Radical Right In Western Europe A Comparative Analysis:

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries *The extreme Right in Western Europe* Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally Reflections on the Extreme Right in Western Europe, 1990-2008 Christopher Husbans, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being

a valuable resource for those teaching courses on this topic or on general political sociology

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah L. de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Mapping the Extreme Right in Contemporary Europe Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012 In recent years the revival of the far right and anti Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics

The Populist Radical Right in Central and Eastern Europe Andrea Pirro, 2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with

other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This book has three aims Firstly it explores the extreme right in order to assess its ideological meaning and its political expression Beginning with a discussion of the meaning and usefulness of the Left Right distinction it deals with the varying significance of the term right and discusses the appropriateness of the competing terms radical new populist and extreme right The book argues that the traditional neo fascist party has been supplanted by a new type of extreme right party unrelated to fascist ideology but nevertheless opposed to the fundamental values of the democratic political system The book s second aim is to carry out an in depth analysis of the post war evolution of the extreme right of each country in Western Europe The analysis highlights their lineage from pre war fascist regimes or movements their different partisan expressions in the post war period their ideological profile their party s relationship with other actors in the party system the socio demographic and attitudinal profile of their voter base and finally the conditions which have favoured or inhibited their development Finally the book discusses in detail more recent trends within the West European extreme right and outlines a conceptual framework for explaining the success or failure of each political party The volume extensively revised expanded and updated from its original widely acclaimed Italian edition will be essential reading for all those working on parties and movements in Western Europe

Voting Radical Right in Western Europe Terri E. Givens, 2005-10-10 The economic and political conditions that have led to the rise of radical right parties exist in similar form and intensity all over Europe Yet radical right parties have only been successful in a few countries The Republikaner party s less than 2% of the vote is much lower than the National Front s high of 15% and the Freedom Party s 27% of the vote in national legislative elections Why do such a small percentage of voters choose the radical right in Germany Why is the radical right winning more seats in Austria than in France and Germany The main argument in this book is that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and or strategic coordination by the mainstream parties The analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right

Radical Right Pippa Norris, 2005-08-22 During recent decades radical right parties have been surging in popularity in many nations gaining legislative seats enjoying the legitimacy endowed by ministerial office and striding the corridors of government power The popularity of leaders such as Le Pen Haider and Fortuyn has aroused widespread popular concern and a burgeoning scholarly literature Despite the interest little consensus has emerged about the primary factors driving this phenomenon The puzzle is to explain why radical right parties have advanced in a diverse

array of democracies including in Austria Canada Norway France Italy New Zealand Switzerland Israel Romania Russia and Chile while failing to make comparable gains in similar societies elsewhere such as in Sweden Britain and the United States This book first published in 2005 expands our understanding of support for radical right parties through presenting an integrated new theory which is then tested systematically using a wealth of cross national survey evidence covering almost forty countries

Right-wing Extremism in the Twenty-first Century Peter Merkl, Weinberg LEONARD, 2004-08-02

Revising the 1997 first edition this study covers events that occurred in Oldham and Bradford after the year 2000 The rise of right wing extremist groups is put under scrutiny in a number of states including Britain Germany Austria Russia and France

The Populist Radical Right Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

The Structure of Political Competition in Western Europe Zolt

Enyedi, Kevin Deegan-Krause, 2013-09-13 Is European party politics hovering above society Why do voters pick one party over others Is it a question of class Of religion Of attitudes about taxes or immigration or global warming Or is it something else entirely The Structure of Political Competition in Western Europe takes a detailed look at the ways in which Western Europe s party systems are anchored in social and ideological structures The book s first section focuses on the role of social structures particularly education class and religion and analyzes the complex interplay among these factors The second section addresses the ways that the sociological structures such as class and religion interact with voters values The third section examines the way that these structures and values shape the space of political competition among parties The conclusion integrates the findings of the empirical articles putting them into broader comparative perspective discussing whether relatively predictable structures have been overwhelmed by media driven spectacles political personalities and focus on short term economic performance This volume will appeal to scholars and graduate students in Europe and those from North America Asia and other regions who study European politics political parties cleavages and political behaviour This book was published as a special issue of West European Politics

