Radical Feminists Of Heterodoxy

Esther F. Lanigan

Radical Feminists Of Heterodoxy:

Radical Feminists of Heterodoxy Judith Schwarz, 1982 An account of heterodoxy the club for unorthodox women that flourished in Greenwich Village from 1912 through the 30s *Breaking Conventions* Patricia Auspos, 2023-07-13 This rich history illuminates the lives and partnerships of five married couples two British three American whose unions defied the conventions of their time and anticipated social changes that were to come in the ensuing century In all five marriages both husband and wife enjoyed thriving professional lives a shocking circumstance at a time when wealthy white married women were not supposed to have careers and career women were not supposed to marry Patricia Auspos examines what we can learn from the relationships of the Palmers the Youngs the Parsons the Webbs and the Mitchells exploring the implications of their experiences for our understanding of the history of gender equality and of professional work In expert and lucid fashion Auspos draws out the interconnections between the institutions of marriage and professional life at a time when both were undergoing critical changes by looking specifically at how a pioneering generation tried to combine the two Based on extensive archival research and drawing on mostly unpublished letters journals pocket diaries poetry and autobiographical writings *Breaking Conventions* tells the intimate stories of five path breaking marriages and the social dynamics they confronted and revealed This book will appeal to scholars students and anyone interested in women s studies gender studies masculinity studies histories of women in the professions and the history of marriage

Independent Intellectuals in the United States, 1910-1945 Steven Biel, 1995-02 A new intellectual community came together in the United States in the 1910s and 1920s a community outside the universities the professions and in general the established centers of intellectual life A generation of young intellectuals was increasingly challenging both the genteel tradition and the growing division of intellectual labor Adversarial and anti professional they exhibited a hostility to boundaries and specialization that compelled them toward an ambitious and self conscious generalism and made them a force in the American political literary and artistic landscape This book is a cultural history of this community of free lance critics and an exploration of their collective effort to construct a viable public intellectual life in America Steven Biel illustrates the diversity of the body of writings produced by these critics whose subjects ranged from literature and fine arts to politics economics history urban planning and national character Conceding that significant differences and conflicts did exist in the works of individual thinkers Biel nonetheless maintains that a broader picture of this vibrant culture has been obscured by attempts to classify intellectuals according to political or ideological persuasions His book brings to life the ways in which this community sought out alternative ways of making a living devised strategies for reaching and engaging the public debated the involvement of women in the intellectual community and incorporated Marxism into its evolving search for a decisive intellectual presence in American life Examined in this lively study are the role and contributions of such figures as Randolph Bourne Max Eastman Crystal Eastman Walter Lippmann Margaret Sanger Van Wyck Brooks Floyd Dell Edmund Wilson Mable Dodge Paul Rosenfeld H L Mencken Lewis

Mumford Malcolm Cowley Matthew Josephson John Reed Waldo Frank Gilbert Seldes and Harold Stearns The Secret History of Wonder Woman Jill Lepore, 2015-07-07 NATIONAL BESTSELLER Within the origin of one of the world's most iconic superheroes hides a fascinating family story and a crucial history of feminism in the twentieth century Everything you might want in a page turner skeletons in the closet a believe it or not weirdness in its biographical details and something else that secretly powers even the most serious feminist history fun Entertainment Weekly The Secret History of Wonder Woman is a tour de force of intellectual and cultural history Wonder Woman Jill Lepore argues is the missing link in the history of the struggle for women's rights a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later Lepore a Harvard historian and New Yorker staff writer has uncovered an astonishing trove of documents including the never before seen private papers of Wonder Woman's creator William Moulton Marston The Marston family story is a tale of drama intrigue and irony In the 1920s Marston and his wife brought into their home Olive Byrne the niece of Margaret Sanger one of the most influential feminists of the twentieth century Even while celebrating conventional family life in a regular column that Marston and Byrne wrote for Family Circle they themselves pursued lives of extraordinary nonconformity Marston internationally known as an expert on truth he invented the lie detector test lived a life of secrets only to spill them on the pages of Wonder Woman Includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family's papers and 161 illustrations and 16 pages in full color

