

Marti On The Usa

Anne Fountain

Martí On The Usa:

Martí on the U.S.A. José Martí, 1966 **Martí on the U.S.A.** José Martí, 1966 Martí on the USA. Martí, José
Martí's "Our America" Jeffrey Grant Belnap, Raul A. Fernandez, 1998 Considerable attention has been given to Cuban poet essayist and activist José Martí's 1891 essay *Nuestra América* but relatively little has been paid to the rest of the journalistic work that Martí produced during his fourteen year exile in the United States. In *José Martí's Our America* Jeffrey Belnap and Raul Fernández present essays from Latin American Caribbean and U.S.-based scholars who consider Martí's rich and underexplored body of work and position Martí as an emblem of New American studies. A Cuban exile from 1881 to 1895, Martí was a correspondent writing in New York for various Latin American newspapers. Grasping the significance of rising U.S. imperial power, he came to understand the Americas as a complex system of kindred but not equal national formations whose cultural and political integrity was threatened by the overbearing aggressiveness of the United States. This collection explores how in his journalistic work Martí critiques U.S. racism, imperialism, and capitalism; warns Latin America of impending U.S. geographical, cultural, and economic annexation; and calls for recognition of the diversity of America's cultural voices. Reinforcing Martí's hemispheric vision with essays by a wide range of scholars who investigate his analysis of the United States, his significance as a Latino outsider, and his analyses of Latin American cultural politics, this volume explores the affinities between Martí's thought and current reexaminations of what it means to study America. *José Martí's Our America* offers a new understanding of Martí's ambiguous and problematic relation with the United States and will engage scholars and students in American, Latin American, and Latino studies as well as those interested in cultural, postcolonial, gender, and ethnic studies. Contributors: Jeffrey Belnap, Raul Fernández, Ada Ferrer, Susan Gillman, George Lipsitz, Oscar Martí, David Noble, Donald E. Pease, Beatrice Pita, Brenda Gayle Plummer, Susana Rotker, José David Saldívar, Rosaura Sánchez, Enrico Mario Sant, Doris Sommer, Brook Thomas. **Inter-America**, 1921 **Syncing the Americas** Ryan Anthony Spangler, Georg Michael Schwarzmann, 2017-12-18 The essays in this collection reflect two of Martí's key observations during his time in the United States: first, how did he, an exile living in New York, view and read his North American neighbors from a sociocultural, political, and literary perspective? Second, how did his perception of the modern nation impact his own concepts of race, capital, punishment, poetics, and nation building for Cuba? The overarching endeavor of this project is to view and read Martí with the same critical or modern eye with which he viewed and read Spain, Cuba, Latin America, and the United States. This volume, combining many of the most relevant experts in the field of Martí studies, attempts to answer those questions. It hopes to broaden the understanding and extend the influence of one of America's speaking of the collective America's most prolific and important writers, particularly within the very nation where his chronicles, poetry, and journalism were written. In spite of the political differences still separating Cuba and the United States, understanding Martí's relevancy is crucial to bridging the gap between these nations. **Latin American Research Review**, 1980 An interdisciplinary journal that publishes original

research and surveys of current research on Latin America and the Caribbean **José Martí Reader** José Martí, 2016-08-22

Mart added a social agenda to the historic program of national liberation and instantly converted a movement devoted to the establishment of a new nation into a force dedicated to shaping a new society Mart transformed rebellion into revolution Like a master weaver Mart pulled together all the separate threads of Cuban discontent social economic political racial historical and wove them into a radical movement of enormous force Louis A P rez Jr author of *Jos Mart in the United States* Oh Cuba the blood of Mart was not yours alone it belonged to an entire race to an entire continent it belonged to the powerful youth who have lost probably the best of teachers he belonged to the future Rub n Dar o This new edition of an elegant anthology features bilingual poetry a revised translation and several new pieces It presents the full breadth of Jos Mart s work his political essays and writings on culture his letters and his poetry Readers will discover a literary genius and an insightful political commentator on troubled US Latin America relations **Synching the Americas** Ryan Anthony Spangler, Georg Michael Schwarzm ann, 2017-12-18 The essays in this collection reflect two of Mart s key observations during his time in the United States first how did he an exile living in New York view and read his North American neighbors from a sociocultural political and literary perspective Second how did his perception of the modern nation impact his own concepts of race capital punishment poetics and nation building for Cuba The overarching endeavor of this project is to view and read Mart with the same critical or modern eye with which he viewed and read Spain Cuba Latin America and the United States This volume combining many of the most relevant experts in the field of Mart studies attempts to answer those questions It hopes to broaden the understanding and extend the influence of one of Americas speaking of the collective Americas most prolific and important writers particularly within the very nation where his chronicles poetry and journalism were written In spite of the political differences still separating Cuba and the United States understanding Mart s relevancy is crucial to bridging the gap between these nations *José Martí, the United States, and Race* Anne Fountain, 2017-05-02 Essential reading for those who increasingly appreciate the enormous importance of Mart as one of the nineteenth century s most influential and most original thinkers John Kirk coeditor of *Redefining Cuban Foreign Policy* Fountain s wide ranging keen eyed and meticulously researched analysis covers the gamut of race relations that Mart s work probed Esther Allen translator of *Jos Mart Selected Writings* An engaging comprehensive and well balanced book on Cuba s national hero Jos Mart Anne Fountain s chapters on Mart s vision of blacks are an indispensable source of information for anyone interested in the topic Jorge Camacho author of *Jos Mart las m scaras del escritor* A national hero in Cuba and a champion of independence across Latin America Jos Mart produced a body of writing that has been theorized criticized and politicized However one of the most understudied aspects of his work is how his time in the United States affected what he wrote about race and his attitudes toward racial politics In the United States Mart encountered European immigrants and the labor politics that accompanied them and became aware of the hardships experienced by Chinese workers He read in newspapers and magazines about the oppression of Native

Americans and the adversity faced by newly freed black citizens Although he d first witnessed the mistreatment of slaves in Cuba it was in New York City near the close of the century where he penned his famous essay My Race declaring that there was only one race the human race Anne Fountain argues that it was in the United States that Mart confronted by the forces of manifest destiny the influence of race in politics the legacy of slavery and the plight and promise of the black Cuban diaspora fully engaged with the specter of racism Examining Mart s complete works with a focus on key portions Fountain reveals the evolution of his thinking on the topic indicating the significance of his sources providing a context for his writing and offering a structure for his works on race Anne Fountain is professor of Spanish and Latin American studies at San Jos State University and the author of Jos Mart and U S Writers
