The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English* this two volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II

slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language

Our Own Devices Edward Tenner, 2009-08-26 This delightful and instructive history of invention shows why National Public Radio dubbed Tenner the philosopher of everyday technology Looking at how our inventions have impacted our world in ways we never intended or imagined he shows that the things we create have a tendency to bounce back and change us The reclining chair originally designed for brief healthful relaxation has become the very symbol of obesity The helmet invented for military purposes has made possible new sports like mountain biking and rollerblading The typewriter created to make business run more smoothly has resulted in wide spread vision problems which in turn have made people more reliant on another invention eyeglasses As he sheds light on the many ways inventions surprise and renew us Tenner considers where technology will take us in the future and what we can expect from the devices that we no longer seem able to live without

The Woman Fencer Nick Evangelista, Anita Evangelista, 2001 While fencing was once the prerogative of men alone by tradition and by choice fencing has evolved into a sport that is no longer gender exclusive It is a game that may be mastered by anyone Today women play an important and equal role in fencing and yet there has never been a volume specifically addressing the issue of women as fencing entities until now

Gil Vicente: Three Discovery Plays: Auto da Barca do Inferno, Exortacao da Guerra, Auto da India Anthony Lappin, 1997-05-01 The three plays edited and translated in this volume are strongly linked to what we now think of as the Portuguese Discoveries All three are fundamentally concerned with the expansion of Portugal in Africa and India through either crusade or commerce
