Andre Mertens

Martin Of Tours:

Martin of Tours Régine Pernoud, 2006 Regine Pernoud the highly acclaimed French medieval historian and author of best selling titles on Joan of Arc and Hildegard of Bingen as well as the book *Those Terrible Middle Ages* presents an enlighteneing biography of one of France s most revered saints and man whose impact on France and Europe continues to this days Martin of Tours lived in the 4th century at that great turning point in history when the Roman Empire fell and the Church took charge in the West He left a successful career in the military life to become a monk and later a Bishop who traveled extensively evangelizing the countryside and creatiung that particular sort of community life in a village that is now called a parish More than four hundred towns and some four thousand parished in France are named after St Martin The term chapel is derived from the actual church where pilgrims venerate Martin s cape or cloak Martin of Tours was a servant of the common man as well as the nobility and a very humble man who responded to the needs of his times and and opened up vast perspectives for ordinary everyday life Given the crisis of the Christian Faith now facing France and all of Europe the story of this solider and great apostle and Christian evangelist is a timely one indeed *The Story of St. Martin of Tours*

Louise Mary Stacpoole Kenny, 1915 **St. Martin of Tours** Henri Ghéon, 1946 **The Old English Lives of St Martin of Tours** Andre Mertens, 2017 St Martin of Tours is one of Christianity s major saints and his significance reaches far beyond the powerful radiance of his iconic act of charity While the saint and his cult have been researched comprehensively in Germany and France his cult in the British Isles proves to be fairly unexplored Andre Mertens closes this gap for Anglo Saxon England by editing all the age s surviving texts on the saint including a commentary and translations Moreover Mertens looks beyond the horizon of the surviving body of literary relics and dedicates an introductory study to an analysis of the saint s cult in Anglo Saxon England and his significance for Anglo Saxon culture St. Hilary of Poitiers and St. Martin of Tours Anonymous, 2025-10-05 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *St. Hilary of Poitiers and St. Martin of Tours* John Gibson Cazenove, 1883

The Life of St. Martin of Tours , 1850 *St. Martin of Tours* Sulpicius Severus, Mary Caroline Watt, 1928 *Martin of Tours, Apostle of Gaul* Howard Hayes Scullard, 1891 *Saint Martin of Tours* Saint Suplitius Serverus, Aeterna Press, 2015-09-05 SEVERUS to his dearest brother Desiderius sendeth greeting I had determined my like minded brother to keep private and confine within the walls of my own house the little treatise which I had written concerning the life of St Martin I did so as I am not gifted with much talent and shrank from the criticisms of the world lest as I think will be the case my somewhat unpolished style should displease my readers and I should be deemed highly worthy of general reprehension for having too boldly laid hold of a subject which ought to have been reserved for truly eloquent writers But I have not been able to refuse your request again and again presented For what could there be which I would not grant in deference to your

love even at the expense of my own modesty Aeterna Press
