Rainbows Roller Coasters:

The Roller Coaster Rainbow Diana J.A Molyneaux, 2014-04-18 Journey on a roller coaster ride with Mother Nature's friendly rainbow Watch as Elijah's rainbow pal comes alive and allows him to enjoy nature and friends from far above Elijah lives far away from everyone but on one rainy day he goes on an exciting journey with his new found pal Depending on the weather from that day onwards the Roller Coaster Rainbow takes him to play as often as he can Elijah never has another lonely day at his house on the steep hill again Rainbows & Roller Coasters Glenn Hass, 1995 **Rosezinda** John F. Parker, 2003-06-23 Rosezinda Riding Rainbows is a fanciful tale that literally starts out with a bang Within seconds of being struck by a speeding van Cora a plucky outspoken 13 year old is taken on the thrill ride of her young life Arriving in a new reality called E and renamed Rosezinda she encounters a collection of colorful individuals who take her on a series of hair raising adventures This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending I didn't want to put it down until I had read the last word even then I found myself turning the page wanting more The evocative imagery and eccentric characters are worthy of a Spielberg movie especially the wonderful basketball game which is unlike any basketball game the reader could ever imagine Though the story's intended audience is children who I believe will be entranced by it it may be enjoyed on multiple levels by older readers Parents may wish to read Rosezinda Riding Rainbows with their children and discuss some of the provocative questions it brings up I'm anxious to read more of Rosezinda's adventures I applaud Parker on his originality and creativity Linda R Thompson Ed D Director of Student Support Services Harding University Arkansas John Parker's book is exciting because it includes the things that are important in life When I grow up I will make a movie out of it if there isn't one by then 12 year old Alex in grade six Vancouver BC Parker has created a wonderful magical world that is totally against the reader's perception of reality but which seems entirely plausible Monique Trottier Raincoast Publishers I predict that Rosezinda will become a classic Dr Jennifer Hurd Senior Consultant Houghton Mifflin I can size Rosezinda up in one word BRILLIANT R Rudolph Harmony House Publishers More Praise for Rosezinda inside Candy Crisis Cavan Scott, 2026-01-01 After agreeing to test out the new Rainbow Roller ride Emily Jacob and Frank find themselves in a land of sugary treats At first everything is wonderfully delicious and they gobble up all the sweets they can find But when an angry mob of talking gummy bears seeks revenge the friends must use their wits to escape a sticky trap *Rainbow's Expressions and Observations Or Only Visiting This Planet in Search of a Brain Or I Know the Answer's 42, But What's the Piggin' Question?* Rainbow, 2006-11 Born the youngest of three in London England Rainbow has always been an Americaphile loving all things American especially chrome and fins on cars At 15 he left academia and enrolled in the University of Life He traveled to America in the a70s and again in the a80s although that rock and roll dream ended in him returning to England totally broke and alone He turned for comfort and companionship to his ascratching pada and wrote always coming out in verse when the muse struck his expressions and

observations on what he fondly calls the upright biped species that infect this planet as well as his own thoughts and experiences He slowly became convinced that he was not from this planet even if that only meant he seemed alien to most people However U S Immigration finally confirmed it when they stamped his passport as a legal permanent resident and issued him with his official alien number Thank you U S A Now it's official I come in peace but please don't take the peace

A Rainbow in My Heart Russell Brandon,2013-07-30 Its starting to get to me Almost daily we hear about acts of violence towards women and children It was some of the worst examples of this that motivated me to start writing this book There are more motivations They are mostly things that society has become accepting of because they seem to be the norm They are the things that make me want to shout Hey this is wrong We shouldnt just accept it because everyone else is doing it And there are so many things I want to tell my grandchildren about navigating a path through life that follows the example Jesus set Mostly they are about avoiding a lifetime of mistakes the same mistakes I made But what kid wants to listen to a lecture by an old man regardless of how much they love him After all he belongs to a bygone era and doesnt really understand what its like to grow up in these modern times So I have composed a little story that allows me to share an old mans advice with his grandchildren and yours and all their parents as well Its a story of friendship love and loss in a modern era in fact whichever era they are growing up in I know it is an ageless story because it talks about living a life that simply follows the example that Jesus set over two thousand years ago It has not changed in all that time and will not change until He comes again Its all about doing life in a broken world but living a life that makes a difference
