Marxist Thought In Latin America:

Mariátegui and Latin American Marxist Theory Marc Becker, 1993 Jos Carlos Mari tegui the Peruvian political theorist of the 1920s was instrumental in developing an indigenous Latin American revolutionary Marxist theory He rejected a rigid orthodox interpretation of Marxism and applied his own creative elements which he believed could move a society to revolutionary action without the society having to depend upon more traditional economic factors His interpretation of Peruvian history had a profound effect upon subsequent social movements throughout Latin America This volume reviews the essential elements of Mari tegui s thought and important influences on his intellectual development It demonstrates the role he played in defining a Latin american identity the nature of his intellectual contribution to the development of indigenous revolutionary movements in Latin America and the influence he had on successful revolutionary movements in Cuba and Nicaragua An understanding of Mari tegui s thought is fundamental to understanding the nature of revolutionary changes in Latin America

Harris, 2019-03-04 At a time when the validity of Marxism is being questioned because of the collapse of the Communist regimes in Eastern Europe Richard Harris examines the relevance of Marxism and socialism for Latin America and the Caribbean Dr Harris discusses recent revolutionary regimes and attempts at socialist transformation in the region in terms of Marxist theory comparing them with the historical experiences of the Soviet Union China Yugoslavia and Vietnam The author argues that Marxist theory offers a framework for understanding recent revolutionary transformations as well as the contradictions and limitations of existing democratic regimes in the region Particular attention is given to revolutionary Cuba the Allende administration in Chile the Popular Revolutionary Government in Grenada the Sandinista regime in Nicaragua and contemporary leftist parties and movements throughout Latin America He contends that democratization and the solution of the region s economic and social problems require a democratic socialist project

Aricó, 2013-12-10 In a work centred on Marx s harsh biography of Sim n Bol var Jos Aric examines why Latin America was apparently excluded from Marx s thought challenging the allegation that this expressed some Eurocentric prejudice Aric shows how the German thinker s hostility towards the Bonapartism and authoritarianism he identified in the Liberator coloured his attitude towards the continent and the significance of its independence processes Whilst criticising Marx s misreading of Latin American realities Aric demonstrates contemporaneous countervailing tendencies in Marx s thought including his appraisal of the revolutionary potentialities of other peripheral extra European societies As such Aric convincingly argues that Marx s work was not a dogma of linear progress but a living contradictory body of thought constantly in development English translation of the Marx y Am rica Latina edition Fondo de Cultura Econ mica 2010 **Cultural Identity and Social Liberation in Latin American Thought** Ofelia Schutte, 1993-01-01 El libro tiene dos grandes temas la identidad cultural sobre la que se expresan opiniones balanceadas entre los extremos posibles y la liberacion social entendida en general como liberacion con respecto a estructuras opresivas El itinerario de e **Accumulation and Subjectivi** BENEZRA, 2022-09-02 Reconsiders key concepts in Marxist thought by examining the relationship between accumulation and subjectivity in Latin American narrative film and social and political theory **Marx and Freud in Latin America** Bruno Bosteels, 2012-08-21 This book assesses the
