River For Christmas And Other Stories:

A River for Christmas, and Other Stories Ernest George Schwiebert, 1988 Fifteen tales by America's best known flyfisherman

Sarah Carlisle's River and Other Stories Cynthia Lang, 2012-06 In Cynthia Lang's collection of nine short stories it becomes apparent that a legacy is not always as tangible as a mahogany chest or a summer cabin or even predetermined much less recognized by those giving or receiving Devoid of weight of volume some legacies take up no room at all On a journey for instance nothing may change hands but the tickets Traveling through the lives of intriguing and oftentimes enlightening characters nine characters each inheriting a legacy and collectively handing one on to the reader composed of remnants from past lives a natural history that has the power to reveal current truths and predict future realities Page 4 cover

A River Runs Through It and Other Stories, Twenty-fifth Anniversary Edition Norman Maclean, 2009-08-14 Just as Norman Maclean writes at the end of *A River Runs through It* that he is haunted by waters so have readers been haunted by his novella A retired English professor who began writing fiction at the age of 70 Maclean produced what is now recognized as one of the classic American stories of the twentieth century Originally published in 1976 *A River Runs through It and Other Stories* now celebrates its twenty fifth anniversary marked by this new edition that includes a foreword by Annie Proulx Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century As a young man he worked many summers in logging camps and for the United States Forest Service The two novellas and short story in this collection are based on his own experiences the experiences of a young man who found that life was only a step from art in its structures and beauty The beauty he found was in reality and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand and foot without power saws cats or four wheel drives Populated with drunks loggers card sharks and whores and set in the small towns and surrounding trout streams and mountains of western Montana the stories concern themselves with the complexities of fly fishing logging fighting forest fires playing cribbage and being a husband a son and a father By turns raunchy poignant caustic and elegiac these are superb tales which express in Maclean's own words a little of the love I have for the earth as it goes by A first offering from a 70 year old writer the basis of a top grossing movie and the first original fiction published by the University of Chicago Press *A River Runs through It and Other Stories* has sold more than a million copies As Proulx writes in her foreword to this new edition In 1990 Norman Maclean died in body but for hundreds of thousands of readers he will live as long as fish swim and books are made

Grampa's Favorite Rock and Other Stories Roger M. Woodbury, 2013-03-27 A collection of serious and not so serious short stories from the coast of Maine Some of these stories are intended to amuse and some may touch a chord and bring a tear But they are all intended to help pass some leisure time perhaps while waiting for the kids to get home from

school or the even the winter to pass into spring No guarantee is given concerning the political correctness of any of these stories but when reading one should remember that some people actually enjoy satire And for those who do not the author humbly submits that perhaps those who can't laugh at history may be worrying about the wrong things Christmas Roses and Other Stories Anne Douglas Sedgwick, 2019-12-20 In *Christmas Roses and Other Stories* Anne Douglas Sedgwick crafts a tapestry of short narratives that explore the nuances of human connection during the holiday season With a keen eye for detail and a lyrical prose style Sedgwick weaves elements of both the mundane and the magical illustrating how moments of grace can emerge amid the chaos of everyday life Set against a backdrop of early 20th century societal changes her stories reflect a rich literary tradition that echoes the works of contemporaries such as E M Forster and Virginia Woolf breathing warmth into the chill of winter narratives with a blend of realism and gentle mystique Anne Douglas Sedgwick was a prominent early 20th century novelist and short story writer whose works often addressed themes of domesticity social change and emotional complexity Growing up in a family that valued literature and the arts Sedgwick's upbringing in both America and England informed her cross cultural insights and appreciation for storytelling This dual perspective enabled her to infuse her narratives with both American pragmatism and British charm reflecting the intricacies of modern life *Christmas Roses and Other Stories* is a delightful collection perfect for readers seeking warmth during the festive season Sedgwick's ability to convey profound emotions with elegance makes these stories resonate long after the pages are turned This book invites you to embrace the spirit of giving connection and the subtle beauty found in everyday moments *The River of Life, and Other Stories* A.
