

ACCENTS ON SHAKESPEARE

Marxist Shakespeares

Edited by
JEAN E. HOWARD AND SCOTT CUTLER SHERSHOW

Marxist Shakespeares

Gabriel Egan

Marxist Shakespeares:

Marxist Shakespeares Jean Elizabeth Howard, Scott Cutler Shershow, 2001 This book reveals the continuing power of Marxist thought to address the relationship of texts to social class the historical construction of the aesthetic and utopian dimensions of literary production

Marxist Shakespeares Jean E. Howard, Scott Cutler Shershow, 2013-01-11 Marxist Shakespeares uses the rich analytic resources of the Marxist tradition to look at Shakespeare's plays afresh The book offers new insights into the historical conditions within which Shakespeare's representations of class and gender emerged and into Shakespeare's role in the global culture industry stretching from Hollywood to the Globe Theatre A vital resource for students of Shakespeare which includes Marx's own readings of Shakespeare Derrida on Marx and also Bourdieu Bataille Negri and Alice Clark

Shakespeare's Influence on Karl Marx Christian A. Smith, 2021-12-28 This volume presents a close reading of instances of Shakespearean quotations allusions imagery and rhetoric found in Karl Marx's collected works and letters which provides evidence that Shakespeare's writings exerted a formative influence on Marx and the development of his work Through a methodology of intertextual and interlingual close reading this study provides evidence of the extent to which Shakespeare influenced Marx and to which Marxism has Shakespearean roots As a child Marx was home schooled in Ludwig von Westphalen's little academy as it were which was Shakespeare and literary focused The group included von Westphalen's daughter who later became Marx's wife Jenny The influence of Shakespeare in Marx's writings shows up as early as his school essays and love letters He modelled his early journalism partly on ideas and rhetoric found in Shakespeare's plays Each turn in the development of Marx's thought from Romantic to Left Hegelian and then to Communist is achieved in part through his use of literature especially Shakespeare Marx's mature texts on history politics and economics including the famous first volume of *Das Kapital* are laden with Shakespearean allusions and quotations Marx's engagement with Shakespeare resulted in the development of a framework of characters and imagery he used to stand for and anchor the different concepts in his political critique Marx's prose style uses a conceit in which politics are depicted as performative Later the Marx family Marx Jenny and their children was central in the late 19th century revival of Shakespeare on the London stage and in the growth of academic Shakespeare scholarship Through providing evidence for a formative role of Shakespeare in the development of Marxism the present study suggests a formative role for literature in the history of ideas

Shakespeare and Marx Gabriel Egan, 2004-09-30 Marxist cultural theory underlies much teaching and research in university departments of literature and has played a crucial role in the development of recent theoretical work Feminism New Historicism cultural materialism postcolonial theory and queer theory all draw upon ideas about cultural production which can be traced to Marx and significantly each also has a special relation with Renaissance literary studies This book explores the past and continuing influence of Marx's ideas in work on Shakespeare Marx's ideas about cultural production and its relation to economic production are clearly explained together with the standard terminology and concepts such as

