Radioheads Ok Computer:

Radiohead's OK Computer Dai Griffiths, 2004-08-11 Seemingly granted classic album status within days of its release in 1997 OK Computer transformed Radiohead from a highly promising rock act into The Most Important Band in the World a label the band has been burdened by and has fooled around with ever since Through close musical analysis of each song Dai Griffiths explores the themes and ideas that have made this album resonate so deeply with its audience and argues that OK Computer is one of the most successfully realized CD albums so far created EXCERPT But then Karma Police changes After the second chorus the track lifts in various ways Harmonically there s a key change of sorts the sheet music charmingly follows the convention of preparing the reader for the new key signature from E minor to B minor although in truth both sections use similar chords Then vocally or melodically the key change takes Thom Yorke to his angelic register Texturally there s a big shift with all the instruments doing lighter things Best to my mind though there s the one word phew Phew s great it s a cartoon word like gulp or zzzz or bah Its precision matters the fact that it s really there properly pronounced not just sort of breathed

Radiohead's OK Computer Dai Griffiths, 2004-08-11 Seemingly granted classic album status within days of its release in 1997 OK Computer transformed Radiohead from a highly promising rock act into The Most Important Band in the World a label the band has been burdened by and has fooled around with ever since Through close musical analysis of each song Dai Griffiths explores the themes and ideas that have made this album resonate so deeply with its audience and argues that OK Computer is one of the most successfully realized CD albums so far created

Radiohead, "OK Computer" Michel Delville, 2021

Radiohead Tim Footman, 2007 Footman s book gives a detailed track by track breakdown of OK Computer hailed as the last of the classic albums and traces its influences from music film literature art and politics Setting the album in the context of the period in which it was released Footman shows how the songs are intended to sit alongside one another released in an era before downloads and cherry picking the hits were even fashionable Not only the largest and most detailed study yet published of the last ever classic album but the most in depth analysis of Radiohead available

Idiot, slow down Dan Johnson, 2001

SPIN, 2005-07 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks

'Speak to Me': The Legacy of Pink Floyd's The Dark Side of the Moon Russell Reising, 2017-10-03 The endurance of Pink Floyd s The Dark Side of the Moon on the Billboard Top 100 Chart is legendary and its continuing sales and ongoing radio airplay ensure its inclusion on almost every conceivable list of rock s greatest albums This collection of essays provides indispensable studies of the monumental 1973 album from a variety of musical cultural literary and social perspectives The development and change of the songs is

considered closely from the earliest recordings through to the live filmed performance at London's Earls Court in 1994. The band became almost synonymous with audio visual innovations and the performances of the album at live shows were spectacular moments of mass culture although Roger Waters himself spoke out against such mass spectacles. The band's stage performances of the album serve to illustrate the multifaceted and complicated relationship between modern culture and technology. The album is therefore placed within the context of developments in late 1960s/early 1970s popular music with particular focus on the use of a variety of segues between tracks which give the album a multidimensional unity that is lacking in Pink Floyd's later concept albums. Beginning with *Breathe* and culminating in *Eclipse*, a tonal and motivic coherence unifies the structure of this modern song cycle. The album is also considered in the light of modern day tribute bands with a discussion of the social groups who have the strongest response to the music being elaborated alongside the status of mediated representations and their relation to the real Pink Floyd.

Radiohead - 'Ok Computer' Markus Philipsen Bak, 2019

Radiohead , Radiohead and the Resistant Concept Album Marianne Tatom Letts, 2010-11-08

How the British rock band Radiohead subverts the idea of the concept album in order to articulate themes of alienation and anti capitalism is the focus of Marianne Tatom Letts's analysis of *Kid A* and *Amnesiac*. These experimental albums marked a departure from the band's standard guitar driven base layered with complex production effects. Considering the albums in the context of the band's earlier releases, Letts explores the motivations behind this change. She places the two albums within the concept album/progressive rock tradition and shows how both resist that tradition. Unlike most critics of Radiohead who focus on the band's lyrics, videos, sociological importance or audience reception, Letts focuses on the music itself. She investigates Radiohead's ambivalence toward its own success as manifested in the vanishing subject of *Kid A*. On these two albums

Fifty Years of the Concept Album in Popular Music Eric Wolfson, 2023-12-28

The concept album is one of popular music's most celebrated and misunderstood achievements. This book examines the untold history of the rock concept album from The Beatles to Beyoncé. The roots of the concept album are nearly as old as the long playing record itself as recording artists began using the format to transcend a mere collection of songs into a listening experience that takes the listener on a journey through its unifying mood, theme, narrative or underlying idea. Along the way, artists as varied as the Moody Blues, Jimi Hendrix, Joni Mitchell, Pink Floyd, Parliament, Donna Summer, Iron Maiden, Radiohead, The Notorious B.I.G., Green Day, Janelle Monáe and Kendrick Lamar created albums that form an extended conversation of art and music. Limits were pushed as the format grew over the subsequent eras. Seminal albums like the Beatles' *Sgt. Pepper's Lonely Hearts Club Band*, the Who's *Tommy*, Marvin Gaye's *What's Going On* stand alongside modern classics like Liz Phair's *Exile in Guyville*, Kendrick Lamar's *good kid m.A.A.d city* and Beyoncé's *Lemonade*. Mixing iconic albums with some newer and lesser known works makes for a book that ventures into the many sides of a history that has yet to be told until now.

