Another was cast in the performance during which Abraham Lincoln was assassinated. One took her stage name from her native state. Some modern day stars also began their careers on Broadway before appearing in films. This book details the careers of 300 performers who went from stage to screen in all genres of film. A few made only a single movie; others, hundreds. Each entry includes highlights of the performer's career, a list of stage appearances, and a filmography. *Sweet and Lowdown* Warren Craig, 1978 Brief biographies of songwriters with lists of songs and of the shows or films in which the songs were first presented. Also, numerous musicals written specifically for television appear throughout, and many entries follow a work, *Babes in Toyland*, for example, as it moves across genres from stage to film to television.
