The Road Taken Patrick Leahy, 2023-09-12 A historic sweeping memoir from United States Senator Patrick Leahy currently the chamber s longest serving senator and President Pro Tempore In his landmark memoir *The Road Taken* Patrick Leahy looks back on a life lived on the front lines of American politics As the senior most member and de facto dean of the chamber Senator Leahy has been a key author of the American story Leahy established himself as a moral leader and liberal pioneer over four decades spanning nine presidential administrations American history comes alive in this gripping story of a master political leader and consummate legislator Leahy takes you inside the room as pivotal moments in our nation s history play out from the post Watergate reform era to path breaking Supreme Court confirmations to stress tests like the impeachment of President Clinton 9 11 and Congress s role in greenlighting a disastrous war in Iraq the January 6th Capitol insurrection and both impeachment trials of Donald Trump one of which Senator Leahy presided over a historic first

Beautifully written and filled with wonderful stories Leahy's memoir is populated by a larger than life cast of characters. We meet the major players who would shape the course of American politics including every President from Ford onward, a fresh faced Ted Kennedy, a dying Hubert Humphrey, a thirty three year old son of Scranton named Joe Biden, a quick witted Barry Goldwater, a freshman Senator and trash talking gym mate named Barack Obama, and a scrappy newcomer by the name of Bernie Sanders. Through these characters and many more we see the rise, gradual decline, and push for redemption of a United States Senator that Leahy learns at an early age can be the nation's conscience. **The Road Taken** is also a moving personal portrait. Born in Vermont in 1940, Leahy got his first taste of politics at age six after riding his tricycle into the Governor's office. Twenty eight years later he became the first Democrat and youngest person ever elected to the United States Senate from Vermont. He writes movingly of his wife of nearly sixty years, Marcelle, his family life, his beloved home state of Vermont, and his unexpected life as an actor with cameos in five Batman movies. Despite being born legally blind in one eye, Leahy became an accomplished photographer, shooting history as he witnessed it. His intimate portraits illustrate the book showcasing history through the lens of his life. Full of wisdom and insight, **The Road Taken** ranks among the greatest political memoirs, revealing a momentous life marked by hard decisions made without regret.

The Road Taken Michael Buerk, 2010-11-23. Dawn and as the sun breaks through the piercing chill of night on the plain outside Korem, it lights up a biblical famine now in the Twentieth Century. Those words opened Michael Buerk's first report on the Ethiopian famine for the 6 o'clock news on October 24th, 1984. His reports sent shock waves round the world. The Live Aid concert, a direct consequence of Bob Geldof watching that broadcast, was watched by half the planet. Michael Buerk has reported on some of the biggest stories in our lifetime: the Flixborough chemical plant fire, the Birmingham pub bombing, Lockerbie. He was in Buenos Aires at the start of the Falklands War; he reported the death throes of apartheid in South Africa. He was the face of the BBC flagship evening news for many years and has fronted everything from the popular BBC1 series 999 to the erudite Radio 4 programme The Moral Maze. He has won every major award and is universally admired and respected for his intelligent and honest journalism. Here he also reveals the private Michael Buerk: his bigamist father, his long and happy marriage to Christine, and his delight at fatherhood.
