An Exploration of a New Poetic Expression Beyond Dichotomy Shin'ichiro Ishikawa, 2004 This study attempts to re-evaluate Lawrence's poetry which has often been read as a set of biographical documents or supplementary notes to his novels as fully independent literary work in the light of post modern critical theory The author carefully examines how Lawrence needed to misread his precursors the nineteenth century Romantics to establish himself as one of the modern poets What separates his poetry from his precursors is his self consciousness as a modern poet His search for radical freedom in language and his meta poetic exploration of a new poetic expression make him a true pioneer of the terra incognita in English poetry **The Saturday Evening Post**, 1920 The Eastern Underwriter, 1920
