Modern Russian Theology Paul Valliere, 2000-11-01 This volume is an introduction to the three great thinkers of the Russian school of modern Orthodox theology It includes biographical sketches of the three and examines the creative ideas they devised or adapted including free theocracy God as Love Johannes M. Oravec, 2014-04-19 The development and principal characteristics of Russian religious thought in the nineteenth and twentieth centuries The theme of love in the manuals of the nineteenth century Academic theology The birth of lay and ecclesial modern theology The concept of love with the two founders of Russian religious philosophy N F Fedorov and V S Solov'ev The moralist school of theology The mystical wisdom stream of theology To ponder and to pronounce love in exile between philosophy and poetry The theology of love in the perspective of return to the fathers the neopatristic school of the twentieth century **The Political Thought of Yu. F. Samarin, 1840-1864** Loren David Calder, 2019-11-19 First published in 1987 Yu F Samarin 1819-1876 was one of the original Slavophiles He was the most important Slavophile statesman making a very significant contribution to the formulation drafting and implementation of the Emancipation Edict of 1861 He also served creatively in the whole range of Zemstvo council work at both the provincial and municipal levels and made a substantial impact on policy as a passionate exponent of Russian interests in Poland and the Baltic provinces In this study Samarin's development and performance as a political thinker is examined from his early days as a master's student at the University of Moscow to the completion of his work on the peasant land reform in 1864 This book establishes that Samarin was a competent political theorist who is best characterized as an enlightened conservative This title will be of great interest to students of history politics and philosophy

The Russian Orthodox Church and Modernity Regina Elsner, 2021-10-20 The Russian Orthodox Church ROC faced various iterations of modernization throughout its history This conflicted encounter continues in the ROC's current resistance against what it perceives as Western modernity including liberal and secular values This study examines the historical development of the ROC's arguments against and sometimes preferences for modernization and analyzes which positions ended up influencing the official doctrine The book's systematic analysis of dogmatic treatises shows the ROC's considerable ability of constructive engagement with various aspects of the modern world Balancing between theological traditions of unity and plurality the ROC's today context of operating within an authoritarian state appears to tip the scale in favor of unity The Parish Clergy in Nineteenth-Century Russia Gregory L. Freeze, 2014-07-14 This volume attempts to put the clergy in the context of the issues and debates of the nineteenth century treating the social history of the clergy the repeated attempts to reform it and the impact of these reforms on the structure and outlook of rank and file parish clergy Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these

important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Pavel Florensky: A Quiet Genius** Avril Pyman,2010-03-25 Discourses in Interaction Sanna-Kaisa Tanskanen,Marja-Liisa Helasvuo,Marjut Johansson,Mia Raitaniemi,2010-12-22 The fourteen contributions in this collection come from different approaches in pragmatics interactional linguistics conversation analysis discourse analysis and dialogue analysis the name given to what is studied ranges from spoken language and conversation to interaction dialogue discourse and communication What the articles have in common is a similar starting point they are informed by a form of linguistic understanding which has emerged within what could be called the interactional turn The materials investigated come from several different languages representing a variety of interactions private and public written and spoken historical and present day While studies of such diverse materials naturally differ in their starting points goals and aims engaging them in a dialogue can help reveal where old beliefs may be challenged and new understandings may emerge The interactional approaches to discourse presented in this volume show that there are several discourses on interaction interconnected parallel but also varying and even divergent *Tsar and Sultan* Victor Taki,2016-06-20 *Tsar and Sultan* offers a unique insight into Russian Orientalism as the intellectual force behind Russian Ottoman encounters Through war diaries and memoirs accounts of captivity and diplomatic correspondences Victor Taki s analysis of military documents demonstrates a crucial aspect of Russia s discovery of the Orient based on its rivalry with the Ottoman Empire Narratives depicting the brutal realities of Russian Turkish military conflicts influenced the Orientalisation of the Ottoman Empire In turn Russian identity was built as the counter image to the demonised Turk This book explains the significance of Russian Orientalism on Russian identity and national policies of westernisation Students of both European and Middle East studies will appreciate Taki s unique approach to Russian Turkish relations and their influence on Eurasian history *Russian Church in the Digital Era* Hanna Stähle,2021-08-23 The Russian Orthodox Church the largest and most powerful religious institution in Russia has become one of the central pillars of Vladimir Putin s authoritarianism While church attendance remains low the religiously inspired rhetoric of traditionalism has come to dominate the mainstream political and media discourse Has Russia abandoned its atheist past and embraced Orthodox Christianity as its new moral guide The reality is more complex and contradictory Digital sources provide evidence of rising domestic criticism of the Russian Orthodox Church and its leadership This book offers a nuanced understanding of contemporary Russian Orthodoxy and its changing role in the digital era Topics covered within this book include Mediatization theory Church reforms under Patriarch Kirill Church state relations since 2009 The Russian Orthodox Church s media policy Anticlericalism vs Church criticism and Religious secular and atheist critiques of the Church in digital media Using contemporary case studies such as Pussy Riot s Punk Prayer this book is a gripping read for those with an interest in media studies digital criticism of religion religion in the

