Martin Lebowitz His Thought And Writings:

Martin Lebowitz Martin Lebowitz,1997 Throughout his long career Martin Lebowitz continually sought order in society and in intellectual activity His writings combine reason and passion with a keen and elegant style reflecting an education both broad and deep Lebowitz s interests extended to areas of philosophy ethics aesthetics art literature physics psychiatry sociology and psychology Collected here for the first time these essays and reviews present a profound and coherent system of modern social and philosophical commentary *The Wounds of Possibility* Ricardo Gil Soeiro,2013-01-04 Bringing together writers translators poets and leading scholars of cultural theory literary theory comparative literature philosophy history political science music studies and education The Wounds of Possibility aims to offer an in depth and wide ranging study of George Steiner s imposing body of work This book is a timely volume of important essays on one of the most provocative thinkers critics and philosophers now writing During an era in which the question of the ethical and of the status of the work of art and its relation to the theological dimension has returned with renewed urgency Steiner s work provides rich resources for reflection and it is hoped that the volume will stand on its own as a rich nuanced accompaniment to the reading of Steiner s work With their broad range of thematic foci theoretical approaches and stunning constellations of quoted material from different backgrounds all the essays in the book try to reflect upon the relation between human identity and language ethics and literature philosophy and art and they all offer what we regard as being the most comprehensive engagement with Steiner s work to date *The Southern Review* ,1998 **The Philosophical Review** ,1998 **The Fence and the Neighbor** Adam Zachary Newton,2012-02-01 The Fence and the Neighbor traces the contours of two thinkers Emmanuel Levinas and Yeshayahu Leibowitz who crossed the divide between Talmud and philosophy proper Adam Zachary Newton shows how the question of nationalism that has so long haunted Western philosophy the question of who belongs within its fence and who outside has long been the concern of Jewish thought and its preoccupation with law limits and the place of Israel among the nations To those unfamiliar with Talmudic thought Newton shows how deeply its language and concerns shape Levinas He also offers an introduction to Leibowitz a conservative religious thinker who was an outspoken gadfly and radically critical voice in the Israeli political scene Together their common origin in Jewish Eastern Europe a common concern with national allegiance and the common fence of religious Judaism that makes them intellectual neighbors are voiced in penetrating and original dialogue **The Virginia Quarterly Review** ,1999 *Forthcoming Books* Rose Arny,1998 *In Silence and Out Loud: Yeshayahu Leibowitz in Israeli Context* Gideon Katz,2024-02-12 Yeshayahu Leibowitz 1903 1994 was an Israeli philosopher and scientist For decades his thinking and persona were the embodiment of a Judaism that was vital rebuking involved and committed to all the Jews of Israel As seen in this book Leibowitz s far reaching public statements are not a certain aspect of this thinking but its very essence They are the essence of this thinking even when he is seemingly involved with other distant issues such as his exegesis of Maimonides and his writings on popular

science These broad vistas are an invitation to those interested in Israel to meet an Israeli thinker who greatly impressed several generations of listeners and to become acquainted with part of Israel's intellectual life **Bibliographic Guide to Psychology** New York Public Library. Research Libraries, 1999 *Book Review Index*, 2003 Vols 8-10 of the 1965-1984 master cumulation constitute a title index
