Observation And Its Application To Social Work Rather Like Breathing

Ian Shaw, Joyce Lishman

Observation And Its Application To Social Work Rather Like Breathing:

Observation and Its Application to Social Work Pat Le Riche, Karen Tanner, 1998 Karen Tanner and Pat Le Riche have brought together a range of contributions from practitioners and social work academics in order to discuss the application of ideas about observation to social work education and practice The authors focus on how observation can be used to counteract oppressive and dehumanising practices *Observation and Its Application to Social Work* Pat Le Riche, Karen Tanner, 1998-01-01 Observation helps social workers and students to reflect upon situations before intervening The Tavistock Model of Observation which is informed by psychoanalytic ideas especially those of Klein and Bion is the starting point of this general book on the role of observation in social work Karen Tanner and Pat Le Riche have brought together a range of contributions from practitioners and social work academics in order to discuss the application of ideas about observation to social work education and practice While the Tavistock Model remains influential the writers draw on material from a number of other disciplines such as behavioural ethnography psychology and critical social policy on observation and social work The central theme of the book is that of power relations The authors focus on power in relation to the process of observation and how observation can be used to counteract oppressive and dehumanising practices Clearly and perceptively written the book develops the debate on the purposes of observation and provides an overview of current practice It will be of use to students and professionals alike **Evaluation and Social Work Practice** Ian Shaw, Joyce Lishman, 1999-05-28 Evaluation and Social Work Practice offers a comprehensive treatment of the central issues confronting evaluation in social work that links theory and method to practical applications Evaluation is an integral part of social work and social care provision for both practice and service delivery Evaluation can improve effectiveness and increase accountability and help develop new models of practice and service delivery The authors argue that evaluation should not just be applied to practice but should be a direct dimension of practice Appealing to the student researcher and practitioner Evaluation and Social Work Practice will become the standard reference source on evaluation **Observation in Health and Social Care** Clare Parkinson, Lucille Allain, Helen Hingley-Jones, 2017-07-21 The first step of effective health and social care is always to accurately identify your client's needs This theoretically informed guide will show you how to enhance and apply your observation skills as required by the College of Social Work in a variety of challenging health and social settings with children families and adults **Advances in Sociology Research** Leopold M. Stoneham, 2004 Presents original research results on the leading edge of sociology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum *Transfer of Learning in Professional and Vocational Education* Vivienne E Cree, Cathlin Macaulay, 2002-01-04 Combining an accessible presentation of the underlying theory of transfer of learning which explains how to put theory into practice this is a text which is relevant to teaching for transfer in any professional or vocational context The first part of the book looks at what transfer of learning means how it operates the implications for teaching

issues such as assessment competence outcomes In the second part contributors present case studies from social work which show how specific teaching methods can be successfully used to make the maximum use of the student s previous experience These include personal construct psychology enquiry and action learning intentional observation critical incident analysis reflective diaries process recording information technology Information on each teaching method is presented in enough detail to allow the educator to go away and use it

The Skilled Communicator in Social Work Karen Healy,2017-10-12 A vital part of a social worker s role is to build strong relationships based on confidence and trust with people across all stages of the life course and from a broad range of backgrounds in what can be extremely challenging circumstances In this her latest collaboration with Palgrave bestselling social work author Karen Healy turns her attention to the key topic of communication and the importance of developing into a skilled communicator across all areas of professional practice Split into two distinct sections the text provides a thorough exploration of The foundations of effective communication in social work practice focusing on the basic knowledge and skills that are essential to forming working alliances with service users in a broad range of practice situations and The specialised communication skills required to work with people with specific capacities and needs from children young people and older adults to people from diverse cultures and linguistic groups those who experience trouble with verbal communication and those with mental health challenges With helpful learning features such as practice exercises and chapter summary questions to enable you to review and reflect on what you have learned this is an essential resource for social work students new to this complex area of practice

