

ROBERT BROWNING & SHELLEY

Although Robert is from Victorian age and his poet include some element like mythology , nature and economic verse . In 1825, a cousin gave Browning a collection of Percy Bysshe Shelley's poetry; Browning was so taken with the book that he asked for the rest of Shelley's works for his thirteenth birthday, and declared himself emulation of the .a vegetarian and an atheist in poet

Robert Browning A Shelley Promethean:

Robert Browning, a Shelley Promethean Paul A. Cundiff, 1977 **The Shelleys and the Brownings** Rieko Suzuki, 2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning's later poems reflect back on and re engage with Shelley's work secondly Mary Shelley's influence on Browning's early poems and thirdly Shelley's presence in and influence on Elizabeth Barrett Browning's writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social political and cultural environment *An Introduction to the Study of Robert Browning's Poetry* Hiram Corson, Robert Browning, 1886 **Letters**

in Support of Robert Browning Paul A. Cundiff, 1984 **Shelley and Browning** Frederick Albert Pottle, 1923 An Introduction to the Study of Robert Browning's Poetry Robert Browning, Hiram Corson, 1889 **Introduction to Robert Browning** Hiram Corson, 2018-09-20 Reproduction of the original Introduction to Robert Browning by Hiram Corson

Browning's Beginnings Herbert F. Tucker Jr., 1980-12-31 Browning's Beginnings was first published in 1980 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Browning's Beginnings offers a fresh approach to the poet who among major Victorians has proved at once the most congenial and most inscrutable to modern readers Drawing on recent developments in literary theory and in the criticism of romantic poetry Herbert F. Tucker Jr. argues that Browning's stylistic obscurity is the result of a principled poetics of evasion This art of disclosure in deferring formal and semantic finalities constitutes an aesthetic counterpart to his open ended moral philosophy of incompleteness Browning's poems like his enormously productive career find their motivation and sustenance in his optimistic love of the future a love that is indistinguishable from his lifelong fear that there will be nothing left to say The opening chapters trace the workings of Browning's art of disclosure with extensive and original interpretations of the unduly neglected early poems Pauline Paracelsus and Sordello and place special emphasis on Browning's attitudes toward poetic tradition and language A chapter on Browning's attitudes toward poetic tradition and language A chapter on Browning's plays identifies dynamics of representation in Pippa Passes Strafford and King Victor and King Charles Tucker discusses the pervasive analogy between

Browning's ideas about poetic representation and about representation in its erotic and religious aspects and shows how the early poems and plays illustrate correlative developments in poetics and in the exploration and dramatic rendering of human psychology. The remaining chapters follow the poetic psychology of Browning to its culmination in the great poems of his middle years. Exemplary readings of selected dramatic lyrics and monologues suggest that the ways of meaning in Browning's mature work variously bear out the sense of endlessness or perpetual initiation that is central to his poetic beginnings. Tucker thus contends that the romantic and the Victorian Browning have more in common than is generally supposed and his book should appeal to students of both periods. Its discussion of general literary issues poetic influence closure representation and meaning in application to particular texts should further recommend Browning's Beginnings to the nonspecialist reader interested in poetry and poetic theory.

Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God

Linda M. Lewis, 1998. Lewis English Bethany College studies Browning's religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest. Using insights from contemporary feminist thought she argues that Browning's religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest. Draws on Browning's most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets. The Shelley Concordance Paul A. Cundiff, 1986

The

Poetical Works of Robert Browning Stefan Hawlin, Michael Meredith, 2009-08-20. Volume 15 in The Complete Poetical Works of Robert Browning presents poetry Browning wrote in his seventies his last two volumes Parleyings 1887 and Asolando 1889. The former is the poet's last sustained meditation on life and on his times a nine section credo covering religion history poetry politics art and music. Asolando is a coda to his whole oeuvre a mixture of short love lyrics historical monologues and anecdotes light verse and poems which are quite sui generis all grouped around the theme of fancies and fact. Both volumes are presented here with previously unknown sources a wealth of new contextual material and many textual nuances clarified giving a fresh view of the last phase of Browning's career. What emerges is a poet more seriously Christian Protestant and Liberal than previously supposed more interested in Britain's destiny and Empire more enmeshed in the local battles of the 1880s and a writer of considerable range and wit.

Fellow Romantics Beth Lau, 2016-12-05

Beginning with the premise that men and women of the Romantic period were lively interlocutors who participated in many of the same literary traditions and experiments Fellow Romantics offers an inspired counterpoint to studies of Romantic era women writers that stress their differences from their male contemporaries. As they advance the work of scholars who have questioned binary approaches to studying male and female writers the contributors variously link among others Charlotte Smith and William Wordsworth Mary Robinson and Samuel Taylor Coleridge Felicia Hemans and Percy Bysshe Shelley Jane Austen and the male Romantic poets. These pairings invite us to see anew the work of both male and female writers by

drawing our attention to frequently neglected aspects of each writer's art. Here we see writers of both sexes interacting in their shared historical moment while the contributors reorient our attention toward common points of engagement between male and female authors. What is gained is a more textured understanding of the period that will serve as a model for future studies.

English Language and Literary Criticism James Baldwin, 1882 English Literature & Literary Criticism, a Practical Guide to Systematic Reading & Study ... James Baldwin, 1882 **Historical Dictionary of British Theatre**

Darryll Grantley, 2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today. But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899. Still this is almost six centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw. And they wrote some of the finest plays ever which are known around the world. So there is plenty for this book to cover just with the playwrights, plays and actors but it also has information on stagecraft and theatres as well as the historical and political background. This book has over 1,183 entries in the dictionary section, these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres, legislative acts and some technical jargon. Then there are entries on the different genres from comedy to tragedy and everything in between. Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview. The *Historical Dictionary of Early British Theatre* concludes with a pretty massive bibliography. That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information.
