Rainbow After Dusk: Lim Tze Peng Remembers Tai Ho

Woon, 2023-06-05 Dusk is that brief period of the day before nightfall But when a rainbow appears after dusk it is special almost a divine apparition The phenomenon though rare is not science fiction Rainbows do appear after dusk This unusual story is a celebration of mind over matter life over death and love over fear Rainbow after Dusk builds on Soul of Ink to continue telling the Lim Tze Peng story shifting the focus to the artist s most important works starting with his Kampong series to Chinatown and then his all important Singapore River works Told with brushes and paints the colours used in the narrative give his story a unique visual power In many ways his works act as a record of the life and time of a Singapore that no longer exists Through honest and sometimes heart wrenching interviews the artist tells his own life story through his artwork But the centenarian is not one to just reminisce This book also looks at how this artist forces himself into the present and now When his mobility is compromised when he can no longer paint on location his active and creative mind takes over The subjects stay the same but the approach to these subjects is entirely conceptual and imaginary No longer a prisoner to what lies before him he allows his mind to remember and see in vivid colours More important he releases the mind to his heart He wants his audience to feel what he paints not just see what is before them Thomas Pynchon in Context Inger H.