media the role of religion in society and the Russian Orthodox Church Modern Orthodox Theology Paul Ladouceur, 2019-02-21 Modern Orthodox theology represents a continuity of the Eastern Christian theological tradition stretching back to the early Church and especially to the Ancient Fathers of the Church This volume considers the full range of modern Orthodox theology The first chapters of the book offer a chronological study of the development of modern Orthodox theology beginning with a survey of Orthodox theology from the fall of Constantinople in 1453 until the early 19th century Ladouceur then focuses on theology in imperial Russia the Russian religious renaissance at the beginning of the 20th century and the origins and nature of neopatristic theology as well as the new theology in Greece and Romania and tradition and the restoration of patristic thought Subsequent chapters examine specific major themes God and Creation Divine humanity personhood and human rights The Church of Christ Ecumenical theology and religious diversity The Christification of life Social and Political Theology The Name of God conflict The ordination of women The volume concludes with assessments of major approaches of modern Orthodox theology and reflections on the current status and future of Orthodox theology Designed for classroom use the book features case studies a detailed index a list of recommended readings for each chapter **Dostoevsky in the Arts and Beyond** Olga Tabachinkova, Liudmila Saraskina, Galima Lukina, Ekaterina Salnikova, 2024-08-30 The book is a substantial contribution to international Dostoevsky research exploring Dostoevsky's contemporary relevance from a multicultural and multidisciplinary perspective It offers some fresh readings of Dostoevsky's texts presenting new complex studies on the writer and his works in the mirror of several arts of the last three decades The book is divided into three Parts featuring researchers from Bulgaria Great Britain Russia and Ukraine Part One deals with conceptual issues treating Dostoevsky above all as a prophet and philosopher and thus determines the ideological system of coordinates for the studies presented in the rest of the book Part Two examines Dostoevsky's legacy through the lenses of literary theory music and Illustration art and Part Three via world cinema and theatre The volume has gathered together an array of original and innovative studies from world leading experts in Dostoevsky's creative universe to make an authoritative input into the field *Good for the Souls* Nadieżda Kizenko, 2021-04-22 From the moment that Tsars as well as hierarchs realized that having their subjects go to confession could make them better citizens as well as better Christians the sacrament of penance in the Russian empire became a political tool a devotional exercise a means of education and a literary genre It defined who was Orthodox and who was other First encouraging Russian subjects to participate in confession to improve them and to integrate them into a reforming Church and State authorities then turned to confession to integrate converts of other nationalities But the sacrament was not only something that state and religious authorities sought to impose on an unwilling populace Confession could provide an opportunity for carefully crafted complaint What state and church authorities initially imagined as a way of controlling an unruly population could be used by the same population as a way of telling their own story or simply getting time off to attend to their inner lives *Good for the Souls* brings Russia into the

rich scholarly and popular literature on confession penance discipline and gender in the modern world and in doing so opens a key window onto church state and society It draws on state laws Synodal decrees archives manuscript repositories clerical guides sermons saints lives works of literature and visual depictions of the sacrament in those books and on church iconostases Russia Ukraine and Orthodox Christianity emerge both as part of the European transatlantic religious continuum and in crucial ways distinct from it **The Life and Thought of Filaret Drozdov, 1782-1867** Nicholas S.