base superstructure ideology commodity fetishism alienation and reification The influence of Marx's ideas on the theory and practice of Shakespeare criticism and performance is traced from the Victorian age to the present day The continuing importance of these ideas is illustrated via new Marxist readings of King Lear Hamlet The Merchant of Venice Timon of Athens The Comedy of Errors All's Well that Ends Well and The Winter's Tale Marx and Freud Crystal Bartolovich, Jean E. Howard, David Hillman, 2012-03-29 This volume looks at Marx and Freud who though not Shakespeareans in the usual academic or theatrical sense were both deeply informed by Shakespeare's writings and have both had enormous influence on the understanding and reception of Shakespeare The first section of this volume consists of a discussion of Marx's use of Shakespeare by Crystal Bartolovich followed by an essay on Shakespeareans' recent uses of Marx by Jean E. Howard The volume's second half written by David Hillman juxtaposes a discussion of Freud's use of Shakespeare with a meditation on Shakespeare's use of Freud Each part can be read fruitfully independently of the others but the sum is greater than the parts offering an engagement with two of the most influential thinkers in Western modernity and their interchanges with arguably the most influential figure of early modernity Shakespeare **Shakespeare's Tempest and Capitalism** Helen Scott, 2019-09-12 In this forceful study Helen C. Scott situates *The Tempest* within Marxist analyses of the primitive accumulation of capital which she suggests help explain the play's continued and particular resonance The storm of the title refers both to Shakespeare's *Tempest* hurtling through time and to Walter Benjamin's concept of history as a succession of violent catastrophes Scott begins with an account of the global processes of dispossession of the peasantry and indigenous populations accompanying the emergence of capitalism which generated new class relationships new understandings of human subjectivity and new forms of oppression around race gender and disability Developing a detailed reading of the play at its moment of production in the business of theatre in 1611 Scott then moves gracefully through the global reception history showing how its central thematic concerns and figurative patterns bespeak the upheavals and dispossessions of successive stages of capitalist development Paying particular attention to moments of social crisis and unearthing a radical political tradition Scott follows the play from its hostile takeover in the Restoration through its revival by the Romantics and consolidation and contestation in the nineteenth century In the twentieth century transatlantic modernism generated an acutely dystopic *Tempest* then during the global transformations of the 1960s postcolonial writers permanently associated it with decolonization At century's end the play became a vehicle for exploring intersectional oppression and the remarkable Sycorax school featured iconoclastic readings by writers such as Abena Busia May Joseph and Sylvia Wynter Turning to both popular culture and high profile stage productions in the twenty-first century Scott explores the ramifications and figurative potential of Shakespeare's *Tempest* for global social and ecological crises today Sensitive to the play's original concerns and informed by recent scholarship on performance and reception history as well as disability studies Scott's moving analysis impels readers towards a fresh understanding of sea change and metamorphosis as potent symbols for the literal and

figurative tempests of capitalism's old age now threatening the great globe itself *Shakespeare's Influence on Karl Marx* Christian A. Smith, 2021-12-29 This volume presents a close reading of instances of Shakespearean quotations allusions imagery and rhetoric found in Karl Marx's collected works and letters which provides evidence that Shakespeare's writings exerted a formative influence on Marx and the development of his work Through a methodology of intertextual and interlingual close reading this study provides evidence of the extent to which Shakespeare influenced Marx and to which Marxism has Shakespearean roots As a child Marx was home schooled in Ludwig von Westphalen's little academy as it were which was Shakespeare and literary focused The group included von Westphalen's daughter who later became Marx's wife Jenny The influence of Shakespeare in Marx's writings shows up as early as his school essays and love letters He modelled his early journalism partly on ideas and rhetoric found in Shakespeare's plays Each turn in the development of Marx's thought from Romantic to Left Hegelian and then to Communist is achieved in part through his use of literature especially Shakespeare Marx's mature texts on history politics and economics including the famous first volume of *Das Kapital* are laden with Shakespearean allusions and quotations Marx's engagement with Shakespeare resulted in the development of a framework of characters and imagery he used to stand for and anchor the different concepts in his political critique Marx's prose style uses a conceit in which politics are depicted as performative Later the Marx family Marx Jenny and their children was a central figure in the late nineteenth century revival of Shakespeare on the London stage and in the growth of academic Shakespeare scholarship Through providing evidence for a formative role of Shakespeare in the development of Marxism the present study suggests a formative role for literature in the history of ideas **Marx and Freud** Crystal Bartolovich, David Hillman, Jean E. Howard, 2014-03-27 This volume looks at Marx and Freud who though not Shakespeareans in the usual academic or theatrical sense were both deeply informed by Shakespeare's writings and have both had enormous influence on the understanding and reception of Shakespeare The first section of this volume consists of a discussion of Marx's use of Shakespeare by Crystal Bartolovich followed by an essay on Shakespeareans recent uses of Marx by Jean E Howard The volume's second half written by David Hillman juxtaposes a discussion of Freud's use of Shakespeare with a meditation on Shakespeare's use of Freud Each part can be read fruitfully independently of the others but the sum is greater than the parts offering an engagement with two of the most influential thinkers in Western modernity and their interchanges with arguably the most influential figure of early modernity Shakespeare Shakespeare Survey: Volume 55, King Lear and Its Afterlife Peter Holland, 2002-10-24 *Shakespeare Survey* is a yearbook of Shakespeare studies and production Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of criticism and performance For the first time numbers 1-50 are being reissued in paperback **The Oxford Companion to Shakespeare** ,