The Grounding of Modern Feminism Nancy F. Cott, 1987-01-01 The time has come to define feminism it is no longer possible to ignore it The Century Magazine 1914 In this landmark addition to scholarship Nancy F. Cott author of The Bonds of Womanhood offers a new interpretation of American feminism during the early decades of this century a period traditionally viewed as one in which women won the right to vote and then lost interest in feminist issues Cott argues instead that this period was a time of crisis and transition from the nineteenth century woman movement to the beginning of modern feminism Many of the issues that are central to women today says Cott were firmly articulated in the early decades of this century For example the problem of defining sexual equality so as to recognize sexual difference between men and women the ambiguous potential of a movement seeking individual freedoms for women by mobilizing sex solidarity and the tensions involved in attaining full expression in work and love are all enduring elements of feminism seized upon by women of the 1910s and 1920s First discussing how feminism was indebted to its predecessors Cott shows that increasing heterogeneity and diverse loyalties among women in the early twentieth century contradicted the premise of the nineteenth century cause of woman the singular noun symbolizing the unity of the female sex From this crisis emerged feminism championing individual variability and refuting the premise that a singular woman existed Cott focuses on the suffrage campaign milieu in which feminism arose giving particular attention to the character and role of the National Woman's Party from its militant suffrage days to its advocacy of the equal right amendment in the 1920s Against prevailing

interpretations of the decline of women's political activities after 1920 Cott counterposes the swelling numbers in women's voluntary associations and their political efforts She also analyzes the pitfalls that awaited women who tried for effectiveness in the male dominated political parties She sets the controversy over the equal rights amendment in new context discussing the full dimensions of the conflict as not merely over personalities tactics or class loyalties but as a signal example of the modern problem of capturing sexual equality and sexual difference in law The book explores the irony strewn path of women who as aspiring professionals and political actors attempted to put into practice the feminist intent to replace the abstraction woman with instead the human sex This history the story of women who first claimed the name feminists builds an essential bridge between the presuffrage period and today

Flapper Joshua Zeitz, 2009-02-04 Flapper is a dazzling look at the women who heralded a radical change in American culture and launched the first truly modern decade The New Woman of the 1920s puffed cigarettes snuck gin hiked her hemlines danced the Charleston and necked in roadsters More important she earned her own keep controlled her own destiny and secured liberties that modern women take for granted Flapper is an inside look at the 1920s With tales of Coco Chanel the French orphan who redefined the feminine form Lois Long the woman who christened herself Lipstick and gave New Yorker readers a thrilling entrance into Manhattan's extravagant Jazz Age nightlife three of America's first celebrities Clara Bow Colleen Moore and Louise Brooks Dallas born fashion artist Gordon Conway Zelda and Scott Fitzgerald whose swift ascent and spectacular fall embodied the glamour and excess of the era and more this is the story of America's first sexual revolution its first merchants of cool its first celebrities and its most sparkling advertisement for the right to pursue happiness Whisking us from the Alabama country club where Zelda Sayre first caught the eye of F Scott Fitzgerald to Muncie Indiana where would be flappers begged their mothers for silk stockings to the Manhattan speakeasies where patrons partied till daybreak historian Joshua Zeitz brings the 1920s to exhilarating life

100 Years of the Nineteenth Amendment Holly J. McCammon, Lee Ann Banaszak, 2018-02-01 The Nineteenth Amendment was ratified in 1920 giving women in the United States the right to vote 100 Years of the Nineteenth Amendment looks back at this 100 year history and asks how has women's political engagement unfolded over the last century The book's chapters consider women's successes in the political realm but also biases that women still confront Volume contributors pay particular attention to the diverse backgrounds and perspectives women bring to the political arena reminding us of the insights provided by an intersectional perspective

Routledge Library Editions: Feminist Theory Various, 2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies

Susan Glaspell in Context J. Ellen Gainor, 2010-03-25 Susan Glaspell in Context not only discusses the dramatic work of this key American author perhaps best known for her short story A Jury of Her Peers and

its dramatic counterpart *Trifles* but also places it within the theatrical cultural political social historical and biographical climates in which Glaspell's dramas were created the worlds of Greenwich Village and Provincetown bohemia of the American frontier and of American modernism J Ellen Gainor is Professor of Theatre Women's Studies and American Studies Cornell University Her other books include *Performing America Cultural Nationalism in American Theater* co edited with Jeffrey D Mason from the University of Michigan Press

The Literature of Lesbianism Terry Castle, 2003 Since the Renaissance countless writers have been magnetized by the notion of love between women This anthology registers that fact in as encompassing and enlightening a way as possible Castle explores the emergence and transformation of the idea of lesbianism

Crystal Eastman Amy Aronson, 2020 The first biography of Crystal Eastman this book tells the story of one of the most prominent social justice activists of the twentieth century A founder of the ACLU Eastman helped to shape the defining movements of the modern era labor feminism peace and free speech

From Progressive to New Dealer Kenneth E. Miller, 2010-01-01 A native Pennsylvanian born in Meadville in 1867 and a graduate of Allegheny College Frederic Howe dedicated his life early on to the cause of improving society and played a major role in many movements for progressive change from the early 1890s to the Second World War a leader in Progressive politics in New York City a spokesman for reform through numerous books and articles and as director of the Cooper Union an ardent campaigner for a defender of immigrants and civil liberties as commissioner of immigration for the Port of New York during the First World War and an advocate for consumers as the first consumers counsel in the New Deal Kenneth Miller's biography takes the reader behind the scenes and shows how the great game of politics was played in the age of reform