Racheotes,2018-10-25 The Life and Thought of Filaret Drozdov 1782 1867 The Thorny Path to Sainthood is an intellectual biography of the foremost historical figure in the religious world of nineteenth century Russia The product of decades of archival research most of which was in the Russian language this is the first book length study of St Filaret in English The volume is designed for specialists engaged in imperial Russian history students in upper level undergraduate or graduate courses and for readers interested in Eastern Orthodox spirituality and observers of the contemporary Russian scene who wish to understand traditional church state relations Deeply researched and including a formidable bibliographic component the volume also serves as a reference guide to scholars desiring to study at greater length one of the many topics raised Racheotes argues that Filaret was far more than a neo patristic theologian steeped in the tradition of the Eastern fathers He was simultaneously a valued monarchical apologist and a guardian of the privileges of the Russian Orthodox Church to the point of subtly resisting the state By means of translation select passages from sermons letters and official reports are available in English for the first time Often preaching before three reigning tsars writing or editing such monumental documents as Alexander I s will and Alexander II s decree emancipating the Russian serfs leading the drive for a Russian translation of the Bible and preparing Orthodox catechisms are but a few examples of St Filaret s historical importance His centrality to policy formation with respect to the so called Old Believers his incessant campaigns for clerical education reform and for translation into Russian of the seminal works of Eastern theologians account for the enduring influence attributable to this Archbishop Today his pronouncements are enjoying a revival among a new generation of religious historians in Russia and are often adduced by a host of contemporaries arguing for Russian exceptionalism Apology of Culture Artur Mrowczynski-Van Allen,Teresa Obolevitch,Pawel Rojek,2015-03-02 Contemporary philosophy and theology are ever more conscious of the fact that the model of relations between religion and culture developed in modernity is fundamentally flawed The processes of the secularization of society culture and even religion are rooted in the dualistic vision of religion and culture introduced in the late Middle Ages In seeking a way out we need to explore domains of culture unaffected by Western European secular thinking Russian thought is remarkably well prepared to formulate an alternative to secular modernity Indeed in Russian culture there was neither a Renaissance nor an Enlightenment Eastern Christianity retained an integral patristic vision of human nature that had not been divided into separate natural and supernatural elements These pre and non modern visions are now gaining exceptional value in the postmodern reality in which we find

ourselves The heritage of Russian Christian thought may serve as a source of inspiration for alternative approaches to religion and culture In this respect Russian thought may be compared with nouvelle theologie Radical Orthodoxy and other recent movements in Christian postsecular thought For this reason it remains astonishingly contemporary **Biblical Interpretation in the Russian Orthodox Church** Alexander I. Negrov, 2008 Alexander Negrov surveys the history of biblical interpretation within the history of the Russian Orthodox church from the Kiev period tenth to thirteenth centuries until the Synodal period 1721 1917 He presents a coherent analysis of the essential elements of Orthodox biblical hermeneutics as it developed over a period of several centuries critical to the defining of the Orthodox church **BOOK JACKET**

The Patristic Witness of Georges Florovsky Georges Florovsky, 2019-09-19 Georges Florovsky 1893 1979 was one of the most prominent Orthodox theologians and ecumenists of the twentieth century His call for a return to patristic writings as a source of modern theological reflection had a powerful impact not only on Orthodox theology in the second half of the twentieth century but on Christian theology in general Florovsky was also a major Orthodox voice in the ecumenical movement for four decades and he is one of the founders of the World Council of Churches This book is a collection of major theological writings by George Florovsky It includes representative and widely influential but now largely inaccessible texts many newly translated for this book divided into four thematic sections Creation Incarnation and Redemption The Nature of Theology Ecclesiology and Ecumenism and Scripture Worship and Eschatology A foreword by Metropolitan Kallistos Ware presents the theological vision of Georges Florovsky and discusses the continuing relevance of his work both for Orthodox theology and for modern theology in general The introduction by the Editors provides a theological and historical overview of Florovsky theology in the context of his biography The book includes explanatory notes translation of patristic citations and an index **Church, Nation and State in Russia and Ukraine** Geoffrey A. Hosking, 1991-09-23 The opportunities opened up by the Gorbachev reforms have shown that religion is one of the most significant dynamic forces in Soviet society Yet few scholars have attempted to relate the study of churches and religious movements in recent centuries to the politics and culture of the Soviet Union To remedy this deficiency leading western experts on Christianity in the Eastern Slav lands gathered at a conference in London on the occasion of the millennium of the baptism of Rus Their papers present unexpected and fascinating insights into an under rated but crucial aspect of the life of the Soviet peoples **Readings in Russian Philosophical Thought** Louis Shein, 2010-10-30 A collection of readings in Russian philosophical thought **Corporeal Words** Alexandar Mihailovic, 1997 This text explores Mikhail Bakhtin's reliance on the terms and concepts of theology It begins with an identification of the theological categories and terms recalling Christology in general and Trinitarianism in particular that emerge throughout Bakhtin's long and varied career Alexander Mihailovic discusses the elaborately wrought subtextual imagery wordplay and palpable orality of Bakhtin's theology of discourse and explores the role that theology plays in supporting Bakhtin's ideas about the anti hierarchical drift of language and culture

O Pravoslavii Introduction

In today's digital age, the availability of O Pravoslavii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of O Pravoslavii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of O Pravoslavii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing O Pravoslavii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, O Pravoslavii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing O Pravoslavii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for O Pravoslavii books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, O Pravoslavii books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of O Pravoslavii books and manuals for download and embark on your journey of knowledge?