Professional Leadership for Social Work Practitioners and Educators Anna Fairtlough,2016-11-03 Professional leadership is increasingly recognised as being vital to enhancing social work s reputation and effectiveness Although professional leadership is one of the nine domains of the professional capability framework in England sometimes leadership is assumed to be the prerogative of managers rather than the responsibility of all professional social workers The participation of social workers and social work educators in shaping professional cultures within organisations through practice innovation practitioner research and workforce development is thus crucial Drawing on theories that challenge hierarchical concepts of leadership this book will enable experienced social work practitioners and educators to develop their professional leadership to more expert levels Throughout the book there are case examples illustrating examples of advanced professional leadership in action research highlights and exercises utilising self reflection action planning creative writing and imagery to provide practical support to the reader

Social Work Methods and Skills Karen Healy,2011-12-05 This brilliantly systematic and comprehensive textbook provides an integrated approach to social work theory methods and skills as the bedrock of all social work practice Recognizing social work as a diverse activity that is rooted in common foundations it explains how practice both shapes and is shaped by professional purpose The text also explores the diverse range of social work practice methods available and aims to equip the reader with a foundation in the history and application of these varied approaches Offering a step by step

discussion that will empower readers to critically develop and refine their professional toolkit for purposeful and innovative intervention this original rationale is an essential resource for any social work student or practitioner looking to build or consolidate their understanding of the range of methods and skills available for effective professional practice

Post-Qualifying Child Care Social Work Gillian Ruch, 2008-11-13 The first text to systematically address the learning needs of post qualifying child care social workers Soundly organized and engagingly written with useful summaries and reflective exercises for students it is a very fine text that will be widely used Nick Pike Principal Lecturer in Social Work University of Gloucestershire This textbook provides an overview of the Post Qualifying Child Care Award in social work Written in response to recent policy and training guidelines it provides the underpinning knowledge for candidates following the Post Qualifying curriculum It helps child care social workers acquire and develop the breadth of knowledge and understanding that characterise best practice Key features include Chapters on reflective collaborative and critical practice child development child observation case management and managing risk working in partnership with children and families inter professional working and practice education Links to the relevant post qualifying standards for social work Contributions from a team of practice assessors and programme candidates A practice based approach clearly links theory research and practice An inter professional perspective Case studies activities and points for reflection that encourage the reader to develop ways of challenging and improving their own practice The book equips social workers with the relevant training knowledge and skills to improve the quality of services and their delivery With an emphasis upon continuing professional development this text is suitable for social workers studying for the Child Care Award those already in practice and other social care professionals working with children Specialist Communication Skills for Social Workers Johanna

Woodcock Ross, 2017-09-16 This book gives students a solid understanding of the key issues involved in effective communication within social work settings Now going into its second edition it combines practical examples with a clear theoretical approach and demonstrates the subtleties of communication with specific and diverse service users and carers

Professional Social Work Jonathan Parker, Mark Doel, 2013-11-08 If social work students are to flourish in their careers and go beyond a basic sense of competence in practice it is essential to develop a sense of Professional Self This book will help students develop critical understanding of their own social work practice and the tools and skills required to become a professional social worker It includes Chapters on practising Reflexivity and the importance of Relationships in social work Contributions from leading social work academics A focus on building a professional identity through learning and practice The emphasis is on developing your professionalism and how that journey translates into everyday practice To help this growth there are further chapters on getting the best from continuing professional development challenging poor practice and professionalism and ethics Professor Jonathan Parker is Deputy Dean for Research and Enterprise and Director of the Centre for Social Work and Social Policy at Bournemouth University He is currently conducting cross cultural research on

learning and practice with colleagues in Southeast Asia Professor Mark Doel is Professor Emeritus in the Centre for Health and Social Care Research at Sheffield Hallam University and a registered social worker Mark's research experience is in the fields of practice education social work practice methods and service user involvement

Sensory Awareness and Social Work Michelle Evans, Andrew Whittaker, 2010-05-11 Understanding sensory needs is fundamental for social work and care management practice Social workers are trained to reflect on their own practice make useful application of theory and promote anti discriminatory practice at all times This book will assist students in identifying people who have a sensory need and enable them to have the knowledge skills and values to address this Designed specifically to encourage students to build confidence and develop skills essential to best practice this book is specifically structured to address all aspects of sensory need