Ellen N. La Motte Lea M. Williams, 2019-10-30 Using unexamined sources including diaries and unpublished manuscripts this biography traces the life and work of nurse writer and activist Ellen N La Motte 1873-1961 examining how she developed as a professional in the early twentieth century

Calling for Change Elizabeth A. Sheehy, Sheila McIntyre, 2006 Unique in both scope and perspective *Calling for Change* investigates the status of women within the Canadian legal profession ten years after the first national report on the subject was published by the Canadian Bar Association Elizabeth Sheehy and Sheila McIntyre bring together essays that investigate a wide range of topics from the status of women in law schools the practising bar and on the bench to women's grassroots engagement with law and with female lawyers from the frontlines Contributors not only reflect critically on the gains losses and barriers to change of the past decade but also provide blueprints for political action Academics community activists practitioners law students women litigants and law society benchers and staff explore how egalitarian change is occurring and or being impeded in their particular contexts Each of these unique voices offers lessons from their individual collective and institutional efforts to confront and counter the interrelated forms of systemic inequality that compromise women's access to education and employment equity within legal institutions and ultimately to equal justice in Canada Published in English

Mary Austin Esther F. Lanigan, 2022-06-21 This book seamlessly combines biography and

criticism Lanigan adeptly analyzes Austin's life and also offers insightful analyses of Austin's writing. Like other females of her period, she received too little recognition for her original prose style and social critiques. Thanks to *Song of a Maverick*, we hear Mary Austin's voice more clearly and appreciatively. Carol J. Singley in *American Literature*. Lanigan provides illuminating sociological background and lucidly marshals the existing biographical data. Choice. Mary Hunter Austin was a well-known and respected author and activist in her lifetime but is little known in ours. In this excellent biography, Lanigan chose to focus on a few central relationships in Austin's life to explore in some depth a few central texts and to understand the interior life of her subject. She has done a splendid job. Ann J. Lane in the *Journal of American History*. *Charlotte Perkins Gilman and Her Contemporaries*. Cynthia J. Davis, Denise D. Knight, 2004-04-16. By placing Charlotte Perkins Gilman in the company of her contemporaries, this collection seeks to correct misunderstandings of the feminist writer and lecturer as an isolated radical. Gilman's highly public and combative stances as a critic and social activist brought her into contact and conflict with many of the major thinkers and writers of the period. Gilman wrote on subjects as wide-ranging as birth control, eugenics, race, women's rights, and suffrage, psychology, Marxism, and literary aesthetics. Her many contributions to social, intellectual, and literary life at the turn of the 20th century raised the bar for future discourse but at great personal and professional cost. From publisher's description. *Scientists and Storytellers*. Catherine Jane Lavender, 2006. The work of four early women ethnographers: Elsie Clews Parsons, Ruth Benedict, Gladys Reichard, and Ruth Underhill, and their emphases on women's roles in Southwestern Indian cultures. *The Cambridge Companion to Modernist Women Writers*. Maren Tova Linett, 2010-09-23. Women played a central role in literary modernism, theorizing, debating, writing, and publishing the critical and imaginative work that resulted in a new literary culture during the early twentieth century. This volume provides a thorough overview of the main genres, the important issues, and the key figures in women's writing during the years 1890-1945. The essays treat the work of Woolf, Stein, Cather, H. D., Barnes, Hurston, and many others in detail; they also explore women's salons, little magazines, activism, photography, film criticism, and dance. Written especially for this Companion, these lively essays introduce students and scholars to the vibrant field of women's modernism. *Reproductive Health, Reproductive Rights*. Robyn L. Rosen, 2003. The study of these reformers offers a new perspective on more recognized leaders in the arena of reproductive health and rights, especially the U.S. Children's Bureau and Margaret Sanger. Putnam's elitism contextualizes the class politics of the Bureau, underscoring its sensitivity to the vulnerable and its innovative approach to public health. Dummer reminds us of roads not taken by policy makers in the Bureau, accentuating the differences between a child-centered and a woman-centered agenda. Dennett highlights the obstacles to women reformers in the formal political sphere, while Ames's penchant toward maternalism and compromise also led to difficulties. *Queer Japan*. Barbara Summerhawk, Cheiron McMahon, Darren McDonald, 1998. In this important contribution to international queer studies, sixteen people spanning generations from pre-war to newly out young activists tell their stories.

Reviewing **Radical Feminists Of Heterodoxy**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
