Winning the White House, 2004 David M. Rankin, 2005-07-14 What does it take to win the

White House This book helps students understand both the issues and how and why people vote for one candidate After discussing the dynamics of the primary campaigns the authors examine three broad sets of issues that play a key role in voting foreign policy domestic policies and the culture wars This sets the foundations for an examination of regional similarities and differences in voting patterns as the varying salience and valence of issues whether general or specific is explored across and within regions Special attention is paid to battleground states Drawing on concepts from political science this book advances students understanding both of the field and the phenomenon The Politics of the Presidency, Revised 8th Edition Joseph A. Pika, John Anthony Maltese, 2013-07-15 In the most up to date core text available on the presidency The Politics of the Presidency Revised Eighth Edition Joseph A Pika and John Anthony Maltese once again deliver their comprehensive and accessible analysis of the presidency Never losing sight of the foundations of the office the authors maintain a balance between historical context and contemporary scholarship on the executive A solid foundation for any presidency course the revised eighth edition features updated chapters including coverage of the 2012 election and a new chapter analyzing Obama s challenges as a second term president in an entrenched partisan environment **Elections 2004** , *Responsible Partisanship?* John Clifford Green, Paul S. Herrnson, 2002 More than fifty years have passed since the American Political Science Association published *Toward a More Responsible Two Party System* a controversial report that addressed the lack of national cohesion within the major parties Although parties have changed a great deal since then they remain a critical component of American democracy While the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the APSA report Here a distinguished group of scholars among them Charles O Jones Barbara Sinclair Frank J Sorauf John Bibby and Gerald Pomper examine the effectiveness accountability and relevance of parties to the democratic process These articles cover all major relevant topics focusing on recent changes in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties They examine the place of the party in government including chapters on the changing role of parties in Congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology A capstone essay by Leon Epstein the dean of American party scholars reviews the ongoing quest for responsible partisanship over the past half century These contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible The most comprehensive description and analysis of American parties now available *Responsible Partisanship* should become required reading for all students and citizens concerned with making parties more accountable instruments of government