Radical Left Voters in Western Europe Raul

Gomez, Luis Ramiro, 2022-10-07 Radical Left Voters in Western Europe explores who votes for Radical Left Parties in

contemporary Western Europe and why Once considered a relic of the past which was doomed to disappear in affluent societies Radical Left Parties were able to survive unprecedented electoral crises in the 1980s and 1990s to become a stable and significant feature of contemporary West European politics Despite this our knowledge of the electorate of contemporary Radical Left parties is extremely limited To fill this gap this book analyzes the radical left electorate in 17 West European countries Belgium Cyprus Denmark Finland France Greece Germany Iceland Ireland Italy Luxembourg the Netherlands Norway Portugal Spain Sweden and Switzerland for a period of 18 years 2000 18 The research combines data from multiple sources surveys country level data and party level data to show how amidst social and political change Radical Left Parties have been able to maintain a relatively sizeable and clearly identifiable electorate with fairly similar socio demographic and attitudinal features Moreover the book argues that in order to explain electoral support for Radical Left Parties it is important to consider not only voter characteristics but also the characteristics of the parties themselves and of the political and economic context in which they compete for votes This book will be of interest to scholars of comparative politics political sociology electoral behaviour and political parties

Politics and Society in Western Europe Jan-Erik

Lane, Svante O. Ersson, 1999-02-23 Politics and Society in Western Europe is a comprehensive introduction for students of West European politics and of comparative politics This new edition has been extensively revised and updated to meet with the new needs of undergraduate students as they come to terms with a changing social and political landscape in Europe This textbook provides a full analysis of the political systems of 18 Western European countries their political parties elections and party systems as well as the structures of government at local regional national and European Union levels Throughout the book key theoretical ideas are accessibly introduced and examined against the very latest empirical data on civil society and the state

Immigration and Membership Politics in Western Europe Sara Wallace

Goodman, 2014-10-16 Why are traditional nation states newly defining membership and belonging In the twenty first century several Western European states have attached obligatory civic integration requirements as conditions for citizenship and residence which include language proficiency country knowledge and value commitments for immigrants This book examines this membership policy adoption and adaptation through both medium N analysis and three paired comparisons to argue that while there is convergence in instruments there is also significant divergence in policy purpose design and outcomes To explain this variation this book focuses on the continuing dynamic interaction of institutional path dependency and party politics Through paired comparisons of Austria and Denmark Germany and the United Kingdom and the Netherlands and France this book illustrates how variations in these factors as well as a variety of causal processes produce divergent civic integration policy strategies that ultimately preserve and anchor national understandings of membership

The Oxford Handbook of Electoral Persuasion Elizabeth Suhay, Bernard Grofman, Alexander H. Trechsel, 2020-04-01 Elections are the means by which democratic nations determine their leaders and communication in the context of elections has the potential

to shape people's beliefs, attitudes and actions. Thus electoral persuasion is one of the most important political processes in any nation that regularly holds elections. Moreover, electoral persuasion encompasses not only what happens in an election but also what happens before and after, involving candidates, parties, interest groups, the media, and the voters themselves. This volume surveys the vast political science literature on this subject, emphasizing contemporary research and topics and encouraging cross-fertilization among research strands. A global roster of authors provides a broad examination of electoral persuasion with international perspectives complementing deep coverage of U.S. politics. Major areas of coverage include general models of political persuasion, persuasion by parties, candidates, and outside groups, media influence, interpersonal influence, electoral persuasion across contexts, and empirical methodologies for understanding electoral persuasion.

European Parliament Elections after Eastern Enlargement Hermann Schmitt, 2014-06-03. This book reflects on the questions raised by the European Election Study 2004, whose analytical focus was on the legitimacy of EU politics after Eastern enlargement. It also assesses the dynamics and the contents of the campaign on the determinants of the extremely low turnout in the new countries and on the reasons of voter choice in West and East. The book also examines the first European Parliament election after the post-communist countries of Eastern Europe joined the European Union. The central question is what has changed: Are the voters in the new member countries different, and if so, why? Did the Union suffer from a loss of democratic legitimacy after Eastern enlargement? Each chapter is empirical; analytical parts are based on the post-election surveys of the group that were conducted in all but one of the 25 member countries; others focus on the results of content analyses of news media and party manifestos. This book was published as a special issue of the *Journal of European Integration*.

