Rainbows from Revelation Jim Combs, 1994-05-01

The Revelation Rainbow Charles Walter Doughty, 2016-07-19

This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion

Understanding The Apocalypse Father Aquinas, 2012 Join with us as we look into some of the mysteries of the Apocalypse To The Reader Many interpretations have been attempted in understanding the Book of Revelation What is meant by The Revelation of Jesus Christ Apoc 1 1 Seal up the words Why are the words sealed to unbelievers and to the incredulous Why are the words open to those very few who believe Who are the seven kings Who is the eighth king What does it mean by Blessed are they that wash their robes in the Blood of the Lamb that they may have a right to the Tree of Life and may enter in by the gates into The City Apoc 22 14 Saint John saw the Holy City the New Jerusalem coming down out of Heaven from God Apoc 21 2 Because he saw this then the question arises Did Saint John write this prophecy in the 21st Century looking back on time Join with us as we look into some of the mysteries of the Apocalypse

Understanding Apocalyptic Terrorism Frances L. Flannery, 2015-08-20 This book explores a cross cultural worldview called radical apocalypticism that underlies the majority of terrorist movements in the twenty first century Although not all apocalypticism is violent in its extreme forms radical apocalypticism gives rise to terrorists as varied as members of Al Qaeda Anders Behring Breivik or Timothy McVeigh In its secular variations it also motivates ideological terrorists such as the eco terrorists Earth Liberation Front or The Unabomber Ted Kaczynski This book provides an original paradigm for distinguishing between peaceful and violent or radical forms of apocalypticism and analyses the history major transformations and characteristics of the apocalyptic thought system Using an inter disciplinary and cross cultural approach this book discusses the mechanisms of radicalization and dynamics of perceived oppression and violence to clarify anew the self identities motivations and goals of a broad swath of terrorists As conventional counter terrorism approaches have so far failed to stem the cycle of terrorism this approach suggests a comprehensive cultural method to combating terrorism that addresses the appeal of radical apocalyptic terrorist ideology itself This book will be of

much interest to students of apocalypticism political violence terrorism and counter terrorism intelligence studies religious studies and security studies Jeanne Guyon's Apocalyptic Universe Jeanne de la Mothe Guyon,2019-03-14 In seventeenth century France Jeanne Guyon 1648 1717 writes about the suffering of the apocalypse followed by the consummation of the second coming Guyon believed that in our earthly pilgrimage we may find the way to union with our Savior Jesus Christ To read her commentary on Revelation translated into English here for the first time is to be caught up in her conversation with the living Lord We experience the wonder and passion of this conversation which is her authenticity at its highest level As Guyon expresses her love to Jesus Christ the words carry the attentive reader into the heart of God while deepening our own interior being In her commentary on Revelation Guyon interprets Jesus Christ's grace needed for living faithfully during the time of suffering in the apocalypse before the advent of the new heaven and new earth in which believers experience eternal union with God Guyon writes It is your universal reign that I desire O God and about which I am passionate So come Lord Jesus Let the grace of the Lord Jesus prepare us all for the second coming Amen *The Pith of the Apocalypse* Paul A. Rainbow,2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding *The Visions of the Apocalypse and Their Lessons* ,1893 **Apocalypse** Robert H.
