[This Strange Loneliness](#) Peter Mackay,2021-04-15 This Strange Loneliness is the first comprehensive account of the poetic relationship between Seamus Heaney and William Wordsworth Peter Mackay explores how Heaney repeatedly turns to the Romantic poet s work for inspiration corroboration and amplification and as a model for the fortifying power of poetry itself which offers the fundamental lesson that it is on this earth we find our happiness or not at all Through an in depth look at archival materials and at uncollected poems and prose by Heaney Mackay traces the evolution of Heaney s readings of Wordsworth throughout his career revealing their shared interest in the connections between poetry and education the possibility of a beneficial understanding of poetic influence the complexities of place and displacement ideas of transcendence and ultimately the importance of late style later poems by Wordsworth might prove a cautionary tale as well as example for any poet Placing Heaney s readings within their political historical and poetic contexts the book also explores how he negotiated the complex relationship between Irish and British culture and identity to claim a persistent form of kinship and forge a strange community with the Romantic poet With illuminating readings that reveal new contexts to and currents in Heaney s work This Strange Loneliness is a powerful evocation of the Irish poet s sense of the uplift that poetry can provide

Ready to Trample on All Human Law Paul A. Jarvie,2014-02-04 This book explores the relationship between Dickens s novels and the financial system Elements of Dickens s work form a critique of financial capitalism This

critique is rooted in the difference between use value and exchange value and in the difference between productive circulations and mere accumulation. In a money based society exchange value and accumulation dominate to the point where they infect even the most important and sacred relationships between parts of society and individuals. This study explores Dickens's critique from two very different points of view. The first is philosophical from Aristotle's distinction between chrematistic accumulation and economic use on money through Marx's focus on the teleology of capitalism as death. The second view is that of nineteenth century financial journalism of City writers like David Morier Evans and M L Meason who while functioning as cheerleaders for financial capitalism also reflected some of the very real dis ease associated with capital formation and accumulation. The core concepts of this critique are constant in the novels but the critique broadens and becomes more pessimistic over time. The ill effects of living in a money based society are presented more as the consequences of individual evil in earlier novels while in the later books they are depicted as systemic and pervasive. Texts discussed include *Nicholas Nickleby*, *A Christmas Carol*, *Little Dorrit* and *Our Mutual Friend*. **River Woman, River**

B. Yeats Daniel Tompsett, 2018-06-13 Unlocking the Poetry of W B Yeats undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art Yeats, 1991 *The Poisoners* Marjorie Bowen, 2022-11-22 The Poisoners by Marjorie Bowen is about the newly hired lieutenant Charles Desgrez and a group of female poisoners who are conducting witchcraft and
