LIAISON Joyce Wadler, 2011-08-24 Tragic operatic touching and hilarious Liaison is about romantic love in its purest craziest form proof anew that the greatest erogenous zone is the mind Shana Alexander The true story that inspired David Hwang s play *M Butterfly* about a French diplomat Bernard Boursicot posted to Peking who fell in love with a seductive opera singer named Shi Pei Pu apparently unaware that Pei Pu was a man Their liaison produced a son and led them into espionage and finally to gaol in France Joyce Wadler spent four years researching the story and finally persuaded Boursicot to break his silence and explain his side of the story NOTE This edition does not include photos *Liaison*, 1918 *Boat Trains: The English Channel & Ocean Liner Specials* Martyn Pring, 2021-01-18 A study of the specialty train including its history development and operation beginning at the end of the nineteenth century In many ways this title featuring the evolution of cross channel boat trains and the many dedicated services responsible for moving international passengers to and from trans Atlantic steamers is an extension of luxury railway travel But that s not the full story as it encapsulates more than 125 years of independent and organised tourism development At the end of the nineteenth century faster and more stable twin screw vessels replaced cross channel paddlers resulting in a significant expansion in the numbers of day excursionists and short stay visitors heading to Belgium France and the Channel Islands Continental Europe as it had done since the end of the Napoleonic Wars beckoned introducing ideas of modern day mass tourism Numerous liners bestriding the globe were British domiciled Major ports became hives of commercial activity involving moving freight and mail as well as transporting all manner of travellers Not only was there intense competition for passenger traffic between the Old and New World and Britain s imperial interests greater numbers of well heeled tourists headed off to warmer winter climes and also experimented with the novel idea of using ocean steamers as hotels to visit an array of diverse destinations Cruise tourism and the itinerary had arrived as Ocean Special boat trains became essential components of railway and port procedures Whilst some railway operations were dedicated to emigrant traffic continental and ocean liner boat trains were also synonymous with the most glamorous travel services ever choreographed by shipping lines and railway companies working closely in tandem This well illustrated book explores the many functions of boat train travel This book should appeal to the rail fan the ship enthusiast the connoisseur of travel posters and those interested in the business of transportation I

know of nowhere else one can find so much information on boat train operation in one book Well worth a read by anyone interested in the interconnectivity of different means of public transportation Charles H Bogart Steamship Historical Society of America

Wheeler, 2015-10-16 General Jacob L. Devers 1897-1979 was one of only two officers the other was Omar C. Bradley to command an army group during the decisive campaigns of 1944-1945 that liberated Europe and ended the war with Nazi Germany After the war Devers led the Army Ground Forces in the United States and eventually retired in 1949 after forty years of service Despite incredible successes on the battlefield General George C. Marshall's dependable man remains one of the most underrated and overlooked figures of his generation In this definitive biography James Scott Wheeler delivers a groundbreaking reassessment of the American commander whose contributions to victory in Europe are topped only by General Dwight D. Eisenhower's Wheeler's exhaustively researched chronicle of Devers's life and career reveals a leader who demonstrated an extraordinary ability to cut through red tape and solve complex problems Nevertheless Eisenhower disliked Devers a fact laid bare when he ordered Devers's Sixth Army Group to halt at the Rhine After the war Eisenhower's and Bradley's accounts of the generals' disagreements over strategy and tactics became received wisdom to the detriment of Devers's reputation An essential contribution to twentieth-century history Jacob L. Devers provides a fresh and nuanced interpretation of the senior command during World War II and offers a new perspective on a highly accomplished soldier

Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam *Vietnam War Slang* outlines the context behind the slang used by members of the United States

Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang The Royal Navy in Eastern Waters Andrew Boyd, 2017-03-30 How British naval power in the Indian Ocean played a critical early role in WWII Commands the reader's attention a history game changer Warship Naval Books of the Year This new work tells the compelling story of how the Royal Navy secured the strategic space from Egypt in the west to Australasia in the East through the first half of the Second World War and explains why this contribution made while Russia's fate remained in the balance and before American economic power took effect was so critical Without it the war would certainly have lasted longer and decisive victory might have proved impossible After the protection of the Atlantic lifeline this was surely the Royal Navy's finest achievement the linchpin of victory The book moves authoritatively between grand strategy intelligence accounts of specific operations and technical assessment of ships and weapons It challenges established perceptions of Royal Navy capability and will change the way we think about Britain's role and contribution in the first half of the war The Navy of 1939 was stronger than usually suggested and British intelligence did not fail against Japan Nor was the Royal Navy outmatched by Japan coming very close to a British Midway off Ceylon in 1942 And it was the Admiralty demonstrating a reckless disregard for risks that caused the loss of Force Z in 1941 The book also lays stress on the key part played by the American relationship in Britain's Eastern naval strategy Superbly researched and elegantly written it adds a hugely important dimension to our understanding of the war in the East *Resistance and Liberation* Douglas Porch, 2024-01-25 New history of la France libre Vichy collaboration and the resistance from the campaigns in Tunisia and Italy to Liberation Patton's Peers John A. English, 2009-02-05 Covers Canadian Harry Crerar Briton Miles Dempsey Frenchman Jean de Lattre de Tassigny and the Americans Courtney Hodges William Simpson and Alexander Patch History of the campaign for northwest Europe including the race across France the liberation of the channel

ports the battles of the Huertgen Forest and the Bulge crossing the Rhine the climactic battle for Germany and more Corrects the historical misperception that Patton contributed more to victory than other generals Assesses commanders individual performances Impressively researched in primary and secondary sources New interpretations and an entertaining narrative will appeal to both general readers and scholars Through the force of his personality and the headline grabbing advance of his U S Third Army Gen George S Patton has eclipsed the other six men who like him led field armies in the great Allied campaign to liberate northwest Europe in 1944 45 Certain to rank among the lassics of World War II history like Eisenhower s Lieutenants by Russell Weigley Patton s Peers presents a masterful reassessment of the eleven month struggle from D Day to Germany s surrender shedding long overdue light on the contributions of these forgotten Allied field army commanders Seasoned military historian John A English unearths the vital roles played by these six generals As the leader of an army of several hundred thousand troops each had to plan operations days and eeks in advance coordinate air support assess intelligence give orders to corps commanders manage a staff of sometimes difficult subordinates and deal with superiors like Eisenhower Bradley and Montgomery Some performed less ably than the rest while others rivaled Patton in their achievements All deserve to be lifted from Patton s shadow *Ultimate Sacrifice* Lamar Waldron,Thom Hartmann,2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews *Ultimate Sacrifice* re creates and in many ways rewrites the crucial period of our history leading up to November 22 1923 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from ant previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA s code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and them one in Tampa on November 18 which *Ultimate Sacrifice* reveals for the first time in any book *Ultimate Sacrifice* has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work

of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams
