**Stern** Robert A. M. Stern,1998 This is the fourth in a set of chronological compilations documenting the work of a prolific architectural firm detailing projects brought to fruition currently underway and not yet constructed The firm operates under the conviction that the inherent iconoclasm of modernism combined with its presence **Robert A.M. Stern** Robert A. M.

Stern,2010-12-21 In over thirty years of practice Robert A M Stern has developed a distinctive architecture committed to the synthesis of tradition and innovation and above all to the creation and enhancement of a meaningful sense of place This monograph covering the years 1999-2002 is the fourth in a series on Stern's work The volume includes more than one hundred projects including houses and apartments buildings for cultural institutions and universities office and commercial structures government facilities and designs for products including fabric and tableware From the Trade Paperback edition

**Robert A.M. Stern** Robert A. M. Stern,2007 The sequel to the highly successful Robert A M Stern Buildings 1996 this volume also incorporates master plans for towns and campuses City Living Robert A.M. Stern,Paul L. Whalen,Daniel Lobitz,Michael D. Jones,2016-01-12 Today we build all over the world We bring what we know and we learn from our clients and our travels And the fundamental reason that we succeed is that we are committed to architecture as portraits of places Robert A M Stern In City Living Paul L Whalen Daniel Lobitz and Michael D Jones partners at Robert A M Stern Architects present sixteen completed apartment complexes and a portfolio of sixteen further projects in progress in New York and major cities across the United States and in Europe Asia and South America Over the past fifteen years the high rise residential apartment house has emerged as the focus of contemporary architectural practice challenging the commercial office building for pride of place on city skylines around the world Drawing on the rich heritage of apartment house design in New York City from the 1920s and 1930s the RAMSA partners bring a unique perspective to this building type creating strong forms with visually intriguing facades that meet the ground and touch the sky with elegance and dignity These designs extend the classical tradition while inflecting toward the simplicity and abstraction of modernism Essential to the planning process is the integration of buildings into the cityscape and the urban neighborhood setting The base of the apartment houses is articulated to reflect the scale of the surrounding buildings and a portion of the site can be reserved for townhouses that create a transition between old and new *Modern Architecture and Other Essays* Vincent Scully,2003 Combining the

modes of historian and critic in unique and compelling ways Scully has profoundly influenced the way architecture is thought about and made This illustrated and elegantly designed volume distills Scully s incalculable contribution 300 illustrations

*A Field Guide to American Houses* Virginia Savage McAlester,2015-07-29 The fully expanded updated and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture in print since its original publication in 1984 and acknowledged everywhere as the unmatched essential guide to American houses This revised edition includes a section on neighborhoods expanded and completely new categories of house styles with photos and descriptions of each an appendix on Approaches to Construction in the 20th and 21st Centuries an expanded bibliography and 600 new photographs and line drawings

*A World History of Architecture* Marian Moffett,Michael W. Fazio,Lawrence Wodehouse,2003 The Roman architect and engineer Vitruvius declared firmitas utilitas and venustas firmness commodity and delight to be the three essential attributes of architecture These qualities are brilliantly explored in this book which uniquely comprises both a detailed survey of Western architecture including Pre Columbian America and an introduction to architecture from the Middle East India Russia China and Japan The text encourages readers to examine closely the pragmatic innovative and aesthetic attributes of buildings and to imagine how these would have been praised or criticized by contemporary observers Artistic economic environmental political social and technological contexts are discussed so as to determine the extent to which buildings met the needs of clients society at large and future generations

*Reflections on Architecture, Society and Politics* Graham Cairns,2016-10-04 Reflections on Architecture Society and Politics brings together a series of thirteen interview articles by Graham Cairns in collaboration with some of the most prominent polemic thinkers and critical practitioners from the fields of architecture and the social sciences including Noam Chomsky Peggy Deamer Robert A M Stern Daniel Libeskind and Kenneth Frampton Each chapter explores the relationship between architecture and socio political issues through discussion of architectural theories and projects citing specific issues and themes that have led to and will shape the various aspects of the current and future built environment Ranging from Chomsky s examination of the US Mexico border as the architecture of oppression to Robert A M Stern s defence of projects for the Disney corporation and George W Bush this book places politics at the center of issues within contemporary architecture

*Weekend Utopia* Alastair Gordon,2001-05 The Hamptons are hot Gordon who grew up there traces the invention of the idea of the Hamptons as a resort for the elite of New York City and shows how various forces including artists real estate developers and media professionals transformed what had been a quiet rural place into a modern and worldwide phenomenon 175 illustrations

**The Oxford Dictionary of Architecture** James Stevens Curl,Susan Wilson,2015 With over 6 000 entries this is the most authoritative dictionary of architectural history available

**New Classic American Houses** Dan Cooper,2009-10 Albert Righter Tittman Architects create finely crafted houses that pay homage to classic American house styles yet are adapted with skill mastery and a good dose of irreverence to suit contemporary American life At first glance their Cambridge Cupola

House looks like a typical mid 19th century Greek Revival house but on closer inspection one realises that nothing is quite where it should be The grand cupola topped rotunda entrance for instance is located not in the front but on the side of the house The reason To increase the living space for the inhabitants Richly illustrated with specially commissioned photographs as well as with plans drawings and watercolours this sumptuous volume celebrates AR Ts timeless innovative designs and explores the historical styles on which they are based from Classical to Shingle from Carpenter Gothic to Cape Focusing on the superb craftsmanship and exquisite detailing of AR Ts exteriors interiors and outbuildings each chapter features one or more sidebars highlighting their inventive use of architectural elements including columns fireplaces balustrades and moldings It will be a trove of design ideas for professionals and homeowners alike Federal Building United States Courthouse, Youngstown, Ohio ,2002
