

Marrying Roque Memoir Of An Interracial Marriage

Therlee Gipson

Marrying Roque Memoir Of An Interracial Marriage:

Marrying Roque Sylvia Palmer, 2004 *Marrying Roque* pr Row key is the author's story of meeting and later marrying a young Filipino who leaves his family to emigrate to the U S in the 1920 s to pursue his dream to become a lawyer Their relationship begins when Sylvia a young Jewish girl seeking work in Depression Era L A gets a job in Roque's office I d never before known a Filipino she wrote She d heard hateful slurs against them belittling their size and dress As time goes on she becomes intrigued not only with her boss but with the food and culture of the Philippines Roque's charm and personality eventually win Sylvia over Although realizing that her family is very much against this interracial relationship Sylvia nevertheless follows her heart and marries Roque Anti miscegenation laws in California force them to wed out of state Set against a background of an intolerant society and conflicting cultural values the marriage later becomes problematic With insight and compassion Sylvia narrates their struggles The author's honesty and adventuresome spirit make this memoir most interesting and revealing

Love's Revolution Maria P. P. Root, 2001 When the Baby Boom generation was in college the last miscegenation laws were declared unconstitutional but interracial romances retained an aura of taboo Since 1960 the number of mixed race marriages has doubled every decade Today the trend toward intermarriage continues and the growing presence of interracial couples in the media on college campuses in the shopping malls and other public places draws little notice *Love's Revolution* traces the social changes that account for the growth of intermarriage as well as the lingering prejudices and false beliefs that oppress racially mixed families For this book author Maria P P Root a clinical psychologist interviewed some 200 people from a wide spectrum of racial and ethnic backgrounds Speaking out about their views and experiences these partners family members and children of mixed race marriages confirm that the barriers are gradually eroding but they also testify to the heartache caused by family opposition and disapproving strangers Root traces race prejudice to the various institutions that were structured to maintain white privilege but the heart of the book is her analysis of what happens when people of different races decide to marry Developing an analogy between families and types of businesses she shows how both positive and negative reactions to such marriages are largely a matter of shared concepts of family rather than individual feelings about race She probes into the identity issues that multiracial children confront and draws on her clinical experience to offer child rearing recommendations for multiracial families Root's Bill of Rights for Racially Mixed People is a document that at once empowers multiracial people and educates those who ominously ask What about the children *Love's Revolution* paints an optimistic but not idealized picture of contemporary relationships The Ten Truths about Interracial Marriage that close the book acknowledge that mixed race couples experience the same stresses as everyone else in addition to those arising from other people's prejudice or curiosity Their divorce rates are only slightly higher than those of single race couples which suggests that their success or failure at marriage is not necessarily a racial issue And that is a revolutionary idea Author note Maria P P Root Ph D is a clinical psychologist and past President of the

