Martin Luther King In The African American Preaching Tradition:

Martin Luther King in the African American Preaching Tradition Valentino Lassiter, 2010-06-01 Valentino Lassiter has cast spiritual breads upon the waters with this compelling comparison of the historic tradition of African American preaching and the overwhelming spiritual preaching of Martin Luther King Jr. Martin Luther King in the African American Preaching Tradition details preaching by slave preachers to present day preachers. More importantly it shows how King's sermon content was cut from the same loaf as those preachers who preached justice and God's assurance in the 1600s. Lassiter has written a book that will be an important resource for pastors, seminarians, and those who are interested in the never-ending fascination with dynamic African American preaching.

Introduction to the Practice of African American Preaching Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book. This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly, dynamic, and useful exploration of the topic. Author Frank Thomas opens with a bus tour study of African American preaching. He shows how African American preaching has gradually moved from an almost exclusively oral to an oral-written tradition. Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it. Next, Thomas traces the relationship between homiletics and rhetoric in Western preaching, demonstrating how African American preaching is inherently theological and rhetorical. He then explores the question: what is black preaching? Thomas introduces the reader to methods of close reading and ideological criticism. And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example. The next chapter considers the question: what is excellence in black preaching? The next chapter seeks to create bridges and dialogue within the field of homiletics and, in particular, the Euro-American homiletic tradition. The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics. Thomas next turns to questions about the relevancy of the church to the Millennial generation. Specifically, how will the African American church remain relevant to this generation, which is so deeply concerned with social justice?

African American Preaching Gerald Lamont Thomas, 2004 Four centuries of African American preaching has provided hope, healing, and heaven for people from every walk of life. Many notable men and women of African American lineage have contributed through the art of preaching to the biblical emancipation and spiritual liberation of their parishioners. In African American Preaching: The Contribution of Dr. Gardner C. Taylor, Gerald Lamont Thomas offers a historical overview of African American preaching and its effect on the cultural legacy of black people, noting the various styles and genius of pulpit orators. The book's focus is on the life ministry and preaching methodology of one of this era's most prolific voices, Dr. Gardner C. Taylor, and should be read by everyone who takes the task of preaching seriously.

Life-Situation Preaching for African-Americans Willie J. Newton Jr., 2019-12-17 The book benefits anyone who desires an approach to preaching that gets at listeners' felt needs. What we have been taught about preaching

and our chosen approach to preaching may not serve us or our listeners well Thus the preacher's fidelity to an ineffective approach to preaching lies at the heart of the problem This book helps preachers resolve this issue with life situation preaching an approach that begins with listeners' needs Herein readers will experience the power of life situation preaching to address the spiritual and practical problems, challenges, struggles, and unique experiences African Americans face daily

Preaching with Sacred Fire: An Anthology of African American Sermons, 1750 to the Present Martha Simmons, Frank A. Thomas, 2010-08-16 One hundred sermons that display the victorious although sometimes painful historical and spiritual pilgrimage of black people in America A groundbreaking anthology Preaching with Sacred Fire is a unique and powerful work It captures the stunning diversity of the cultural and historical legacy of African American preaching more than three hundred years in the making Each sermon as editors Martha Simmons and Frank A Thomas reveal is a work of art and a lesson in unmatched rhetoric The journey through this anthology which includes selections from Jarena Lee Frederick Douglass Malcolm X Martin Luther King Jr Gardner C Taylor Vashti McKenzie and many others offers a rare view of the unheralded role of the African American preacher in American history The collection provides new insights into the underpinnings of the black fight for emancipation and the rise and growth of the Civil Rights and Black Power movements Sermons from the first decade of the twenty first century point toward the future of African American preaching

Biographies of the preachers put their work in the cultural and homiletic context of their periods. The preachers of these sermons are men and women from a range of faiths, ancestries and educational backgrounds. They draw on a vast and luminous landscape of poetic language using metaphor, rhythm and imagery to communicate with their congregations. What they all have in common is hope, resilience and sacred fire. Even during the most difficult and oppressive times, Simmons and Thomas write in the preface, the delivery, creativity, charisma, expressivity, fervor, forcefulness, passion, persuasiveness, poise, power, rhetoric, spirit, style and vision of black preaching gave and gives hope to a community under siege. This magnificent work beautifully renders the complexity, spiritual richness and strength of African American life. What's the Shape of Narrative Preaching? Mike Graves, 2012. They are there after an urgent need, a moment of desperation. Like Ellen Cardwell's telling of a highway angel who helped Ellen and her husband resume their trip after car trouble on California's desolate Highway 1. Or Delores Topliff's memory from her childhood when on the brink of starvation, an angel on a bicycle dropped off bags of groceries. These stories will challenge and reward your faith in God, a God Who tells us to entertain strangers and possibly Heavenly Company. Contained within this book is an exclusive collection of real-life encounters with God's angels and mysterious, helpful strangers. Best-selling author Cecil Murphey, coauthor of *90 Minutes in Heaven* and more than one hundred other books, and his cowriter Twila Belk masterfully bring together brand-new reports from all over the world that share one thing in common: the way in which God uses messengers to touch our lives. Filled with hundreds of pages of stories that will excite your spirit and touch your heart, you'll travel from Africa to Texas to Russia and back again. Curl up with this powerful book and read amazing true accounts of individuals who have encountered angels, both seen and unseen.

Contemporary African American preaching P3040, L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories. Portraying the many approaches that are empowering preaching in African American churches today, Bond shows how different theological perspectives produce different methods of sermon preparation and delivery, different strategies for selecting illustrative material and even different ways of beginning and ending sermons. Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression. **The Liberatory Thought of Martin Luther King Jr** Robert E. Birt, 2012-01-01. The Liberatory Philosophy of Martin Luther King Jr is a philosophical anthology which explores Dr King's legacy as a philosopher and his contemporary relevance as a thinker/activist. It consists of sixteen chapters organized into four sections: Part I King within Philosophical Traditions; Part II King as Engaged Social and Political Philosopher; Part III King's Ethics of Nonviolence; and Part IV Hope, Resurgent or Dream Deferred? Perplexities of King's Philosophical Optimism. Most chapters are written by philosophers, but two are by philosophically informed social scientists. The contributors examine King's relationships to canonical Western philosophical traditions and to African American thought. King's contribution to traditional branches of philosophy such as ethics, social philosophy and philosophy of religion is

explored as well as his relevance to contemporary movements for social justice As is evident from the title the book considers the importance of King s thought as liberatory discourse Some chapters focus on topical issues like the relevance of King s moral critique of the Vietnam War to our present involvement in Middle Eastern wars Others focus on more densely theoretical issues such as Personalism existential philosophy or Hegelian dialectics in King s thought The significance of King s reflections on racism economic justice democracy and the quest for community are abiding themes But the volume closes quite fittingly on the importance of the theme of hope The text is a kind of philosophical dialogue on the enduring value of the legacy of the philosopher King
