The Open Road of Life Loretta D. Lamm, 2001-07-03 Being a mother of three I certainly know the challenges that every day life can bring But what about the painful past How does one cope with horrid memories of an abusive childhood How does one overcome the guilt of years of alcohol and drug abuse How does one grasp the very threads of life and maintain a mere existence in a world filled with much corruption I can tell you that the Lord Jesus Christ is the One Who lowered the pistol from my right temple and gave me hope in my meaningless life He is the Answer to every question I have the Mender of every problem I face the Forgiver of every sin I commit and the Leader of every step that I take He has made all of the difference in my life He IS the difference He IS the Truth the Way and the Life He IS Over time on my endless journey He has wiped away the tears and given me the courage to look back with a forgiving and shameless heart He has given me the strength to move forward in each new day In my book The Open Road of Life there are poems inspirations prayers and true stories telling what the Lord has put on my heart since I gave my life back to Him Some tell of what Hes brought me through while others tell of lessons learned Feel the pains of the past and the confusions of what every day life can bring Read how the love of God has comforted and brought so much joy to my life through faith and trust in Him Discover the beauty of lifes many wonders Read about the changes He has made in me and know that He will do the same for you See how He opened my eyes and heart and gave me a deeper appreciation and respect for everyone and everything around me but most of all a greater desire and love for Him I LOVE You fervently and devotedly O Lord my Strength The Lord is my Rock my Fortress and my Deliverer my God my keen and firm Strength in Whom I will trust and take refuge my Shield and the Horn of my salvation my High Tower I will call upon the Lord Who is to be praised so shall I be saved from my enemies Psalm 18 1 3 AMP May the love of God be real to you today as you read what His love has done for me May you know that He truly loves you regardless of what youve done or where youve been What really matters now is where youll go from here So kick off your shoes wiggle your toes a bit and take a little stroll with Him down The Open Road of Life

The Dance of Life Havelock Ellis, 2023-10-05 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision Private Fleming at Chancellorsville Perry Lentz, 2006 What intelligent person has never pondered the meaning of life For Yuval Lurie this is more than a puzzling philosophical question it is a journey and in this book he takes readers on a search that ranges from ancient quests for the purpose of life to the ruminations of postmodern thinkers on meaning He shows that the question about the meaning of life expresses philosophical puzzlement regarding life in general as well as personal concern about one's own life in particular Lurie traces the emergence of this question as a modern philosophical quandary riddled with shifts and turns that have arisen over the years in response to it Tracking the Meaning of Life is written as a critical philosophical investigation stretching over several traditions such as analytic philosophy phenomenology and existentialism It maps out a journey that explores pivotal responses to this question drawing especially on the thought of Tolstoy Wittgenstein Sartre and Camus and exploring in depth the insights these thinkers offer regarding their own difficulties concerning the meaning of life In the book's four sections Lurie discusses Tolstoy's challenge to experience the religious and transcendental meaning of life by choosing a simple hardworking existence Wittgenstein's focus on ethics and discovering the sense of the world his conclusion that the question of the meaning of life makes no sense and his turning to experience the mystical aspect of the world Sartre's positing of freedom as the basis of human life stipulating a personal answer to the question of the meaning of life and Camus' view of the absurdity of life unalleviated by any personal meaning Guided by these views Lurie imparts new insight to ideas that underlie our concern with life's meaning such as the difference between attitudes toward life and beliefs and opinions about life the meaning of words versus the meaning of events shared meanings versus personal meanings and the link between ethics and personal identity Tracking the Meaning of Life is no mere dry philosophical study but a journey that dramatically illustrates the poignancy of the quest for meaning showing that along the way it gradually becomes more obvious how personal meaning may be found in the pulsations of everyday life The book offers stimulating reading not only for scholars in philosophy but also for general readers who wish to see how their personal concerns are echoed in modern philosophical thought More than a description of a journey it is a map to anxieties and puzzlements we all face pointing to ideas that can guide readers on their own search for meaning **Reticent Embers** CV Wayne, 2025-05-12 In this book you will find a wonderful collection of original poems as well as quotes and notes that crosses every genre in order to find that special place in the heart of each reader From Little Brown Girl to The Old Country Road you will explore a melodious symmetry of words that takes you on a journey to a world of boundless possibilities as long as you have the courage to say what if **The Journey of Life** Henderson Brome, 2007-04 The journey of life from birth to death is a phenomenon that is
