Today ,1985 **A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity**
and the Human Spirit A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark
side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its
self serving abuse of religio corporate power A large proportion of this first volume provides a detailed catalogue of the
multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad
megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt
cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment
they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of
assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution
that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser
ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as
worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in
detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was
explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or
philosophical merit did not escape A large number of writings which eventually became classics of European culture were
condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular
Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly
demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and
left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals
and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The
ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world s
future the Catholic Church must change
