corporate biography as well as a success story worthy of Horatio Alger Martha Inc also delves into how a cult of personality is created and how Martha Stewart capitalized on the zeitgeist that characterized the last half of the twentieth century This book is a must read for anyone who has been touched by Martha s marketing savvy or who dreams of making it big

Martha Inc Christopher Byron,2001-01-01 The Martha Stewart business model may be one of the most successful developed in the past ten years according to this lively in depth examination of the Diva of Domesticity 100 Entertainers Who Changed America Robert C. Sickels,2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual s influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship Icons of American Cooking Elizabeth S. Demers Ph.D.,Victor W. Geraci,2011-03-08 Discover how these contemporary food icons changed the way Americans eat through the fascinating biographical profiles in this book Before 1946 and the advent of the first television cooking show James Beard s I Love to Eat not many Americans were familiar with the finer aspects of French cuisine Today food in the United States has experienced multiple revolutions having received and embraced influences from not only Europe but cultures ranging from the Far East to Latin America This expansion of America s appreciation for food is largely the result of a number of well known food enthusiasts who forever changed how we eat Icons of American Cooking examines the giants of American food cooking and cuisine through 24 biographical profiles of contemporary figures covering all regions cooking styles and ethnic origins This book fills a gap by providing behind the scenes insights into the biggest names in American food past and present
