J. Wray,2016-03-02 Good Girls Bad Girls of the New Testament takes readers on a powerful journey through the vast landscape of Roman occupied Judea during the first century and the genesis of Christianity This landscape serves as the backdrop for twelve amazing stories of women whose paths intersect either by providence or design with the paths of Jesus or Paul Some of these women are familiar such as Mary the mother of Jesus while others like the wife of the infamous Pontius Pilate are lesser known Whether she is popular or obscure good or bad each woman s story is an important part of the overall Christian narrative Good Girls Bad Girls of the New Testament invites readers to take a more nuanced look at twelve stories that feature women to explore their lives more deeply in historical context and to understand the real story that includes both men and women The book goes beyond simply telling the story of a particular biblical woman to challenge readers to explore the enduring lessons the ancient writers sought to impart These timeless lessons are as important for us today as they were thousands of years ago      A Little about A Lot Jeffrey Posnick,2023-12-29 Did you know you can change someone s opinion about you by being nice to them Or that a business should first establish trust with its employees before it does so with its customers And you may think you want that job more than anything but you shouldn t want it badly enough to violate your conscience These are just a few small samplings of the kinds of wisdom packed inside A Little About a Lot Whether you re a student of life or just curious about things author Jeffrey Posnick s eclectic treasure of more than two hundred short topics from human behavior to the economy to the arts has something for everyone All that is needed is a curious mind and a desire to learn So step away from yourself and pay attention to the details A Little About a Lot will help you along that journey of learning new things and hopefully you will discover more about yourself in the process      **A Narrative Compass** Betsy Gould Hearne,Roberta Seelinger Trites,2009 Exploring the narratives that orient the lives of women scholars      **The Art of God** Christopher Irvine,2005      *Matthew's Transfiguration Story and Jewish-Christian Controversy* A. D. Moses,1996-02-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew s Gospel It demonstrates that Matthew s account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter s witness to Jesus transfiguration      Convinced?
