Marshall Fields:

Remembering Marshall Field's Leslie Goddard,2011-07 **Marshall Field's** Gayle Soucek,2010 Anyone who has waited in a Christmas line for the Walnut Room's Great Tree can attest that Chicago's loyalty to Marshall Field's is fierce Dayton Hudson even had to take out advertising around town to apologize for changing the Field's hallowed green bags And with good reason the store and those who ran it shaped the city's streets subsidized its culture and heralded its progress The resulting commercial empire dictated wholesale trade terms in Calcutta and sponsored towns in North Carolina but its essence was always Chicago So when the Marshall Field name was retired in 2006 after the stores were purchased by Macy's protest slogans like Field's is Chicago and Field's as Chicago as it gets weren't just emotional hype Many still hope that name will be resurrected like the city it helped support during the Great Fire and the Great Depression Until then fans of Marshall Field's can celebrate its history with this warm look back at the beloved institution **Historic Illinois** Janice A. Petterchak,2005 An illustrated history of the State of Illinois paired with histories of the local companies [The Marshall Fields](#) Axel Madsen,2002-09-02 A classic American success story with a twist Like J P Morgan John D Rockefeller and Andrew Carnegie Marshall Field was one of the overlords of triumphant capitalism in the Gilded Age of the late nineteenth century However his phenomenal wealth and generous philanthropy masked a disastrous personal life Deserted by his wife and alienated from his children the founder of the Field dynasty left a legacy of immense wealth and misery to match The Marshall Fields recounts the classic tale of Field's spectacular success as well as the tragic story of a man who while making millions by knowing what women wanted had no inkling of his own wife's emotional needs This revealing account follows the next five generations of the Field family concentrating on the most important and controversial figures in each generation What emerges is a startling saga of money madness and mystery From the son who may have been shot by a chorus girl to the great great grandson who used his millions to create Hollywood fantasies Field's descendants have caromed wildly between rebellion and folly Their story offers a new and penetrating take on wealth success and the nightmare that often accompanies the American dream **LIFE** ,1943-10-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Frederick & Nelson** Ann Wendell,2008 In 1890 D E Frederick arrived in Seattle and joined soon after by Nels Nelson started what would become one of the Northwest's best loved and well regarded stores For more than 100 years Frederick Nelson was much more than just a department store to the people of Seattle it was an icon F N as locals referred to it established the city's retail core led the war bond drive acted as a civic booster and pioneered a high level of benefits for its workers But it was the customer experience that made all the difference at F N Whether it was a fashion show in the Tea Room a visit to Santa or the taste of a Frango the memories of Frederick Nelson still resonate today