Washington State Psychological Association Love Under the Skin Cécile Coquet-Mokoko, 2020-04-15 The rising visibility of interracial couples calls for increased attention to the overlapping of culture and race in safe spaces centered on small group dynamics or in public spaces where peoples of African descent are under the public gaze This comparative study seeks to de center the U S centered viewpoint common to much of the literature on black white relations Based on nine years of fieldwork in the American South and in France Coquet shows many unexpected parallels between the two societies Gendered perceptions of cultural authenticity and sexual ethics are a guiding thread being inseparable from the historical and political contingencies re defining acceptable forms of dating marrying and parenting among cis heterosexual couples in both societies Her account emphasizes resilience and agency as couples seek to protect themselves and their children while their extended or symbolic kinship networks help white partners acknowledge the existence of racial privilege **Interracial Marriage: Expectations and Realities** Irving R. Stuart, Lawrence Edwin Abt, 1973 Marriage Across the Color Line Clotye Murdock Larsson, 2013 *Just Married?* Kimberly Jane Ravener, 2003 A Dilemma! Black Marriage Vs Interracial Marriage Therlee Gipson, 2010-02-22 This book on A Dilemma Black Marriage vs Interracial Marriage is a topic for discussing There are several reasons a Black female never marries Such as not finding a suitable mate commitment to career or other personal reasons But if a successful Black female does decide to get married there is a dilemma The question is Should I marry into another ethnic group There are literally thousands of Black marriages today but they are on the decline The couples I chose are the lucky few I put in this book I am proud of all the achievements these professional people attained I researched each individual profile by compiling public information on them with no intention to scandalize or criticize them on the choices they made in choosing their mate and it should be that way for all of us whether we succeed or fail The trend I am seeing as I write this book is Black men who become successful prefer Multiracial or White women for their mate This leaves the Black female in a dilemma when it comes to finding a suitable mate How sad Blacks should be proud of their racial heritage and not be ashamed of their mother s roots or where they came from Once they realize everything came from Black they might change their way of thinking Ponder this paragraph When role models are presented in a positive way it will decrease resentment and inferiority from being breaded into a people When a people discovers positive contributions their forebears contributed to society it gives hope and pride to them then they can grasp what the color of Black really means Today Black men have the opportunity to become anything they strive to achieve including the President of the United States However they still do not support their Black mothers and Black sisters who needs a successful Black man in their lives also Black men should look upon their Blackness as strength instead of a weakness Marry your own kind and keep your lineage strong However the stigma of being Black and the lack of knowledge has hindered Blacks who are blessed with talent and fame to betray their own kind without giving a Black female any chance to be successful and happy with her own kind Wisdom to overcome inferiority and cherish your own kind is the only answer for Blacks to be accepted as equals Finally

thank God for your special gift and be proud of your roots like President Barak Obama who married a sister Reciprocity: Black Women Interracial and Intercultural Marriage- Book 3 Eve Sharon Moore,2009-11 Penetrating essays and riveting comments from the 2007 Associated Press highlighted website BlackFemaleInterracialMarriage.com as black women white men and others discuss the factors in the current social environment that are causing the surge in interracial and intercultural dating and marriages between African American women and men of other races and cultures Internet personality Eve Sharon Evia Moore urges African American women to make marriage to a quality man of whatever skin shade and cultural background a high priority especially if there are to be children Check out why more than 1 million readers have viewed over 2 500 000 pages of Evia's motivational and commonsense writings thousands of comments from readers and hundreds of photos of interracially and interculturally married black women and their mates Find out why readers flock to Evia's site often and return eagerly to see and read more **Half-n-Half** Eric M. Smith,2021-09-13 Half breed Mixed race What do you call the product of an interracial marriage And how do you relate Half n Half is a very honest account of the daily struggles faced by such individuals and it will act as an alarm clock waking people up to the ethnic diversity of this country and the problems that come with it Eric M Smith knows firsthand what life is like for the children of interracial marriages After all he lived it Picture in your mind living on the ninth floor of one of the country's most dangerous housing Cabrini Green homes This was the early setting for Eric Smith and his family Shootings drug deals family fights police sirens constant commotion No not TV or some modern day cable program on violence These were the day to day occurrences which were no farther than the floor Eric lived on and definitely not any farther than his own courtyard And the names flew too half breed high yellow red bone yellow nigga good hair straight hair German nigga kids These are some of the names Eric heard on a daily basis Those were hood names White people were a little more subdued referring to them as mixed kids or mulattos As you read Eric's story you will understand the subject of interracial marriage from a whole new perspective and you will be better prepared to respond to one of the twentieth century's most significant yet unresolved issues Now that we are in the twenty first century are we any closer to accepting people for who they are before looking at their skin color *Mixed Marriages, Mixed Heritage* Beatrice Luvwefwa,2006-02-01 This is the true story of an African woman who came to the U S A with wisdom in her mind and love in her heart to follow a New England boy a world away Through her journey across continents we gain an incredible perspective of a life where race was challenged and boundaries were conquered Beyond a simple woman's journey through love and marriage this book offers an intimate heartfelt and unpretentious insight into what it means to belong and to define oneself in our modern world
