Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos Stoica,2024-12-15 Sayyid Qutb s Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb s radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb s political theology of Hakimiyyah God s Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb s critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Corte s 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God s Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God s Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology *Empowering Spirit, Empowering Structures* Stephen Charles McKnight,2023-08-03 Noel Perkin a banker turned missionary led Assemblies of God World Missions AGWM for more than thirty years 1927 59 His life exemplifies the missionary zeal historians have noted within the early Pentecostal movement Perkin s experience of the Holy Spirit and his experiences as a missionary in Argentina led him to create systems intended to empower others to fulfill Christ s commission to make disciples of all nations Perkin s empowering leadership played a significant part in AGWM s remarkable growth into a leading Pentecostal mission sending agency which currently sends over 2 000 missionaries to 140 countries As one of the principal architects of AGWM s missiology and operation Perkin transformed a two person office relying on envelope boxes for its accounting system into a well structured strategic mission agency and laid a foundation for AGWM s continued growth *Empowering Spirit Empowering Structures* uses the foundation of a biographical study to examine the concept of empowerment through Perkin s life and the impact that Perkin and his missiology had and continues to have upon AGWM *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *Restoration Appreciation* John C. Nugent,2022-05-13 The Restoration Movement is

one of the largest Christian traditions indigenous to the United States boasting nearly four million adherents Over the last century however it has suffered internal division isolationism declining institutions and widespread ignorance of its own roots The dynamism and solidarity that once typified our churches appears to be fading which has many asking if the Restoration Movement has lost all momentum Yet Jesus prayed for Christian unity and tied such unity to the world's belief John 17 Only a united church will convince unbelievers that God sent Jesus as his ultimate expression of love for them This prayer propelled the early Movement into action and may do so again today This highly accessible book invites restorationists to rise above the partisanship of our day rally around our core commitments and lead out in our strengths It informs readers about the modest origins unique resources and current challenges facing our churches It fosters stimulating conversations about mission race creeds Scripture education unity humility and relevance If it's time for you your congregation or your students to encounter or recover their restoration roots then this book is for you **The Christian Evangelist** ,1901 **The Problem of**

Atheism Augusto Del Noce,2022-01-05 In 1964 Augusto Del Noce assembled in a book some of his best works on Marxism atheism and the history of modern philosophy The result was *Il problema dell'ateismo* which he always regarded as foundational to his way of thinking The book remains his best known work and is still in print in Italy almost sixty years later The Problem of Atheism offers the first English translation of this landmark book one of the earliest works to recognize the new secularizing trends in Western culture following World War II Del Noce situates atheism historically reconstructing its philosophical trajectory through European modernity Documenting the author's entire intellectual experience these essays explore the birth of modern philosophy reckon with the great European crisis of 1917 to 1945 and the Cold War that followed and mine the opposition between Marxism and the rise of the affluent society The result is rich with premonitions of the cultural landscape that would take shape throughout the 1960s and the decades that followed Proving its English translation to be long overdue The Problem of Atheism remains relevant to contemporary debates about secularization political theology and modernity **Latter Day Saints Southern Star** ,1900 **The Index ...** Francis Ellington Abbot,William James Potter,Benjamin Franklin Underwood,1870
