Collected Poems of Anna Seward Volume 2 Lisa L. Moore, 2015-09-07 This critical edition of the poems of Anna Seward 1742-1809 re-establishes one of the most popular and prolific poets of the early Romantic period. Her work influenced Charlotte Smith and Mary Robinson and later both Wordsworth and Coleridge. Her reputation was so high that Sir Walter Scott edited the posthumous edition of her poems in 1810. Unlike Scott's this edition reproduces the poems as they were first published in periodicals and collections during Seward's lifetime, allowing scholars to experience them as eighteenth-century readers did. It also includes more than 200 poems that were excluded from the Scott edition. Select Poetry, Chiefly Devotional, of the Reign of Queen Elizabeth Edward Farr, 2024-04-23 Reprint of the original first published in 1845

Select Poetry Edward Farr, 1845 Rigor of Beauty Ian D. Copestake, 2004 William Carlos Williams is widely acknowledged to be among the most important American poets of the twentieth century. This collection includes sixteen new essays from many of the world's leading authorities on Williams and is published to commemorate the fortieth anniversary of his death in 1963. The volume contains fresh assessments of the nature and extent of Williams's profound and enduring impact on contemporary American poetic traditions while providing a platform for appraising the neglected achievement of Williams as a writer of fiction and short stories. In doing so, these and other essays highlight the nature and importance of Williams's relationship to working-class life in twentieth-century America. Additionally, the volume groups together studies focusing on the enduring legacy of Williams's long poem *Paterson* and essays which revise Williams's perceived neglect of African American and Native American culture and history. **Collected Poems** Lesbia Harford, 2014 Lesbia Harford 1891-1927 has occupied only a small place in Australian literary history. For decades she was utterly forgotten yet when she died at 36 she left behind three notebooks containing some of the finest lyric poems ever written in Australia. Harford's writing looks both forwards and backwards, blending Pre-Raphaelite influences and plain speaking with unusual subtlety. At the same time she was bound inextricably to the period in which she lived. War in Europe, changing attitudes to religion, the suffrage movement and widespread social upheaval all helped make her one of the first truly modern urban figures in Australian poetry. Of the nearly 400 poems in manuscript, just over half are reproduced in this present collection. Of these, roughly one-third have not appeared in print before. **Collected Poems of Thomas Parnell** Thomas Parnell, 1989 This edition is the first to establish a reliable text of the poems of Thomas Parnell 1679-1718. Based on a study of all the available manuscripts, including an extensive collection in the poet's family, and authoritative edition, it more than doubles the number of poems known to be Parnell's and represents the first publication of some of his works. **Select Poetry, Chiefly Devotional, of the Reign of Queen Elizabeth** Edward Farr, 1845 **The Collected Poems of Lord Byron** George Gordon Byron, 1994 This volume comprises the complete poetic works of Byron, as well as including such works as *Childe Harold*, *Don Juan*, *The Two Foscari*, *The Lament of Tasso* and *The Vision of Judgement*; it also contains his shorter lyrical poems. **Select Poems of Sidney Lanier** Sidney Lanier, 1899 **Later Poems** Adrienne Rich, 2013 Presents a selection of poetry that draws from
