harsh Communist rule and create her own happy ending in a free America This true tale of sorrow and terror hope and triumph is Tilli s story but it s also the story of the unthinkable suffering and untold bravery of countless innocent children who have lived through a war and its aftermath A great piece of individual history from a woman who had some remarkable experiences Through this story readers will come to appreciate more deeply ordinary citizens experience of wartime and political upheaval as well as the enormity of the decision to leave one s country and start a new life thousands of miles away