The Oxford Handbook of Populism Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017. The Oxford Handbook of Populism presents the state of the art of research on populism from the perspective of Political Science. The book features work from the leading experts in the field and synthesizes the main strands of research in four compact sections: concepts, issues, regions, and normative debates. Due to its breadth, *The Oxford Handbook of Populism* is an invaluable resource for those interested in the study of populism but also for experts in each of the topics discussed, who will benefit from accounts of current discussions and research gaps as well as a map of new directions in the study of populism.

Transformations of Populism in Europe and the Americas John Abromeit, York Norman, Gary Marotta, Bridget Maria Chesterton, 2015-11-19. The recent resurgence of populist movements and parties has led to a revival of scholarly interest in populism. This volume brings together well-established and new scholars to reassess the subject and combine historical and theoretical perspectives to shed new light on the history of the subject as well as enriching contemporary discussions. In three parts, the contributors explore the history of populism in different regions, theories of populism, and recent populist movements. Taken together, the contributions included in this book represent the most comprehensive and wide-ranging study of the topic to date. Questions addressed include: What are the essential characteristics of populism? Is it

important to distinguish between left and right wing populism How can the transformation of populist movements be explained This is the most thorough and up to date comparative historical study of populism available As such it will be of great value to anyone researching or studying the topic *Fascist Legacies and the New Right Across the Atlantic* Gabriela de Lima Grecco, 2025-12-16 This volume analyzes the historical continuities and transformations of fascist movements across Ibero America Europe and the United States from the twentieth century to the twenty first century By examining political ideologies networks and transnational influences the chapters explore how authoritarian and right wing populist movements have evolved adapted and interacted in different historical contexts The book provides a comparative perspective on the intersections of fascism corporatism Catholicism nationalism and contemporary radical right movements shedding light on their impact on democratic institutions foreign policy and social structures *Fascist Legacies and the New Right Across the Atlantic* will be beneficial for scholars researchers and postgraduate students interested in the history of fascism populism and right wing movements in Ibero America Europe and the United States

Radical Right In Western Europe A Comparative Analysis Introduction

Radical Right In Western Europe A Comparative Analysis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Radical Right In Western Europe A Comparative Analysis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Radical Right In Western Europe A Comparative Analysis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Radical Right In Western Europe A Comparative Analysis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Radical Right In Western Europe A Comparative Analysis Offers a diverse range of free eBooks across various genres. Radical Right In Western Europe A Comparative Analysis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Radical Right In Western Europe A Comparative Analysis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Radical Right In Western Europe A Comparative Analysis, especially related to Radical Right In Western Europe A Comparative Analysis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Radical Right In Western Europe A Comparative Analysis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Radical Right In Western Europe A Comparative Analysis books or magazines might include. Look for these in online stores or libraries. Remember that while Radical Right In Western Europe A Comparative Analysis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Radical Right In Western Europe A Comparative Analysis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Radical Right In Western Europe A Comparative Analysis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Radical Right In Western Europe A Comparative Analysis eBooks, including some popular titles.

FAQs About Radical Right In Western Europe A Comparative Analysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Right In Western Europe A Comparative Analysis is one of the best book in our library for free trial. We provide copy of Radical Right In Western Europe A Comparative Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Right In Western Europe A Comparative Analysis. Where to download Radical Right In Western Europe A Comparative Analysis online for free? Are you looking for Radical Right In Western Europe A Comparative Analysis PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Radical Right In Western Europe A Comparative Analysis. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Radical Right In Western Europe A Comparative Analysis are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Radical Right In Western Europe A Comparative Analysis. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Radical Right In Western Europe A Comparative Analysis To get started finding Radical Right In Western Europe A Comparative Analysis, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these

that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Radical Right In Western Europe A Comparative Analysis So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Radical Right In Western Europe A Comparative Analysis. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Radical Right In Western Europe A Comparative Analysis, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Radical Right In Western Europe A Comparative Analysis is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Radical Right In Western Europe A Comparative Analysis is universally compatible with any devices to read.
