Gustave Caillebotte as Worker, Collector, Painter Samuel Raybone, 2020-09-17 Gustave Caillebotte was more than a painter he collected and researched postage stamps designed and built yachts administered and participated in the sport of yachting collected paintings cultivated and collected rare orchids designed and tended his gardens and engaged

in local politics Gustave Caillebotte as Worker Collector Painter presents the first comprehensive account of Caillebotte's manifold activities. It presents a completely new critical interpretation of Caillebotte's broad career that highlights the singular salience of work and which intersects histories and theories of visual culture, ideology and psychoanalysis. Where the recent art historical rediscovery of Caillebotte offers multiple narratives of his identification with working men, this book goes beyond them towards excavating what his work was in its own terms. Born to an *haut bourgeois* milieu in which he was never completely comfortable and assailed by traumatic familial bereavements, Caillebotte adopted and adapted the ideologically normative category of work for his own purposes, deconstructing its ostensibly class determinate parameters in order to bridge the chasm of his social alienation. **Cat Lover's Daily Companion** Kristen Hampshire, Iris Bass, Lori

Daily Companion , My Father's Dragon (Illustrated) Ruth Stiles Gannett, 2019-06-24 My Father's Dragon is a children's novel about a young boy Elmer Elevator who runs away to Wild Island to rescue a baby dragon. The narrative mode is unusual in that the narrator refers to the protagonist only as my father, giving the impression that this is a true story that happened long ago. The novel was made into an anime film titled Elmer's Adventure My Father's Dragon alongside a new animated film to be released in 2021 on Netflix. Excerpt: One cold rainy day when my father was a little boy, he met an old alley cat on his street. The cat was very drippy and uncomfortable, so my father said, "Wouldn't you like to come home with me?" This surprised the cat; she had never before met anyone who cared about old alley cats, but she said, "I'd be very much obliged if I could sit by a warm furnace and perhaps have a saucer of milk."
