

MARSHALL Hero for Our Times

Leonard Mosley

Winston Churchill called him the "organizer of victory." Harry Truman said "he was the greatest of the great." And General George Patton vowed he "would rather face the whole Nazi panzer army single-handed than be called to an interview with General Marshall."

This is the first anecdotal, single-volume biography of George C. Marshall, one of the greatest generals in our history, a private, often enigmatic man, whose life was marked by incredible peaks and awesome depths.

Time and again Marshall put his career on the line before his political superiors and military contemporaries and rivals. He made what seemed like a tragic mistake at Pearl Harbor, but turned that disaster into a launching pad to victory. By facing down arrogant statesmen and politicians, he single-handedly decided policy that meant the difference, not just between victory or defeat, but between peace or war.

He had to fight for his nation's interests — and sometimes its very life — both as Chief of Staff during World War II and as Secretary of State in the raw, cold, hungry postwar world that followed.

The remarkable thing about Marshall was that he never lied, either in his own interest or in his country's. A superb negotiator and a brilliant public speaker, he could manipulate the most stubborn, difficult and politically agile men, including Roosevelt, Stalin, and Churchill. He had wit, persuasion, and charm — a great deal of charm, as a number of famous and beautiful women discovered.

In a world of overpaid heroes and untrustworthy officials, Marshall made it to the top and maintained his principles, though not without pain, struggle and suffering.
