlewood's possession Nikos Kyriacou must get the jewel back But Angie has her own reasons for keeping it and for wanting to teach arrogant Greek Nikos a lesson What better way than to agree to marriage But then Angie discovers what being Nikos's wife entails He has one demand he's her husband and she'll share his bed **Marriage in Past, Present and Future Tense** Janet Carsten, Hsiao-Chiao Chiu, Siobhan Magee i, Eirini Papadaki, Koreen M. Reece, 2021-09-01 Marriage globally is undergoing profound change provoking widespread public comment and concern Through the close ethnographic examination of case studies drawn from Africa Asia Europe and North America Marriage in Past Present and Future Tense places new and changing forms of marriage in comparative perspective as a transforming and also transformative social institution In conditions of widespread socio political inequality and instability how are the personal the familial and the political co produced How do marriages encapsulate the ways in which memories of past lives present experience and imaginaries of the future are articulated Exploring the ways that marriage draws together and distinguishes history and biography ritual and law economy and politics in intimate family life this volume examines how familial and personal relations and the ethical judgements they enfold inform and configure social transformation Contexts that have been partly shaped through civil wars cold war and colonialism as well as other forms of violent socio political rupture offer especially apt opportunities for tracing the interplay between marriage and politics But rather than taking intimate family life and

gendered practice as simply responsive to wider socio political forces this work explores how marriage may also create social change Contributors consider the ways in which marital practice traverses the domains of politics economics and religion while marking a key site where the work of linking and distinguishing those domains is undertaken Ethnographic Practice in the Present Marit Melhuus,Jon P. Mitchell,Helena Wulff,2010 In its assessment of the current state of play of ethnographic practice in social anthropology this volume explores the challenges that changing social forms and changing understandings of the field pose to contemporary ethnographic methods These challenges include the implications of the remarkable impact social anthropology is having on neighboring disciplines such as history sociology cultural studies human geography and linguistics as well as the potential costs of this success for the discipline Contributors also discuss how the ethnographic method is influenced by current institutional contexts and historical traditions across a range of settings Here ethnography is featured less as a methodological tool box or technique but rather as a subject on which to reflect
