and the stars in the sky Of these things and such as these they ask no questions But there you will still find one child who takes the part of the Emperor s Daughter and another who is the Wandering Singer and the remaining group there should be no more than six in it becomes the Spring Green Lady the Rose White Lady the Apple Gold Lady of the three parts of the game Often there are more than six in the group for the true number of the damsels who guarded their fellow in her prison is as forgotten as their names Joscelyn Jane and Jennifer Jessica Joyce and Joan Forgotten too the name of Gillian the lovely captive And the Wandering Singer is to them but the Wandering Singer not Martin Pippin the Minstrel Worse and worse he is even presumed to be the captive s sweetheart who wheedles the flower the ring and the prison key out of the strict virgins for his own purposes and flies with her at last in his shallop across the sea to live with her happily ever after But this is a fallacy Martin Pippin never wheedled anything out of anybody for his own purposes in fact he had none of his own About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