Radiohead FAQ Dan Caffrey, 2021-03-15

No band in recent history has divided listeners' opinions as much as Radiohead. Are they the Beatles of the

twenty first century or is their music just pretentious overly melancholic and sometimes boring Musician pop culture critic and playwright Dan Caffrey wasn't always a Radiohead fan but that all changed one Chicago winter when he suddenly found their album *In Rainbows* to be a welcome source of sonic warmth An extension of Caffrey's deep but often cautious love for the band Radiohead FAQ presents a fittingly sideways look at what he's dubbed the world's most famous cult band Inside these pages readers will find the essentials of the Radiohead story along with deep dives into seldom explored topics from the humor surrounding the band's music to the numerous hip hop artists who have sampled their songs Each chapter is devoted to a band member plus their producer and sixth member Nigel Godrich revealing comprehensive biographical details about each person The end result is a book custom made for casual Radiohead fans and obsessives alike filled with little known facts new ways of looking at their music and like any music book worth its salt maddening opinions

Radiohead and the Journey Beyond Genre Julia Ehmann, 2019-10-21 Radiohead and the Journey Beyond Genre traces the uses and transgressions of genre in the music of Radiohead and studies the band's varied reception in online and offline media Radiohead's work combines traditional rock sounds with a unique and experimental approach towards genre that sets the band apart from the contemporary mainstream A play with diverse styles and audience expectations has shaped Radiohead's musical output and opened up debates about genre amongst critics fans and academics alike Interpretations speak of a music that is referential of the past but also alludes to the future Applying both music and discourse analytical methods the book discusses how genre manifests in Radiohead's work and how it is interpreted amongst different audience groups It explores how genre and generic flexibility affect the listeners search for musical meaning and ways of discussion This results in the development of a theoretical framework for the study of genre in individual popular music oeuvres that explores the equal validity of widely differing forms of reception as a multidimensional network of meaning While Radiohead's music is the product of an eclectic mixture of musical influences and styles the book also shows how the band's experimental stance has increasingly fostered debates about Radiohead's generic novelty and independence It asks what remains of genre in light of its past or imminent transgression Offering new perspectives on popular music genre transgression and the music and reception of Radiohead the book will appeal to academics students and those interested in Radiohead and matters of genre It contributes to scholarship in musicology popular music media and cultural studies

[Diary of a Mad Nomad: Lost in the Notes of Radiohead](#) Pasquale De Marco, In the realm of alternative rock Radiohead stands as a beacon of innovation experimentation and sonic excellence This book delves into the rich history of the band tracing their evolution from a promising local act to global superstars With in depth analysis of Radiohead's groundbreaking albums from the raw energy of *Pablo Honey* to the experimental soundscapes of *Kid A* and *Amnesiac* this book sheds light on the band's unique approach to songwriting their mastery of sonic textures and their ability to connect with audiences on a profound level Beyond their music Radiohead's impact extends to the cultural and social landscape Their songs have tackled themes of alienation

technology and the human condition resonating with listeners worldwide Their activism and commitment to social justice have earned them widespread admiration while their innovative approach to music distribution has challenged traditional industry norms This book is an immersive journey into the world of Radiohead a celebration of their artistry and a testament to their enduring legacy It is a must read for fans of the band music enthusiasts and anyone seeking a deeper understanding of one of the most important and influential bands of our time Radiohead s music has transcended generations inspiring countless artists and leaving an indelible mark on the history of rock music Their ability to evolve and reinvent themselves while maintaining their artistic integrity has solidified their status as one of the most significant and enduring bands of the modern era This book is a comprehensive exploration of Radiohead s music their creative process and their impact on the world It is a tribute to their artistry and a testament to their enduring legacy If you like this book write a review

Radiohead: A New Perspective on Their Music and Art Pasquale De Marco, In the ever evolving landscape of contemporary music Radiohead stands as a band that has consistently defied expectations and pushed the boundaries of artistic expression This book offers a fresh perspective on the band s music and art delving into the intricacies of their creative journey and examining their enduring legacy From their early days as a conventional rock band to their groundbreaking experimentation with electronic soundscapes Radiohead has consistently demonstrated a willingness to embrace new ideas and challenge musical conventions This book traces the band s musical evolution showcasing the key moments in their career that have solidified their status as one of the most influential bands of the modern era Beyond their music Radiohead has also made significant contributions to the visual arts Their album covers music videos and live performances are all carefully crafted works of art that complement and enhance their music This book analyzes the band s visual aesthetic shedding light on the creative vision behind their artistic endeavors Furthermore this book explores Radiohead s relationship with their fans their influence on popular culture and their role in the ever changing music industry It also examines the band s creative process their approach to songwriting and recording and their willingness to embrace new technologies and artistic challenges Through in depth analysis and insightful commentary this book provides a comprehensive examination of Radiohead s music art and cultural significance It is an essential read for fans of the band music enthusiasts and anyone interested in the intersection of art and technology Key Features Explores Radiohead s musical evolution from their early days as a conventional rock band to their groundbreaking experimentation with electronic soundscapes Analyzes the band s visual aesthetic examining their album covers music videos and live performances as works of art Delves into Radiohead s relationship with their fans their influence on popular culture and their role in the ever changing music industry Examines the band s creative process their approach to songwriting and recording and their willingness to embrace new technologies and artistic challenges If you like this book write a review **SPIN** ,1998-01 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical
