

CALL FOR SUBMISSIONS: RADICAL HOSPITALITY

St. Ambrose University College of Arts and Sciences, Galvin Fine Arts, and the Midwest Writing Center are partnering on a series of events and a publication around the theme of Radical Hospitality. This theme calls people to "welcome the stranger" and to extend "an expansive and committed welcome to all regardless of background, beliefs, or circumstances, and particularly to those who face barriers to belonging. More than politeness, radical hospitality calls for a generous sharing of time, resources, and life together."

THE PROJECT

We are looking for submissions of poetry (30 lines max.) and flash prose (fiction or nonfiction, 500 words max.) that engage with the theme of Radical Hospitality.

Submission open October 1 & close on December 15 (see complete guidelines on reverse). MWC will select the strongest 20-30 works for publication in an anthology, to be published by MWC Press in April 2024.

All contributors to the anthology will receive \$400 for their work in addition to two copies of the anthology, and the opportunity to record their work for a podcast. Selections will be announced in early Jan. 2024.

Then, all contributors will have the opportunity to read their work during the "Speak Your Peace" event at Galvin Fine Arts on Friday, January 26, where they will have a chance to win up to \$400 in a contest decided by audience members. Contributors will have the opportunity to record their works for a podcast prior to the event, and the event will be recorded live.

The anthology will be published in April 2024, and the contributors will be invited to read at a release event at Galvin Fine Arts (date TBA), where the first 200 people in attendance will receive a free copy of the anthology (copies will be available to purchase after that).

WHAT IS RADICAL HOSPITALITY?

Radical Hospitality calls us to consider how to dismantle the barriers to belonging faced because of immigration status, recovery journey, or history of incarceration. Through workshops, presentations, and sharing together, we will ask how to practice radical hospitality as individuals, institutions, and communities, and seek out steps to truly welcome the foreigner, the outcast, and the outsider, into our communities and lives.

Radical hospitality refers to an expansive and committed welcome to all regardless of background, beliefs, or circumstances, and particularly to those who face barriers to belonging. More than politeness, radical hospitality calls for a generous sharing of time, resources, and life together. It includes offering support without judgment and fostering relationships of deep connection. Radical hospitality involves collaboration to combat barriers to inclusion and the creation of paths to access and safety in support of true communal belonging.

Radical Hospitality Nour Halabi, 2022-12-09 Radical Hospitality American Policy Media and Immigration re imagines the ethical relationship of host societies towards newcomers by applying the concept of hospitality to two specific realms that impact the lives of immigrants in the United States policy and media The book calls attention to the moral responsibility of the host in welcoming a stranger It sets the stage for the analysis with a historical background of the first host guest diads of American hospitality arguing that the early history of American hospitality was marked by the degeneration of the host guest relationship into one of host hostage normalizing a racial discrimination that continues to plague immigration hospitality to this day Author Nour Halabi presents a historical policy and media discourse analysis of immigration regulation and media coverage during three periods of US history the 1880s and

the Chinese Exclusion Act the 1920s and the National Origins Act and the 2000s and the Muslim travel ban In so doing it demonstrates how U S immigration hospitality from its peaks in the post Independence period to its nadir in the Muslim travel ban has fallen short of true hospitality in spite of the nation s oft touted identity as a nation of immigrants At the same time the book calls attention to how a discourse of hospitality although fraught may allow a radical reimagining of belonging and authority that unsettles settler colonial assumptions of belonging and welcome a restorative outlook to immigration policy and its media coverage in society

Radical Hospitality Richard Kearney, Melissa Fitzpatrick, 2021-03-02 *Radical Hospitality* addresses a timely and challenging subject for contemporary philosophy the ethical responsibility of opening borders psychic and physical to the stranger Kearney and Fitzpatrick show how radical hospitality happens by opening oneself in narrative exchange to someone or something other than ourselves by crossing borders whether literal or figurative Against the fears dogmas and demands for certainty and security that push us toward hostility we also desire to wager with the unknown leap into the unanticipated and celebrate the new a desire this book seeks to recognize and cultivate The book contends that hospitality means chancing one s hand one s arm one s very self thereby opening a vital space for new voices to be heard shedding old skins and welcoming new understandings *Radical Hospitality* engages with urgent moral conversations concerning identity nationality immigration commemoration and justice moving between theory and praxis and on to the formative life of the classroom Building on key critical debates on the question of hospitality ranging from phenomenology hermeneutics and deconstruction to neo Kantian moral critique and Anglo American virtue ethics the book explores novel possibilities for an ethics of hospitality in our contemporary world of border anxiety refugee crises and ecological catastrophe
