**Road to Holiness** Rev. Tijs Theijsmeijer, 2021-12-22 This book was written to help people grow closer to and participate more fully in their personal relationship with God The road to spiritual maturity is often a long and involved process which I believe is outlined for us in John's Gospel John says at the end of his Gospel in 20 21 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name The life he is talking about is our spiritual life Our spiritual life starts when we begin to truly believe in Jesus and accept him as our lord and Saviour It comes to ultimate fulfillment when we cross over from physical death into eternal life in Heaven In between is a long and often difficult but rich and involved journey On this Road to Holiness we learn many things We learn to give up old ways that are not life giving and to adopt a more deeply true spiritual outlook I believe we go through various stages that I have outlined in this book and as found in the Gospel We learn to recognize the presence of the Holy Spirit in our lives as wonderful new opportunities present themselves As we grow in our spiritual maturity we develop new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God's creation and creatures in a new way Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort As we gain a solid faith in our own worth in the sight of God we also begin to participate in the unfolding of the Kingdom of God in our midst This helps us to discover new ways to prepare for our eventual arrival into the Kingdom of Heaven The Road to Holiness E. W. Bullinger, 2018-11-05 Towards the end of the 19th Century E W Bullinger grew more and more concerned about incorrect teaching on holiness and how it was acquired Such teaching arose in certain new movements and appeared in articles in the Christian press of his day These studies were first written in the closing years of the 19th Century Thus what he refers to a The Modern Movement relates to what had arisen in the United Kingdom at that time However some of those errors of that Modern Movement persist today and so much of what he wrote then is relevant and helpful to 21st Century Christians

Navigating the Highway to Holiness Florence Koleszar, Michael Koleszar, 2014-11-24 WHERE ARE YOU ON THE HIGHWAY TO HOLINESS Being a Christian is more than just an instantaneous conversion it is a daily process whereby we grow to be more and more like Christ When we no longer desire to grow and please our Lord we stifle the work of the Holy Spirit by telling Him to move out from behind the steering wheel and into the back seat essentially telling Him we are happy to have Him along for the ride but we want to maintain control of our lives Christians are only as holy as they want to be John the Baptist addresses this thought head on when he said He must increase but I must decrease John 3 30 Here in this short scripture John identifies the main battleground for all Christians to become more like Christ while simultaneously conquering our sinful nature The church as a whole has pulled off of the Highway to Holiness into a rest area where we have become comfortable parked under the shade tree of contentment We have become satisfied with our spiritual growth telling ourselves that while we are not what we are suppose to be we are much better than what we use to be before Christ We have grown weary of battling our own flesh which has extinguished the passion and desire we once had to pursue holiness and righteousness However complacency with Christ is the graveyard where Christians go to die Supported by numerous scriptures Navigating the Highway to Holiness identifies areas within the church that have been weakened by false doctrine and the spirit of compromise while simultaneously challenging Christians to continually move towards perfection through the power of the Holy Spirit and by allowing Christ to assume His rightful place on the throne of our hearts Holiness ... Phoebe Palmer, 1859 Road To Holiness Rev. Tijs Theijsmeijer, 2018-10-15 The road to spiritual maturity is often a long and involved process that takes most people a lifetime to accomplish I have written this book based on the Gospel of John in the hopes of helping people find their way along the road to a richly rewarding experience of Christian maturity When we begin the journey by making a conscious decision to be a Christian person we make a decision that will eventually affect every aspect of our lives We each begin with a deeply varied background of ingrained cultural and family patterns that are not all in harmony with the teachings of Jesus These patterns need to be questioned and examined by the light of Jesus s teachings The writer of John s Gospel tells us that he wants us to have life in all its fullness a life that will be deeply rewarding not only for our lives now but also in the fullness of Heaven As we learn new ways of thinking and behaving rich possibilities open up for us Our prayer life transforms from a one sided monologue to a dialogue with God As we learn to recognize the presence and work of the Holy Spirit in our lives wonderful opportunities present themselves that we likely never dreamed would be possible for us to participate in As we grow in our spiritual maturity we develop a new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God's creation and creatures in ways that help us to know we are in total harmony with God Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort as we gain a solid faith in our own worth in the sight of God and begin to actively participate in

life your love story with and to God God is on the Road is designed to help the reader to slow down and spend time with God There are many aphorisms that stop the reader in his her tracks This book would make an excellent addition to the seminarian reading list Its many comparisons would provide some telling anecdotes for Sunday homilists This is an original thoughtful and helpful book Canon David Annear Ret Diocese of Plymouth United Kingdom **God's Way of Holiness** Horatius Bonar, 2016-04-25 THE WAY OF PEACE and the way of holiness lie side by side or rather they are one That which bestows the peace imparts the holiness and he who takes the one of these takes the other also The Spirit of peace is the Spirit of holiness The God of peace is the God of holiness If at any time these paths seem to go as under there must be something wrong in the teaching that makes them seem to part company or wrong in the state of the man in whose life they have done so They start together or at least so nearly together that no eye save the divine can mark a difference Yet properly speaking the peace goes before the holiness and is its parent This is what divines call priority in nature though not in time which means substantially this that the difference in such almost identical beginnings is too small in point of time to be perceived by us yet is it not on that account the less distinct and real The two are not independent There is fellowship between them vital fellowship each being the helpmeet of the other. The fellowship is not one of mere coincidence as in the case of strangers who happen to meet on the same path nor of arbitrary appointment as in the case of two parallel roads but of mutual help and sympathy like the fellowship of head and heart or of two members of one body the peace being indispensable to the production or causation of the holiness and the holiness indispensable to the maintaining and deepening of the peace He who affirms that he has peace while living in sin is a liar and the truth is not in him He who thinks that he has holiness though he has no peace ought to question whether he understands aright what the Bible means by either the one or the other for as the essence of holiness is the soul s right state toward God it does not seem possible that a man can be holy so long as there is no conscious reconciliation between God and him A spurious holiness there may be founded upon a spurious peace or upon no peace at all but true holiness must start from a true and authentic peace A homiletical commentary on the prophecies of Isaiah, by R.A.
