Rainas Story:

Angels in Pink: Raina's Story Lurlene McDaniel, 2006-10-10 Raina is happy and relieved that her friends Kathleen and Holly found volunteering at the hospital rewarding. They loved their summers at the hospital so much they will be working for credit during their junior year. Raina is also looking forward to spending as much time as possible with Hunter during their last year of high school together. Kathleen is still dating Carson but they are at different schools and she's worried it won't last. And poor Holly's still waiting for her parents to let up on their rules so she can actually go out on a date. Everything is going well until Raina's old boyfriend Tony shows up and threatens to ruin the thing that matters to Raina the most: her relationship with Hunter. But she isn't the only one with a secret. When Raina's mother reveals her family secret, Raina feels betrayed. Luckily she has Holly and Kathleen to lean on. Tan, 2017-10-06 **Gusty Lovers and Cadavers (A Raina Sun Mystery)** Anne R. Tan, 2015-05-11 Gusty winds and a trail of destruction. Graduate student Raina Sun thought she knew what she was getting herself into when she volunteered to take the new foreign exchange student shopping on the last weekend before Christmas. But between a riot for the last hot toy of the season and an abandoned baby, the holiday is a season for mayhem and sometimes it doesn't pay to be a Good Samaritan. Raina wants to reunite the infant with his family, but calling the mysterious phone number in the diaper bag leads to more questions than answers. A strange man claims to be the child's father and his alleged mother turns up dead. The local police are more interested in keeping the town's good name out of international news than considering if there's foul play. And to make matters worse, she has less than a week to find his real parents before the FBI takes over the case. Raina summons her sleuthing skills to protect this baby and soon discovers everyone has a few skeletons in their closets. With her pimp cane toting grandma, she faces an ex-boyfriend bringing sexy back as well as a murderer determined to hide the truth. Don't miss out on Raina's new adventure. Get your copy today. Gender and Medieval Mysticism from India to Europe Alexandra Verini,Abir Bazaz,2023-09-29 This book opens up a dialogue between pre-modern women identified as mystics in diverse locations from South Asia to Europe It considers how women from the disparate religious traditions of Hinduism Islam and Christianity expressed devotion in parallel ways The argument is that women's mysticism demands to be compared not because of any essential female experience of the divine but because the parallel positions of marginalization that pre-modern women experienced led them to deploy intimate encounters with the divine to speak publicly and claim authority The topics covered range from the Sufi devotional tradition of Sidi Indians of African ancestry to the Bhakti poet Mirabai and the nuns of Barking Abbey Collectively the chapters show how mysticism allowed premodern women to speak and act by unsettling traditional gender roles and expectations for religious behavior At the same time as uncovering connections the juxtaposition of women from different traditions serves to highlight distinctive features The book draws on a range of disciplinary expertise and will be of particular interest to scholars of medieval religion and theology as well as history and literary studies