Feeding Problems in Children Angela Southall, Anthony Schwartz, Anthony L. Schwartz, 2000 Aimed at all those involved in paediatrics in primary and secondary care and also for the parents of patients this book introduces the various conditions and shows how to apply this understanding when putting theory into practice

Social Work and Foster Care Helen Cosis Brown, 2014-02-17 Working with children in foster care is a demanding and rigorous aspect of social work practice Difficult decisions in fast moving and often complex situations have to be made and for students and practitioners alike there is a vast array of legislation law and social policy to understand This book is written to help social workers and social work students get to grips with the complexity of foster care The child is placed at the heart of the text and there are substantial chapters on law policy frameworks and the overreaching theoretical and research evidence to support good practice There is also a strong focus on practical skills such as empathy and relationship based practice This is an essential text for experienced social workers or those currently in training

Older People, Ageing and Social Work Karen Heycox, 2020-07-23 Essential reading for practitioners educators and researchers within the general field of social work with older people From the foreword by Mark Lymbery Associate Professor of Social Work University of Nottingham The reality of our ageing population means all social workers need to be confident in working with older people Social workers are engaged in ongoing practice with older people in a variety of contexts from hospitals aged care assessment teams and mental health services to employment services housing services and rehabilitation services Older People Ageing and Social Work draws on theoretical research policy and practice knowledge to inform contemporary practice with older people Hughes and Heycox demonstrate that high level professional skills are required in this area as well as detailed knowledge of the issues affecting older people's lives They argue that practitioners need to take into account the social and emotional needs of the older people they work with as well as the practical and administrative aspects of their roles They emphasise understanding the diversity of the older population and enabling older people to make the most of their strengths and capacities

The Task-Centred Book Peter Marsh, Mark Doel, 2005-05-01 Task centred social work is one of the best known and most strongly supported approaches to social work practice This text is a radical departure from traditional literature on social work

methods The main reference point is the voice of practitioners service users and carers as researched and developed by the authors over twenty years Case studies are used throughout the book to build on the experiences of practitioners and the people with whom they have worked demonstrating practical skills for study and analysis teaching and learning practicing task centred social work review and continuing development The Task Centred Book is a core text for both undergraduate social work courses and continuing professional development training as well as being a practical book for the active professional which will support the development and implementation of task centred practice

Studying for Social Work Eileen Baldry, Mark Hughes, Linda Burnett, Ian Collinson, 2011-01-13 This essential guide to study skills takes social work students through every step of their degree journey providing them with the academic tools they will need to thrive along the way Inventively informed by the insights and reflections of qualifying students the book offers effective guidance that is grounded in real experience of the social work degree It is particularly suited to those in their early years of study and supports students as social workers in the making The book covers a comprehensive range of the core study skills including Time management Literature searches Engaging with research Responding to new styles of social work learning and teaching Critical thinking Academic writing and Presentations With reflective questions handy practical tips and links to helpful websites this accessible handbook is the perfect study companion for every student on the path to professional qualification

The Child's World, Third Edition Jan Horwath, Dendy Platt, 2018-12-06 Fully updated edition of THE bestselling book on assessing children in need and their families Comprehensive and multidisciplinary it covers all aspects of assessment from early help through to child protection Explores implications of recent legislation and the very latest issues for practice

Using Groupwork Mark Doel, 2006 Written by an experienced groupworker and academic this book promotes greater knowledge and understanding of groupwork and group processes particularly in social work and social care settings Incorporating both theory and practice it provides a practical guide to those considering groupwork and further inspiration for those already involved The book incorporates a number of case examples of groups run in mainstream social work social care and multidisciplinary settings Skills based in approach this original text includes illustrative group examples quotes from groupworkers key learning points based on research activities to develop practice suggestions for further reading Published in association with Community Care Magazine the book meets the changing needs of today s students and practitioners in social care and is a welcome addition to the current literature
